The Origins And Empire Of Ancient Israel

Steven M. Collins

The Origins And Empire Of Ancient Israel:

The Origins and Empire of Ancient Israel Steven M. Collins, 2002 *The Old Testament and God (Old Testament Origins and the Question of God Book #1)* Craig G. Bartholomew, 2022-12-13 Southwestern Journal of Theology 2022 Book of the Year Award Biblical Studies Craig Bartholomew's *The Old Testament and God* is the first volume in his ambitious four volume project which seeks to explore the question of God and what happens to Old Testament studies if we take God and his action in the world seriously. Toward this end he proposes a post critical paradigm shift that recenters study around God. The intent is to do for Old Testament studies what N T Wright's *Christian Origins and the Question of God* series has done for New Testament studies. Bartholomew proposes a much needed holistic narrative approach showing how the Old Testament functions as Christian Scripture. In so doing he integrates historical literary and theological methods as well as a critical realist framework. Following a rigorous analysis of how we should read the Old Testament he goes on to examine and explain the various tools available to the interpreter. He then applies worldview analysis to both Israel and the surrounding nations of the ancient Near East. The volume concludes with a fresh exegetical exploration of YHWH the living and active God of the Old Testament. Subsequent volumes will include *Moses and the Victory of Yahweh*, *The Old Testament and the People of God* and *The Death and Return of the Son*.

The Politics of Aristocratic Empires John H. Kautsky, 2017-09-29 *The Politics of Aristocratic Empires* is a study of a political order that prevailed throughout much of the world for many centuries without any major social conflict or change and with hardly any government in the modern sense. Although previously ignored by political science, powerful remnants of this old order still persist in modern politics. The historical literature on aristocratic empires typically is descriptive and treats each empire as unique. By contrast this work adopts an analytical explanatory and comparative approach and clearly distinguishes aristocratic empires from both primitive and more modern commercialized societies. It develops generalizations that are supported and richly illustrated by data from many empires and demonstrates that a pattern of politics prevailed across time space and cultures from ancient Egypt five millennia ago to Saudi Arabia five decades ago from China and Japan to Europe from the Incas and the Aztecs to the Tutsi. Kautsky argues that aristocrats because they live off the labor of peasants must perform the primary governmental functions of taxation and warfare. Their performance is linked to particular values and beliefs and both functions and ideologies in turn condition the stakes, the forms and the arenas of intra aristocratic conflict, the politics of the aristocracy. The author also analyzes the roles of the peasantry and the townspeople in aristocratic politics and shows that peasant revolts on any large scale occur only after commercial modernization. He concludes with chapters on the modernization of aristocratic empires and on the importance in modern politics of institutional and ideological remnants of the old aristocratic order.

The Israelites in History and Tradition Niels Peter Lemche, 1998-01-01 Niels Peter Lemche focuses on the way Israelites understood themselves at different points in history before, within and after the monarchy. This book is essential reading for anyone interested in understanding Israel's

rich history Volumes in the Library of Ancient Israel draw on multiple disciplines such as archaeology anthropology sociology linguistics and literary criticism to illuminate the everyday realities and social subtleties these ancient cultures experienced This series employs sophisticated methods resulting in original contributions that depict the reality of the people behind the Hebrew Bible and interprets these insights for a wide variety of readers [The Origin of Early Israel-Current Debate](#) Shmuel Ahituv, Eliezar Oren, 2017-07-12 The origin of Israel their settlement in the land of Canaan and transformation into an organized kingdom is one of the most stimulating and controversial chapters in the history of ancient Israel In this volume three of the researchers who have presented key models regarding this era Finkelstein Whitelam and Kitchen offer their latest thinking and are critiqued by a panel of other scholars using biblical historical archaeological anthropological and comparative Near Eastern data An important introduction to the debate over this crucial question **The Pax Assyriaca: The Historical Evolution of Civilisations and Archaeology of Empires** Benjamin Toro, 2022-02-24 This study of the evolutionary process of ancient civilisations stresses the complementarity between theoretical principles and the relevant historical and archaeological evidence Taking its approach from World Systems Theory it focuses on the origin development and collapse of the first Near Eastern stage of the Central Civilisation [The Social History of Achaemenid Phoenicia](#) Vadim S. Jigoulov, 2016-04-08 Even though the Persian period has attracted a fair share of scholarly interest in recent years as yet no concerted effort has been attempted to construct a comprehensive social history of Phoenician city states as an integral part of the Achaemenid empire This monograph explores the evidence from Persian period literary both ancient Jewish and classical epigraphic and numismatic sources as well as material culture remains in order to sketch just such a history This study examines developments in Persian period Phoenician city states on the three levels that of the individual household the city state and the administrative unit of the Persian empire These three societal levels are analyzed within the contexts of economic competition between and among the Phoenician city states their burgeoning economic ties with the outside world and their interaction with the Persian imperial influence in the Levant [The Oxford World History of Empire](#) Peter Fibiger Bang, C. A. Bayly, Walter Scheidel, 2020-12-02 This is the first world history of empire reaching from the third millennium BCE to the present By combining synthetic surveys thematic comparative essays and numerous chapters on specific empires its two volumes provide unparalleled coverage of imperialism throughout history and across continents from Asia to Europe and from Africa to the Americas Only a few decades ago empire was believed to be a thing of the past now it is clear that it has been and remains one of the most enduring forms of political organization and power We cannot understand the dynamics and resilience of empire without moving decisively beyond the study of individual cases or particular periods such as the relatively short age of European colonialism The history of empire as these volumes amply demonstrate needs to be drawn on the much broader canvas of global history Volume Two The History of Empires tracks the protean history of political domination from the very beginnings of state formation in the Bronze Age up to the present Case studies deal with the full

