**The Gaithers and Southern Gospel** Ryan P. Harper, 2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity

Olson, 2009-05-26 Many people equate evangelical Christianity with conservatism in religion politics theology and social attitudes Some are scandalized by any separation

between them As one evangelical pastor s wife declared to a church group We are a conservative people In fact however evangelicals have not always been conservative radical stances on doctrines worship social norms politics and church leadership have often marked evangelicalism in the past The 2007 movie *Amazing Grace* about William Wilberforce s protracted battle against the slave trade featured a small group of British evangelicals committed to abolition The same radicalism characterized much of American evangelicalism in the years before the Civil War In recent years the American media have portrayed the evangelical movement as a conservative force in society sometimes equating it with fundamentalism and puritanism The missing piece of the story is however that both fundamentalism and puritanism contained radical elements that opposed the status quo This book sets forth evidence that the link between evangelicalism and conservatism has not always been as strong as it is today in the popular mind and it will provide suggestions for contemporary evangelicals who want to remain evangelical and not become post evangelical without identifying with conservatism in every way      *Charisma and Christian Life* ,1995      **TV Guide** ,2005      **This Is My Story** David Liverett,2013-10-22 This is My Story presents 146 of the most beloved gospel singers Entries are arranged alphabetically by singer and each consists of a full page drawing of the person biographical information including birth date favorite Bible verse hometown and musical accomplishments and an inspirational story or testimony A great gift book for fans of gospel music this is a quick reference for people who want to know more about their favorite singers Most of the biographical information and stories were written by the singers themselves or their close friends and family      **Billboard** ,2004-01-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      Billboard ,1998-06-06 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **Billboard** ,2000-09-23 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      *Billboard* ,2005-07-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      Billboard ,2004-01-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
