*Speck of Sawdust in My Eye* Robert V. Dodd, 1980      *God's Love Is For Us* Brian Christiaan, 2023-07-14 His love is for you and we must forgive ourselves Life's circumstances trials tribulations and testing of one's faith don't cause anyone to say I know God loves me because of the hardships I'm faced with Some of these hardships are survivor's remorse depression the social stigma that comes with mental health as a veteran amputations scars disfigurement drug addiction isolation being socially withdrawn low self-esteem and lack of a sense of purpose As soldiers we leave home we serve and many of us come home not knowing where our place is after the military Therefore our sense of self-worth is very low Soldiers need encouragement and to be reminded that God loves us and forgiving oneself gives peace to a troubled life even in the middle of life's storms God's Love Is for Us is full of reminders of our need for God's love in our hearts to fuel our faith and to stay in the fight with our fellow brothers and sisters

**Shielded by God's Power** Ivy Christian, 2017-07-11 Domestic Violence as defined by the National Coalition Against Domestic Violence as the willful intimidation physical assault battery sexual assault or other abusive behavior that is used to overpower and control another person Domestic violence takes on many forms both visible and hidden and according to studies affects one person every twenty seconds Domestic violence is not a new problem in America but one that has sadly existed for decades And while the majority of victims are female domestic violence knows no income bracket demographic age race or religion as domestic violence occurs in every facet of society Yet despite the many groups working to help victims of domestic abuse the problems persist Domestic violence is more commonly seen in situations where someone the abuser believes that behaviors such as physical verbal emotional religious sexual or economical abuse is acceptable and justifiable Adding to the perceived justification of abuse is the victim's inability to see the denigrating acts as abuse Then when they do identify the problem they feel trapped by their circumstances be it due to fear lack of funds poor physical or various psychological issues and are unable to leave the situation More disturbing than the obvious problems of domestic abuse is that there have been connections made between domestic violence specifically sexual abuse in children and satanic influences forces This type of abuse is referred to as Satanic Ritual Abuse SRA The abuses suffered due to satanic influences are often more severe forms of physical and sexual abuse especially in the form of child pornography prostitution and being used for snuff films These abuse victims are often so brainwashed that they don't dare speak out And while there are those who would like to ignore the connections between abuse and satanic forces the fact remains that abuse is not something promoted in scripture The believer is told to care for the helpless and to lift up the fallen not knock them down and beat them up In homes where children are abused they often grow up to become adults who struggle with relationships authority figures and problem solving Worse abused children often become adult abusers thus perpetuating the problem Studies have also found that children who see their mother abused are more likely to develop PTSD post-traumatic stress disorder Also interesting is that there is now a correlation between childhood domestic violence

and adult health conditions like arthritis ischemic heart disease IHD chronic obstructive pulmonary disease COPD liver disease irritable bowel syndrome chronic pain pelvic pain ulcers and migraines Psychological challenges include depression severe anxiety panic attacks and a feeling of worthlessness As you read Ivys story you will discover that she could easily be the poster child for domestic violence She spent fifteen years living in a situation where mental physical emotional and sexual abuse was part of her daily life She then entered a marriage that ultimately albeit differently was more of the same But Ivys story does not end as it began She heard about a Savior who loved her unconditionally And while initially Ivy did not understand her Saviors love in time she learned the meaning of real love and acceptance As you read her story you will see how she looked and worked to eventually overcome the challenges brought on by domestic abuse If you have been abused or know someone who is or has been in an abusive situation then Ivys story can help It will provide hope and help as you see that while domestic abuse is horrific there is One who can overcome the hold abuse has on a persons life Dont let abuse keep you or a loved one from enjoying life Take the step now to begin the first day of the rest of your life Surviving domestic violence does not come easy Shielded by Gods Power reminds us that domestic violence can be overcome by real love