range of the historical experience of empire from the realms of the Achaemenids and Asoka to the empires of Mali and Songhay and from ancient Rome and China to the Mughals American settler colonialism and the Soviet Union Forty five chapters detailing the history of individual empires are tied together by a set of global synthesizing surveys that structure the world history of empire into eight chronological phases

Biblical History and Israel's Past Megan Bishop Moore,Brad E. Kelle,2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain illuminate and clarify the biblical story Megan Bishop Moore and Brad E Kelle describe how scholars today seek more and more to tell the story of the past on its own terms drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective Biblical History and Israel s Past provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century Moore and Kelle discuss significant trends in scholarship trace the development of ideas since the 1970s and summarize major scholars viewpoints issues and developments

Empire of Religion David Chidester,2022-12-22 How is knowledge about religion and religions produced and how is that knowledge authenticated and circulated David Chidester seeks to answer these questions in Empire of Religion documenting and analyzing the emergence of a science of comparative religion in Great Britain during the second half of the nineteenth century and its complex relations to the colonial situation in southern Africa In the process Chidester provides a counterhistory of the academic study of religion an alternative to standard accounts that have failed to link the field of comparative religion with either the power relations or the historical contingencies of the imperial project In developing a material history of the study of religion Chidester documents the importance of African religion the persistence of the divide between savagery and civilization and the salience of mediations imperial colonial and indigenous in which knowledge about religions was produced He then identifies the recurrence of these mediations in a number of case studies including Friedrich Max M ller s dependence on colonial experts H Rider Haggard and John Buchan s fictional accounts of African religion and W E B Du Bois s studies of African religion By reclaiming these theorists for this history Chidester shows that race rather than theology was formative in the emerging study of religion in Europe and North America Sure to be controversial Empire of Religion is a major contribution to the field of comparative religious studies

World History and the Eonic Effect John C. Landon,2010-04-27 At a time when theories of evolution are undergoing renewed controversy the study of the Eonic Effect can break the deadlock by looking at world history in the light of evolution The assumption that evolution occurs at random is the crux of the dispute and one confused with issues of religion and secularism We can detect a non random pattern in the record of civilization itself to see evolution in action on a stupendous scale We live in the first generations with enough data to detect this phenomenon In the confusion of evolutionary theories the unexpected discovery of deep level structure can allow us to deconstruct fl at history and assess claims of directionality in evolution In the process the theory of natural selection applied to human evolution is

