Speaking in Whispers Kathleen E. Morris,1996 In the language of lesbian loving sometimes poetic euphemism sometimes raw and crude sometimes playful and laughter filled Speaking in Whispers celebrates diversity in shape style and manner of loving of African American lesbians Eighteen unflinchingly non PC yet occasionally vanilla erotic lesbian short stories that exalt lesbian sexuality and sensuality in its varied technicolor forms      **At Home with Pornography** Jane Juffer,1998-07-01 Twenty five years after the start of the feminist sex wars pornography remains a flashpoint issue with feminists locked in a familiar argument Are women victims or agents In At Home with Pornography Jane Juffer exposes the fruitlessness of this debate and suggests that it has prevented us from realizing women s changing relationship to erotica and porn Over the course of these same twenty five years there has been a proliferation of sexually explicit materials geared toward women made available in increasingly mainstream venues In asking what is the relationship of women to pornography Juffer maintains that we need to stop obsessing over pornography s transgressive aspects and start focusing on the place of porn and erotica in women s everyday lives Where she asks do women routinely find it for how much and how is it circulated and consumed within the home How is this circulation and consumption shaped by the different marketing categories that attempt to distinguish erotica from porn such as women s literary erotica and sexual self help videos for couples At Home with Pornography responds to these questions by viewing women s erotica within the context of governmental regulation that attempts to counterpose a dangerous pornography with the sanctity of the home Juffer explores how women s consumption of erotica and porn for their own pleasure can be empowering while still acting to reinforce conservative ideals She shows how for instance the Victoria s Secret catalog is able to function as a kind of pornography whose circulation is facilitated both by its reliance on Victorian themes of secrecy and privacy and on its appeals to the selfish pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the varying degrees to which these materials have been domesticated for home consumption Representing the next generation of scholarship on pornography At Home with Pornography will transform our understanding of women s everyday sexuality      Black Like Us Devon W.
