Speaking Freely Henry Mark Holzer,1994-12-01 **We Must Not Be Afraid to Be Free** Ronald K.L. Collins,Sam Chaltain,2011-02-25 In *We Must Not Be Afraid to Be Free* Ron Collins and Sam Chaltain two noted free speech scholars and activists provide authoritative and vivid portraits of free speech in modern America The authors offer a series of engaging accounts of landmark First Amendment cases including bitterly contested cases concerning loyalty oaths hate speech flag burning student anti war protests and McCarthy era prosecutions The book also describes the colorful people involved in each case the judges attorneys and defendants and the issues at stake Tracing the development of free speech rights from a more restrictive era the early twentieth century through the Warren Court revolution of the 1960s and beyond Collins and Chaltain not only cover the history of a cherished ideal but also explain in accessible language how the law surrounding this ideal has changed over time **Hate Crimes** Phyllis B. Gerstenfeld,2017-03-31 The Fourth Edition of *Hate Crimes Causes Controls and Controversies* by Phyllis B Gerstenfeld takes a multidisciplinary approach that allows students to explore a broad scope of hate crimes Drawing on recent developments topics and current research this book examines the issues that foster hate crimes while demonstrating how these criminal acts impact individuals as well as communities Students are introduced to the issue through first person vignettes offering a more personalized account of both victims and perpetrators of hate crimes Packed with the latest court cases research and statistics from a variety of scholarly sources the Fourth Edition is one of the most comprehensive and accessible textbooks in the field **Encyclopedia of Diversity in Education** James A. Banks,2012-05-24 Presents research and statistics case studies and best practices policies and programs at pre and post secondary levels Prebub price 535 00 valid to 21 07 12 then 595 00 **Heterodoxy** ,1998 **Speak Freely** Keith E. Whittington,2019-03-26 Examining such hot button issues as trigger warnings safe spaces hate speech disruptive protests speaker disinvitations the use of social media by faculty and academic politics *Speak Freely* describes the dangers of empowering campus censors to limit speech and enforce orthodoxy **Dangerous Ideas** Eric Berkowitz,2021-05-04 This engrossing history of censorship is an urgent timely read for our era of social media tolls fake news and free speech debates The Economist How restricting speech continuously shapes our culture props up authorities and maintains class and gender disparities Through compelling narrative historian Eric Berkowitz reveals how drastically censorship has shaped our modern society More than just a history of censorship *Dangerous Ideas* illuminates the power of restricting speech how it has defined states ideas and culture and despite how each of us would like to believe otherwise how it is something we all participate in This engaging cultural history of censorship and thought suppression throughout the ages takes readers from the first Chinese emperor s wholesale elimination of books to Henry VIII s decree of death for anyone who imagined his demise and on to the attack on Charlie Hebdo and the volatile politics surrounding censorship of social media Highlighting the base impulses driving many famous acts of suppression Berkowitz demonstrates the fragility of power and how every individual

can act as both the suppressor and the suppressed On the Law of Speaking Freely Adam Tomkins, 2025-05-29 This book tackles the most pressing problems of contemporary free speech law by examining where the idea of free expression came from in the first place applying the lessons of the past to address the challenges of the present Free speech cannot be taken for granted it needs to be fought for But its champions will be successful only if they understand what they are defending For free speech is a deceptively simple principle How should it guide us on the bounds of what is acceptable to say Should we be free to preach hatred or to spread fear or fake news Can media freedom be balanced against the right to privacy How does free speech work online Can the internet be made a safe space without compromising freedom of expression On the Law of Speaking Freely offers not just insights but answers to these and other such vital questions by roaming widely over the law of free speech from English common law to the European Convention on Human Rights via the US First Amendment In rescuing free speech from the culture wars in which it has become embroiled Adam Tomkins restates its values its complexities and its enduring importance in prose that is as passionate as it is clear sighted Even handed informed and authoritative this is a major timely work from one of the UK s leading constitutional scholars *Live Free Or Die* Sean Hannity, 2020-08-04 1 NEW YORK TIMES BESTSELLER America s top rated cable news host offers his first book in over ten years a look at America s fight against those who would reverse our tradition of freedom America is great for a reason Built on principles of freedom rugged individualism and self sufficiency no country has ever accumulated more power and wealth abused it less or used that power more to advance the human condition And yet as America blossomed leftwing radicalism and resentment festered beneath the surface threatening to undermine democracy in the form of social justice warriors the deep state and compromised institutions like academia and the mainstream media With the Democratic victory in 2020 we are now at risk for a big step toward full blown socialism along with the economic dysfunction and social strife that are its hallmarks With radical Democrats demanding the Green New Deal socialized medicine abortion on demand open borders abolishing the Electoral College packing the Supreme Court and an end to free speech our great nation will be fundamentally transformed beyond recognition Ronald Reagan once said Freedom is but one generation away from extinction and his words have never rung truer In *Live Free or Die* Sean demonstrates why now is an All Hands on Deck moment to save the Republic

Liberal Democracy and Liberal Education Daniel E. Cullen,2016-12-24 The essays in this book reflect on the paradoxical relationship of liberal education and liberal democracy Liberal education emphasizes knowledge for its own sake detached from all instrumental purposes It also aims at liberation from the manifold sources of unfreedom including political sources In this sense liberal education is negative questioning any and all constraints on the activity of mind Liberal democracy devoted to securing individual natural rights purports to be the regime of liberty par excellence Since both liberal education and liberal democracy aim to set individuals free they would seem to be harmonious and mutually reinforcing But there are reasons to doubt that liberal education can be the civic education liberal democracy needs If liberal education is in tension with all instrumental purposes how does it stand toward the goal of preparing the kind of citizens liberal democracy

needs The book s contributors are critical of the way higher education typically interprets its responsibility for educating citizens and they link those failures to academia s neglect of certain founding principles of the American political tradition and of the traditional liberal arts ideal *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report **The Law of Higher Education, 5th Edition** William A.
