The Opponents Of Paul In Second Corinthians

J. Brian Tucker, Aaron Kuecker

The Opponents Of Paul In Second Corinthians:

Identifying Paul's opponents Jerry L. Sumney, 1990 *The Opponents of Paul in Second Corinthians* Dieter Georgi, 1986
Jews, Gentiles, and the Opponents of Paul B. J. Oropeza, 2012-02-24 B J Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament The study examines each book of the New Testament with a fourfold approach that identifies the emerging Christian community in danger the nature of apostasy that threatens the congregations and the consequences of defection Oropeza then compares the various perspectives of the communities in Christ in order to determine the ways in which they perceived apostasy and whether defectors could be restored In this second volume of a three volume set titled *Apostasy in the New Testament Communities* Oropeza focuses on the Christ communities of the undisputed and disputed Pauline Letters *Paul And His Opponents* Stanley E. Porter, 2005 Who were Paul's opponents Were they one or were they many depending upon the church concerned These questions continue to be of interest to Pauline and other New Testament scholars and are addressed in this volume of collected essays Some of the essays are on specific books such as Galatians the Corinthian letters and Romans while others treat broader issues in Paul's world **The Opponents of Paul in Second Corinthians** Dieter Georgi, 1987 *Paul, Judaism, and the Gentiles* Francis Watson, 2007-09-14 This book is novel in its questioning of the adequacy of interpreting Paul from the perspective of the Reformation and in its application of sociological methods to the New Testament *Exploring Second Corinthians* B. J. Oropeza, 2016-04-15 A multi faceted commentary that breathes fresh insight into Paul's letter In Second Corinthians Paul responds to reports of the Corinthian congregation questioning his competency as a divinely sent messenger Through apologetic demagogia and the use of graphic imagery related to triumphal processions siege warfare and emissary travels and negotiation Paul defends his constancy persona and speaking abilities as he extends the offer of clemency and reconciliation to his auditors Oropeza combines rhetorical pictures rhetography with interpretative layers literary features intertextuality socio cultural ideological and sacred textures to arrive at the rhetorical impact of Paul's message for ancient Mediterranean discourse Features A visual sensory and imaginative interpretation of the scripture A comprehensive commentary An avant garde approach to biblical interpretation **Second Corinthians** Larry Kreitzer, 1996-11-01 This Guide explores the controversial place that 2 Corinthians has within Pauline studies Special attention is given to the contribution that the epistle makes to our understanding of Paul's views on such matters as his apostolic ministry his interpretation of scripture and his ecclesiology A summary of scholarly debate about the placement of 2 Corinthians within the larger setting of the Pauline corpus is also provided **The Intertextuality of Paul's Apocalyptic Discourse** Doosuk Kim, 2023-05-08 This book attempts to investigate two strands in a single work apocalyptic Paul and intertextuality First what does apocalyptic Paul mean Is it synonymous to eschatology as a theological notion or the end time mystery Many seminal works have delved into the intriguing yet unorganized notion of the apocalyptic Instead of attempting to provide a universal

definition of the apocalyptic the author presents his understanding of the phenomenon particularly in the cultural realm The author contends that apocalyptic is neither all about the end time event nor merely a literary genre but an interpretive lens to understand the world and social phenomena one that is shaped and developed through culture and society Accordingly the term apocalyptic Paul implies how Paul views and understands the world history and supernatural phenomena through interaction with his cultural texts and context Second the author also suggests that intertextuality is not only about comparative literature study Rather intertextuality refers to cultural semiotics a sign system to deliver the meaning of text Based on this notion of intertextuality the author interprets how Paul envisages multiple phenomena heavenly ascent resurrection afterlife the origins of sin and two ages within his cultural context *The Offering of the Gentiles* David J. Downs, 2008 Money mattered to the apostle Paul One economic endeavor of signal importance for Paul was the monetary fund that he organized among the largely Gentile congregations of his mission for the Jewish Christian community in Jerusalem David J Downs investigates this offering from a variety of angles He begins with an attempt to piece together a relative chronological account based primarily on information from Paul s epistles of the apostle s fundraising efforts on behalf of the Jerusalem church After reconstructing this complex story Downs examines the socio cultural context of the collection focusing on analogous forms of giving among ancient pagan and Jewish voluntary associations including practices of benefaction common funds care for the poor and translocal economic links among these associations With this chronological and socio cultural context in mind the author then explores Paul s use of several cultic metaphors to frame the contribution as a religious offering consecrated to God Drawing on recent work in the field of metaphor theory Downs contends that Paul metaphorically frames his readers responsive participation in the collection as an act of cultic worship thus underscoring the point that the fulfillment of mutual obligations within the community of believers results in praise not human benefactors but to God the one from whom all benefactions come This rhetorical strategy suggests that even the very human action of raising money for those in material need originates in the grace charis of God and will eventuate in thanksgiving charis to God 2 Cor 9 14 15 *Does It Matter Who Wrote the Bible?* David B. Capes, 2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022

These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament

The Second Epistle of Paul to the Corinthians Colin G. Kruse, 1987 Kruse's work on 2 Corinthians is part of the Tyndale Bible Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means with a minimum of reliance on scholarly technicalities

