

A woman with long, wavy blonde hair is the central figure, looking directly at the camera with a slightly concerned or questioning expression. She is wearing a red dress with a small white floral pattern and a thin gold chain necklace. The background is a lush tropical landscape with green grass, various trees, and a large palm frond on the right. The sky is blue with scattered white clouds. The text 'COSTA RICA' is overlaid on the lower part of her face.

Costa Rica's Caribbean Coast Bruce Conord, June Conord, 2009 Peppered throughout the text are quotes from literature music and popular sayings from everyone from Gilbert and Sullivan to Martin Luther King and The Beach Boys All fit the text

and you'll be excused from breaking away from the travel information and thumbing through to see who the Conords will quote next. The book recommends locking your passport in your hotel safe and when you go out carrying a photocopy that you've made before you leave home. That advice generates much debate in travel circles: a question of balancing authorities' insistence on seeing the original document with the risk of losing it. In any case, a copy made before departure without that all-important entry stamp into the country would never suffice. But these matters are small and forgivable in a guide packed with such solid information.

San JosŽ & Costa Rica's Central Valley Bruce Conord, June Conord, 2009. It really gave us everything we needed to plan our trip and now that we are here we use it to find just about everything. If you have not visited Costa Rica yet, get a copy of this book and come on down; it is fabulous. PURA VIDA! My husband and I just spent our honeymoon in Costa Rica and believe it or not found this Adventure Guide to be the best resource for exciting things to do and see. It was also accurate for finding hotels that had that little bit of extra ambiance we wanted for romance. We had used Lonely Planet guidebooks on other trips but found this guidebook to be much better. It's easy to use, has lovely photographs, and for rainy nights it made good armchair reading. I heartily recommend the Adventure Guide for a wonderful vacation in Costa Rica.
