## **Spear Of Tyranny:**

**The Spear of Tyranny** Grant R. Jeffrey, 2000-09-29 The unforgettable sequel to By Dawn's Early Light A tale of faith love terror and hope It seems like a dream come true Especially to a world ravaged by war and exhausted by drought Especially to a society grown fearful from widespread crime and mystified by mass disappearances and unprovoked animal attacks And especially to a young Israeli couple devastated by their own very personal loss and unable to reach out to each other in their private pain After centuries of war and decades of crime the prospect of international harmony is tantalizing the tiny nation of Israel After millennia of waiting the prospect of a rebuilt Temple on Jerusalem's holy mount seems a miraculous gift And to Israeli Major Isaac Ben David disillusioned by loss and hungry for meaning the opportunity to work for peace is all but irresistible Isaac's opportunity lies with Adrian Romulus the president of the European Union Council of Ministers He's a charismatic visionary world leader with a workable plan for solving the world's problems Tall handsome and deeply spiritual he is also personally interested in the nation of Israel Everyone agrees he's a man who can bring peace to a troubled world But why do thoughts of Romulus trouble Isaac's wife Sarah an Israeli security officer How can Romulus know Isaac and Sarah's most private secrets And why is he so obsessed with an ancient spearhead in an Austrian museum Just who is Adrian Romulus anyway And what are his plans for Isaac Ben David and the world **Modern Tyranny** Aristides (pseud.), 1835

beneath the narrative that our ancient sources preserve for us All the major sources are supplied in new translations in a convenient appendix and brief consideration is also given to the tales modern reception The Tyrants of Corinth is suitable for scholars working on Greek tyranny Greek history and mythology more broadly and folklore while also speaking accessibly to undergraduates encountering the history of Archaic Greece for the first time      **Heavenly Imperial Physician** Yu Yang,2020-03-09 The Fairy Chang e s dance hurt her waist Xiao Bao give me a massage The Seven Fairies stomachs are hurting Xiao Bao I want you to massage it for me The intern Niu Xiaobao suffered a car accident and died with grievances His soul was brought to the Heavenly Court and was rewarded by the Jade Emperor      Cultural Icons Keyan G Tomaselli,David Scott,2018-10-24 The Eiffel Tower this symbol of industrial development and the French Republic is now associated with a romantic vacation in Paris Nelson Mandela the hero of the struggle against apartheid was featured in a British Airways magazine article called The Power of Brand Mandela This book explores these and other contemporary cultural icons that over time have been endowed with a complex and powerful layering of meanings The authors analyze the way in which such icons whether objects or persons living or mythical are constructed and disseminated They also critically investigate the implications in semiotic and cultural terms of the accretion of meaning and popular recognition attached to them their moral and aesthetic ambiguity and their enduring appeal to a fascinated public This slim and provocative volume is ideal for courses in and related to cultural studies      **The Isis** Eliza Sharples Carlille,1832      **Hoplites at War** Paul M. Bardunias,Fred Eugene Ray, Jr.,2016-09-18 It has been 2500 years since the Greek heavy infantry known as hoplites dominated the battlefield Yet they still capture the imagination today through a wave of successful action films novels and documentaries The mass media popularity of these famed warriors has however helped spawn a number of misconceptions about them Drawing on classical literature archaeology and the latest data from physical behavioral and medical science this study of hoplite equipment tactics and command seeks to separate modern myths from observable facts The authors resolve some persistent controversies and advance new theories about the nature of ancient Greek warfare      Archaic Greece L.H. Jeffery,2025-05-01 Archaic Greece 1976 describes the typical polis and considers in turn each city state in mainland Greece the Aegean and the coast of Asia Minor In detailing its history and local culture as well as events which had great impact on the period the reforms of Solon the expulsion of tyrants the book shows how each contributed to the structure of Greek society as a whole      *The Hades Moon* Judy Hall,1998-01-15 Using mythology archetypal symbolism and a wealth of case histories this study provides new material and insight into the many facets of this major transformative contact between the Moon and Pluto Hall explains why Pluto Moon aspects are so important and gives a description of the Hades Moon through the signs and houses She shows us the symptoms and offers practical information about flower essences and techniques that can help people handle Hades Moon energy      **Xenophon on Government** Xenophon,2007-05-17 Xenophon of Athens was a pupil of Socrates and a philosopher in his own right He wrote two of the texts included in this volume the Hiero On Tyranny

**Marx and Weber on Oriental Societies** Lutfi Sunar,2016-05-06 The Orient was central to the work of Marx and Weber both figures building their theories around the question of why modernity appeared to emerge only in the West While Marx s account focused on the accumulation of capital in the West Weber s explanation for this phenomenon centred on Western rationalization Extending recent work comparing the social theories of Marx and Weber this book examines their approaches to Oriental societies showing how in spite of the differences in their respective theorizations of the historical and political development of the West their work on the form of modern society in the Orient converges each complementing the other Fully conversant with recent scholarly work on Marx and Weber this comprehensive re examination of the points of convergence and departure in their work requires us to re evaluate both their positions in the history of sociology and their relevance to contemporary social questions As such it will appeal to scholars of social and political theory and classical sociology

**Tyranny and Political Culture in Ancient Greece** James F. McGlew,2018-09-05 Resistance to the tyrant was an essential stage in the development of the Greek city state In this richly insightful book James F McGlew examines the significance of changes in the Greek political vocabulary that came about as a result of the history of ancient tyrants Surveying a vast range of historical and literary sources McGlew looks closely at discourse concerning Greek tyranny as well as at the nature of the tyrants power and the constraints on power implicit in that discourse Archaic tyrants he shows characteristically represented themselves as agents of justice Taking their self representation not as an ideological veil concealing the nature of tyranny but as its conceptual definition he attempts to show that although the language of reform gave tyrants unprecedented political freedom it also marked their powers as temporary Tyranny took shape McGlew maintains through discursive complicity between the tyrant and his subjects who presumably accepted his self definition but also learned from him the language and methods of resistance The tyrant s subjects learned to resist him as they learned to obey him but when they rejected him they did so in such a way as to preserve for themselves the distinctive political freedoms that he enjoyed Providing a new framework for understanding ancient tyranny this book will be read with great interest by classicists political scientists and ancient and modern historians alike
