Deep in the Forest Lynda McDaniel, 2021-10-04 The characters have such depth the stories are unique and they keep your attention from start to finish T R Williams Hampshire England 2006 I should've known not to visit Nigel Steadman trouble followed him closer than his shadow But I'd finally made it all the way to Dublin and it seemed a shame not to hop across the Irish Sea to see my old friend Besides he'd always said for me to come stay with him in London It wasn't till I called from Dublin that I learned he'd moved to the New Forest in the

south of England Goodbye London before I ever met you and hello heartache That s where Nigel roped me into doing some undercover work checking out the Ownbey gang he was trying to trick into telling the truth But as you can imagine things didn t go the way we d planned Gunslingers kidnappers and thieves highjacked my vacation and turned it into a nightmare So here I am in a makeshift jail and it feels like I ll never see Fiona and the boys again And if the bad guys have their way I won t Even when my best friend Della Kincaid flies over to help she can t do much I m in so deep she doesn t know where to look for me Time to pray Abit Bradshaw You ll enjoy this suspenseful mystery because who hasn t tried to do the right thing only to have it all go wrong If you love Jacqueline Winspear Sue Grafton and Cheryl Bradshaw no relation to Abit Bradshaw that we know of you re sure to enjoy the Appalachian Mountain Mysteries series Get it now for the rich natural setting colorful characters and suspenseful investigations Deep in the Forest is the fifth book and a standalone novel in the Appalachian Mountain Mysteries series by award winning author Lynda McDaniel Interview with the Author Q Where does Deep in the Forest pick up in the lives of Abit Bradshaw and Della Kincaid A It s a year after the last scenes in Murder Ballad Blues I ve taken Abit Bradshaw and his family to Ireland and England Appalachia has such strong ties to both countries and of course his wife Fiona is from Clifden Ireland Things go smoothly while he s in Ireland but it s when he heads to England to visit with Nigel Steadman that his troubles begin It s quite a wild ride that changes him in profound ways Q What s new in the series A Well of course the setting is quite different I spent some happy times in the New Forest in Hampshire England and I had fun revisiting it in my mind s eye I had planned to do research in person but the pandemic put the kibosh on that A young boy by the name of Baldy short for Archibald is my favorite new character He makes a big impression on Abit and experiences a major arc by the end of the book Q Why should readers give this series a try A Because these are serious mysteries without over the top violence And readers tell me the character development makes them eager to read more a pair of unforgettable crime solving characters one reader shared and another wrote I became intrigued by and attached to the characters Della Abit Alex even the dog the villagers and their dialogue Q In what order was this series written A Deep in the Forest is a standalone so readers won t be confused if they start with this book Actually I worked to make all the books in the series easy to understand wherever readers start the series The other four books in order written A Life for a Life The Roads to Damascus Welcome the Little Children Murder Ballad Blues Up the Creek Unwrapped After Dusk and Waiting for You free prequel *Welcome the Little Children* Lynda McDaniel, 2018-11-16 I ve come to think of these characters as cherished friends I ve loved each of the books but this one was particularly enjoyable L G Yaldezian Laurel Falls N C 1994 I would never have risked so much if it hadn t been for that kid Astrid Holt a force of nature She brightened things at Coburn s General Store every time she stopped by for recipe ideas at eight years old That should tell you something about what was going on in her household So when Astrid s mother disappeared lost in the woods kidnapped murdered how could I turn my back on her My friend Abit Bradshaw and I joined the search It started close to home in our small town of Laurel Falls then

