The Oscar Movies from A-Z Roy Pickard, 1982 *The Oscar Movies from A-Z* , 1982 *The A to Z of German Cinema*
Robert C. Reimer, Carol J. Reimer, 2010-04-01 German film is diverse and multi faceted its history includes five distinct German governments Wilhelmine Germany the Weimar Republic the Third Reich the Federal Republic of Germany and the German Democratic Republic two national industries Germany and Austria and a myriad of styles and production methods Paradoxically the political disruptions that have produced these distinct film eras as well as the natural inclination of artists to rebel and create new styles allow for the construction of a narrative of German film While the disjuncture generates distinct points of separation it also highlights continuities between the ruptures Outlining the richness of German film *The A to Z of German Cinema* covers mainstream alternative and experimental film from 1895 to the present through a chronology introductory essay appendix of the 100 most significant German films a bibliography and hundreds of cross referenced dictionary entries on directors actors films cinematographers composers producers and major historical events that greatly affected the direction and development of German cinema The book s broad canvas will lead students and scholars of cinema to appreciate the complex nature of German film *Oscar A to Z* Charles E. Matthews, 1995 A guide to the more than 2 400 feature films that have competed for Oscars from best picture to best sound effects editing *Hollywood Winners & Losers A to Z* Mark Thise, 2008-01-01 The ultimate film reference and trivia book *Hollywood Winners and Losers* features almost 900 separate entries for every actor and actress ever to be nominated for an Academy Award From icons to would be superstars and the forgotten faces that had only a moment in the sun every personality is listed here along with their best known films real names bios and little known facts More than just a reference guide or bet settler this is a perennial coffee table read perfect for film fans of all ages It simply cannot be beat ***The A to Z of African American Cinema*** S. Torriano Berry, Venice T. Berry, 2009-09-02 On 4 July 1910 in 100 degree heat at an outdoor boxing ring near Reno Nevada film cameras recorded and thousands of fans witnessed former heavyweight champion Jim Jeffries reluctant return from retirement to fight Jack Johnson a black man After 14 grueling rounds Johnson knocked out Jeffries and for the first time in history there was a black heavyweight champion of the world At least 10 people lost their lives because of Johnson s victory and hundreds more were injured due to white retaliation and wild celebrations in the streets Public screenings received instantaneous protests and hundreds of cities barred the film from being shown Congress even passed a law making it a federal offense to transport moving pictures of prizefights across state lines and thus the most powerful portrayal of a black man ever recorded on film was made virtually invisible This is but one of the hundreds of films covered in *The A to Z of African American Cinema* which includes everything from *The Birth of a Nation* to *Crash* In addition to the films brief biographies of African American actors and actresses such as Sidney Poitier James Earl Jones Halle Berry Eddie Murphy Whoopi Goldberg Denzel Washington and Jamie Foxx can be found in this reference Through a chronology a list of acronyms

and abbreviations an introductory essay a bibliography appendixes black white photos and hundreds of cross referenced dictionary entries on actors actresses movies producers organizations awards film credits and terminology this book provides a better understanding of the role African Americans played in film history The A to Z of Westerns in Cinema Paul Varner,2009-09-28 When the earliest filmgoers watched The Great Train Robbery in 1903 many of them shrieked in terror at the very last clip when one of the outlaws turns directly toward the camera and fires a gun seemingly directly at the audience The puff of smoke was sudden and it was hand colored so that it looked real Today we can look back at that primitive movie and see all the elements of what would evolve into the Western genre Perhaps it is the Western s early origins The Great Train Robbery was the first narrative commercial movie or its formulaic yet entertaining structure that has made the Western so popular Whatever the case may be with the recent success of films like 3 10 to Yuma and The Assassination of Jesse James by the Coward Robert Ford the Western appears to be in no danger of disappearing The story of the western is told in The A to Z of Westerns in Cinema through a chronology a bibliography and an introductory essay However it is the hundreds of cross referenced dictionary entries on cinematographers composers producers films like Butch Cassidy and the Sundance Kid Dances With Wolves The Good The Bad and the Ugly High Noon The Magnificent Seven The Searchers Tombstone and Unforgiven such actors as Gene Autry Kirk Douglas Clint Eastwood Henry Fonda James Stewart and John Wayne and directors like John Ford and Sergio Leone that will have you reaching for this book again and again *Hunger Games A-Z* Martin Howden,2012-07-02 Find out about the characters the controversy and how the books have been transformed for the Hollywood screen A is for Action Scenes the Hunger Games trilogy is full of nail biting action and tense battle scenes B is for Bestselling Books The Hunger Games and Catching Fire the first two books in the series were each New York Times bestsellers and Mockingjay topped all the bestseller lists C is for Suzanne Collins the author of the books She has also adapted The Hunger Games for the film starring Jennifer Lawrence and Liam Hemsworth This book of trivia is a must have for any Hunger Games fan *The A to Z of the Roosevelt-Truman Era* Neil A. Wynn,2009-12-16 The 1930s were dominated by economic collapse stagnation and mass unemployment This crisis enabled the Democrats to recapture the White House and embark upon a period of reform unsurpassed until the 1960s Roosevelt s New Deal laid the foundations of a welfare system that was further consolidated during and after the Second World War American involvement in World War II helped to secure victory in Europe and in Asia American participation in the war led to economic recovery but also brought with it enormous demographic and social changes Some of these changes continued after the war had ended but further political reform was to be limited due to the impact of the Cold War and the effects of America s new role as the world s leading superpower in the atomic age The A to Z of the Roosevelt Truman Era examines significant individuals organizations and events in American political economic social and cultural history between 1933 and 1953 This was a period of enormous significance in the United States due to the impact of the Great Depression World War II and the onset of the Cold War The

presidencies of Franklin D Roosevelt and Harry S Truman witnessed the origins of the modern American welfare system and the rise of the United States as a world power as well as its involvement in the confrontation with communism that dominated the latter half of the 20th century **And the Loser is: A History of Oscar Oversights [2nd Edition]** Aubrey Malone,2020-10-06 This is the first book of its kind Aubrey Malone has gone back to the start of the Oscar ceremonies and discovered that mistakes have been made every year in the choice of what has been deemed best in the categories of acting directing producing and the subsidiary awards He has identified all the great stars Garbo Montgomery Clift Peter O Toole Barbara Stanwyck etc who never held Oscars in their hands and also iconic directors like Stanley Kubrick who were never thus honored Why were some people over rewarded by the Academy and why did others fall below the radar The author outlines all of the extraneous factors leading to voting choices and how Oscar pariahs have often been subsequently or even posthumously awarded for the wrong films to make up for omissions in a given year With both wit and wisdom he has written an alternative history of the Oscars that will be required reading for both academics and film buffs alike It tells the story behind the story If there were Oscars for research Aubrey Malone would be right up there with the best of them Film Ireland