seen to fail a photo finish test The book provides a new model for the study of the overlap of history and evolution and a critique of current views of the descent of man **A History of the Empire and People of Turkey and the War in the East ...** R. A. Hammond,1878 **The Blackwell Companion to Judaism** Jacob Neusner,Alan Avery-Peck,2008-04-15 This Companion explores the history doctrines divisions and contemporary condition of Judaism Surveys those issues most relevant to Judaic life today ethics feminism politics and constructive theology Explores the definition of Judaism and its formative history Makes sense of the diverse data of an ancient and enduring faith *The Origins of Globalization* Karl Moore,David Charles Lewis,2009-06-02 The Origins of Globalization presents a startling look at the shape of known world globalization dating back to the Roman Empire and earlier including multicultural workforces tariff reduced zones interregional tax issues currency risks and other phenomena **Balance of Power in World History** S. Kaufman,R. Little,W. Wohlforth,2007-08-22 The balance of power is one of the most influential ideas in international relations yet it has never been comprehensively examined in pre modern or non European contexts This book redresses this imbalance The authors present eight new case studies of balancing and balancing failure in pre modern and non European international systems **The Oxford Illustrated History of the Holy Land** Robert G. Hoyland,H. G. M. Williamson,2018-09-06 The Oxford Illustrated History of the Holy Land covers the 3 000 years which saw the rise of Judaism Christianity and Islam and relates the familiar stories of the sacred texts with the fruits of modern scholarship Beginning with the origins of the people who became the Israel of the Bible it follows the course of the ensuing millennia down to the time when the Ottoman Empire succumbed to British and French rule at the end of the First World War Parts of the story especially as known from the Bible will be widely familiar Less familiar are the ways in which modern research both from archaeology and from other ancient sources sometimes modify this story historically Better understanding however enables us to appreciate crucial chapters in the story of the Holy Land such as how and why Judaism developed in the way that it did from the earlier sovereign states of Israel and Judah and the historical circumstances in which Christianity emerged from its Jewish cradle Later parts of the story are vital not only for the history of Islam and its relationships with the two older religions but also for the development of pilgrimage and religious tourism as well as the notions of sacred space and of holy books with which we are still familiar today From the time of Napoleon on European powers came increasingly to develop both cultural and political interest in the region culminating in the British and French conquests which carved out the modern states of the Middle East Sensitive to the concerns of those for whom the sacred books of Judaism Christianity and Islam are of paramount religious authority the authors all try sympathetically to show how historical information from other sources as well as scholarly study of the texts themselves enriches our understanding of the history of the region and its prominent position in the world s cultural and intellectual history **The Routledge Atlas of Classical History** Michael Grant,1994 Covers the Near East ancient Egypt Greece and Rome shows the period between 1700 B C and 565 A D **The Hebrew Bible in Contemporary Fiction and**

Poetry Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message The Hebrew Bible in Contemporary Fiction and Poetry is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature

Can a 'history of Israel' be Written? Lester L. Grabbe, 1997-01-01 This Symposium asks whether a history of Israel can be written and if it can how Can the Hebrew Bible be used as a source for such history The question of writing the history of ancient Israel has become fiercely debated in recent years It is a debate that seems to generate more heat than light because of quite different concepts of historical methodology The European Seminar on Methodology in Israel s History was founded specifically to address this problem Members of the Seminar hold a variety of views but all agree that there is a problem to be tackled The first meeting of the Seminar held in Dublin in 1996 was devoted to some broad questions 1 Can a history of ancient Israel or Palestine Syria the Levant etc be written 2 If so how What place does the Hebrew Bible have as a source in writing this history This first volume contains the main papers that were prepared to set the stage for the discussion along with an introduction to the Seminar its aims and its membership The editor also provides a concluding chapter summarizing and reflecting on the debate

The Origin of Heresy Robert M. Royalty, 2013 Heresy is a central concept in the formation of Orthodox Christianity Where does this notion come from This book traces the construction of the idea of heresy in the rhetoric of ideological disagreements in Second Temple Jewish and early Christian texts and in the development of the polemical rhetoric against heretics called heresiology Here author Robert Royalty argues one finds the origin of what comes to be labelled heresy in the second century In other words there was such a thing as heresy in ancient Jewish and Christian discourse before it was called heresy And by the end of the first century the notion of heresy was integral to the political positioning of the early orthodox Christian party within the Roman Empire and the range of other Christian communities This book is an original contribution to the field of Early Christian studies Recent treatments of the origins of heresy and Christian

identity have focused on the second century rather than on the earlier texts including the New Testament The book further makes a methodological contribution by blurring the line between New Testament Studies and Early Christian studies employing ideological and post colonial critical methods

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **The Origins And Empire Of Ancient Israel**

In a global inundated with screens and the cacophony of quick connection, the profound energy and psychological resonance of verbal beauty often diminish into obscurity, eclipsed by the constant barrage of sound and distractions. The Origins And Empire Of Ancient Israel Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Origins And Empire Of Ancient Israel free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Origins And Empire Of Ancient Israel free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Origins And Empire Of Ancient Israel free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Origins And Empire Of Ancient Israel. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Origins And Empire Of Ancient Israel any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Origins And Empire Of Ancient Israel Books

1. Where can I buy The Origins And Empire Of Ancient Israel books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
