**Emotion Regulation** Lauren H. Kerstein, 2025-08-05 Take Charge of Your Emotions. Effective emotion management can lead to more successful relationships, increase the positive feelings kids have about themselves, and even help their daily lives run more smoothly. This book is designed to be used by adults who are helping children or teens identify strategies to help them increase their ability to regulate their own emotions. Working with children and adolescents struggling to manage their emotions is a special privilege that brings with it reward, constant recalibration, and the reality that for all of us, the road to emotion regulation requires tenacity and the proper tools. The emotion regulation strategies and workbook activities described throughout this resource have roots in cognitive behavioral therapy, CBT, dialectical behavior therapy, DBT, and positive psychology. CBT, DBT, and positive psychology are models that show much promise in aiding struggling students. You will find activities throughout the book to complete with your child. These activities could also be completed independently by children up to the task. Special note for caregivers and therapists.