T&T Clark Social Identity Commentary on the New Testament J. Brian Tucker, Aaron Kuecker, 2020-02-20 The T T Clark Social Identity Commentary on the New Testament is a one of a kind comprehensive Bible resource that highlights the way the NT seeks to form the social identity of the members of the earliest Christ movement By drawing on the interpretive resources of social scientific theories especially those related to the formation of identity interpreters generate new questions that open fruitful identity related avenues into the text It provides helpful introductions to each NT book that focus on various social dimensions of the text as well as a commentary structure that illuminates the text as a work of social influence The commentary offers methodologically informed discussions of difficult and disputed passages and highlights cultural contexts in theoretically informed ways drawing on resources from social anthropology historical sociology or social identity theory The innovative but careful scholarship of these writers most of whom have published monographs on some aspect of social identity within the New Testament brings to the fore often overlooked social and communal aspects inherent in the NT discourse The net result is a more concrete articulation of some of the every day lived experiences of members of the Christ movement within the Roman Empire while also offering further insight into the relationship between existing and new identities that produced diverse expressions of the Christ movement during the first century The SICNT shows that identity formation is at the heart of the NT and it offers insights for leaders of faith communities addressing these issues in contemporary contexts

Paul and his Rivals Clair Mesick, 2024-08-19 At the heart of Paul's Corinthian correspondence is a historical puzzle How did the relative calm of 1 Corinthians deteriorate into the chaos of 2 Corinthians and what role did the so called Jewish super apostles play in that conflict This book proposes a new solution it was Paul not his rivals who shot the first volley in the Corinthian conflict Paul's claims of unique authority for instance as the architect atop whose foundation all others must build 1 Cor 3 10 and the Corinthians father while others are mere pedagogues 4 15 would relegate other leaders to lesser positions His contention that accepting financial support put an obstacle before the gospel 9 12 would jeopardize the livelihood of apostles who relied on such support Finally Paul's claim that he becomes lawless to the lawless 9 21 or that circumcision is nothing 7 19 could throw into question Paul's own Jewishness cf 2 Cor 11 22 By reading the Corinthian correspondence against the grain imagining how Paul's letter might have backfired for an audience who did not yet take him as scripture this book explores how misunderstandings and misinterpretations can fracture church communities and cause a ripple effect of conflict and accusation

2 Corinthians Colin G. Kruse, 2015-06-05 Paul's long complicated history with the Corinthian church culminates in this ardent defense of Christian ministry in general and of his own ministry in particular In this revised

and expanded commentary Colin Kruse illuminates Paul's contrast of the old and new covenants and his eloquent exposition of the ministry of reconciliation

2 Corinthians V. George Shillington, 1998-04-10 V George Shillington sees this letter as Paul's personal testimony about his ministry of reconciliation among the Corinthian Christians chapters 1-9 and his ministry in defending the truth of the gospel chapters 10-13 The thread that ties the two parts together is Paul's conviction on pastoral ministry under the banner of Christ Paul insists that ministry is to be borne in affliction like that of Christ crucified In raising the crucified Messiah out of the old creation God has inaugurated a new creation in which believers already participate The only boast allowed is in the Lord not in one's own achievements or elevated experiences

2 Corinthians Scott J. Hafemann, 2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

Identifying Paul's Opponents Jerry L. Sumney, 2015-01-29 To develop a method for identifying Paul's opponents it is first necessary to analyse procedures used by previous scholars Too little attention has been paid in the past to issues of method and many procedures have been used which violate the canons of historical research In the first place limits should be set upon the use of historical reconstructions and of external sources and the determinative source for identifying the opponents of any letter must be that letter itself Secondly a satisfactory method will analyse passages within the primary text according to the nature of the section e.g polemical or didactic and the types of statements they contain e.g explicit statements about opponents or allusions to them Then each combination of context and statement type is evaluated to determine 1 how certain we can be about whether the passage refers to opponents and 2 how much distortion is likely to be present The application of the proposed method to the two letters within 2 Corinthians indicates that Paul faced the same group of opponents in both letters These opponents were pneumatics who demanded a particular manner of life as evidence that a person possesses the measure of the spirit which makes one an apostle

Jesus' Transfiguration and the Believers' Transformation Simon S. Lee, 2009 Revision of the author's thesis Th D Harvard University 2008

Teaching as Paul Taught Roy Check B. Zuck, 2003-11-20 Though books on Paul's life and writing abound very few works have examined the apostle's teaching techniques In this companion to *Teaching as Jesus Taught* Roy Zuck probes Paul's pedagogy to

discover principles for effective teaching today According to Zuck the apostle Paul stands as a master teacher Analyzing and following Paul s educational goals and strategies Zuck writes can help us become better teachers of God s Word Examining his pedagogy can acquaint us with a number of important principles and procedures in teaching Teaching as Paul Taught explores the many New Testament references to Paul s teaching as well as the historical and cultural context in which the apostle taught Zuck carefully organizes this extensive material around fifteen key questions regarding the teaching ministry of Paul Over twenty tables and questions for reflection at the end of each chapter aid readers in following Paul s example The result is a comprehensive and practical handbook for everyone involved in a teaching ministry

The Opponents Of Paul In Second Corinthians Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Opponents Of Paul In Second Corinthians PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Opponents Of Paul In Second Corinthians PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Opponents Of Paul In Second Corinthians free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Opponents Of Paul In Second Corinthians Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Opponents Of Paul In Second Corinthians is one of the best book in our library for free trial. We provide copy of The Opponents Of Paul In Second Corinthians in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Opponents Of Paul In Second Corinthians. Where to download The Opponents Of Paul In Second Corinthians online for free? Are you looking for The Opponents Of Paul In Second Corinthians PDF? This is definitely going to save you time and cash in something you should think about.
