Alice Channing, Ellen Nathalie Matthews, Helen Russell Wright, United States. Children's Bureau, 1932 Report of the Commissioner of Education Made to the Secretary of the Interior for the Year ... with Accompanying Papers United States. Bureau of Education, 1914 Ameliorating Mental Disability Alfred A. Baumeister, 2017-07-12 This book grows out of the optimistic view that mental retardation can be treated It views mental retardation primarily as a behavioral problem A child is diagnosed as retarded primarily because he behaves in certain maladaptive ways not simply because he may have a chromosomal anomaly The contributors view any intervention intended to produce adaptive changes in the behavior of the retarded as treatment The authors come from the fields of medicine special education and speech and hearing as well as from psychology The book is intended to help students and workers in the field apply research findings and theoretical formulations in their appraisal and treatment of mental retardation The primary emphasis of the book is empirical While many of the author s suggestions have not been subjected to rigorous experimental scrutiny almost all have been derived from close examination of the research literature A wide diversity of topics are included in this volume Criteria employed were the relevance of the topic to the understanding and modification of defective behavior and the subject s popularity or neglect in other sources Ameliorating Mental Disability will be of interest to medical officers in institutions for the mentally challenged lecturers giving courses for teachers of the educationally subnormal and to psychologists social workers and teachers *School Life* ,1921 The Survey ,1907 **Congressional Record** United States.