extended farther into the mountains of North Carolina When that failed to turn up clues the investigation reached the streets of Washington D C my old stomping grounds Abit and I often asked ourselves if we would ever get to the bottom of all their secrets and lies Given how broken their family was we also wondered if we should even try As it turned out we weren't dealing with just the Holt's troubles The tragic stories that unfolded cast a shadow over our own splintered families Abit worried if he'd ever find someone faithful and true and I wondered if I could hold on to what I had Della Kincaid You'll enjoy this suspenseful mystery because who doesn't yearn to see wrongs righted If you love Jacqueline Winspear Sue Grafton and Cheryl Bradshaw no relation to Abit Bradshaw that we know of you're sure to enjoy the Appalachian Mountain Mysteries series Get it now for the rich natural setting colorful characters and suspenseful investigations Welcome the Little Children is the third novel in the Appalachian Mountain Mysteries series by award winning author Lynda McDaniel Interview with the Author Q What's important about this third book A Abit is a grown man gaining success in both his woodworking and bluegrass music And yet he hasn't lost his tender heart and wonder about life Della faces some hard decisions especially about how to best help her young friend Astrid And of course she's there for Abit Their friendship is the backbone of all the Appalachian Mountain Mysteries So fun to watch the characters develop and watch Abit find and truly fulfill himself I highly recommend all books in this series Cynthia Williams Q What's different about this book A Both Della and Abit spend time in Washington D C as well as the small town of Laurel Falls N C Della calls on all her former skills as an investigative journalist Abit goes to many of my favorite places in D C As much as my life was shaped by my years in the mountains of N C it was polished while I lived in D C Q Any new characters in Welcome the Little Children A Astrid Holt is a favorite She's such a colorful little 8 year old strong and full of beans The mother children drama is particularly poignant to me I got the idea for her character from a neighbor who told lively stories from her youth That's what writers do we're like magpies and steal shiny morsels we take back to our writing space When Astrid's mother goes missing Della takes it on as a personal mission to find her one way or another I really loved this book as I have all the books in the Appalachian Mountain Mysteries I have such a vivid picture of the people and places in these books it's hard to believe they don't really exist Malena E Q In what order were these books written A Life for a Life The Roads to Damascus Welcome the Little Children Murder Ballad Blues Deep in the Forest Up the Creek Unwrapped After Dusk Waiting for You free prequel novelette **Murder Ballad Blues** Lynda McDaniel, 2020-09-15 Readers will relish this story's superior tension A riveting mystery designed to keep readers on their toes Midwest Book Review Laurel Falls N C 2005 Our small town is in an uproar there's a serial killer on the loose in the mountains of North Carolina At first we thought it was just one tragedy but by the third murder the FBI finally got involved Trouble is I know they're looking in all the wrong places I have a keen sense of what's really going on but of course the FBI won't take me serious I'll keep at it too much at stake I'm working with Wallis Harding a well known musicologist and we've got a theory we'll keep at till they can't ignore us Bluegrass music may sound like something to practice and

perform but we know it's the key to finding the killer And keeping our families safe Usually Della Kincaid my longtime friend helps me out when I get into something like this But she's too busy with troubles of her own A former crime reporter in Washington D C she's investigating some kinda fraud case that a whistleblower laid in her lap She can't let a good story pass but the deeper she goes the darker it gets Turns out we both have information that could help the FBI if they'll just listen to us before the culprits strike again Abit Bradshaw You'll enjoy this suspenseful standalone mystery because who doesn't long to find justice in this crazy world If you love Jacqueline Winspear Sue Grafton and Cheryl Bradshaw no relation to Abit Bradshaw that we know of you're sure to enjoy the Appalachian Mountain Mysteries series Get it now for the rich natural setting colorful characters and suspenseful investigations Murder Ballad Blues is the fourth book and a standalone novel in the Appalachian Mountain Mysteries series by award winning author Lynda McDaniel Interview with the Author Q Where does this fourth book pick up in the lives of Abit Bradshaw and Della Kincaid A It's a year after the last scenes in Welcome the Little Children but eight years after they solved the family secrets and lies surrounding Astrid Holt's mother Life has been reasonably quiet for the two Abit Fiona and their 8 year old son Conor perform regularly with the Ramblin Rollers and Della has settled into a natural rhythm at Coburn's General Store Then everything goes crazy with murder and money laundering crimes Q What's new in the series A New crimes of course especially the murders across Western North Carolina Abit and Della get involved working with new characters like Wallis Harding a self taught expert on mountain music and Ezra Stoltz an FBI agent I am especially smitten with Wallis Harding I named him after Phil Harding archaeologist with the British television show Time Team Phil is such a live wire and his namesake doesn't let him down Wallis physical appearance is modeled after Mick Aston fellow archaeologist on Time Team Q Why should readers give this series a try A Because these are serious mysteries without over the top violence And readers tell me the character development makes them eager to read more a pair of unforgettable crime solving characters one reader shared and another wrote I became intrigued by and attached to the characters Della Abit Alex even the dog Jake the villagers and their dialogue Q In what order was this series written A Murder Ballad Blues is a standalone so readers won't be confused if they start with this book Actually I worked to make all the books in the series easy to understand wherever readers started in the series The other books in the series A Life for a Life The Roads to Damascus Welcome the Little Children Deep in the Forest Up the Creek Unwrapped After Dusk and Waiting for You free prequel novelette [Up the Creek](#) Lynda McDaniel, 2023-07-17 This series is my favorite by far The language is clean the descriptions are so on point you can almost feel the breeze and get totally lost in the words Lori J Laurel Falls N C 2009 Life on the farm was pretty much one day the same as the next until that stranger showed up I'll never forget the first time I saw him and how everything changed after that It might not have turned out so crazy if he'd known who he was We figured that big gash on the back of his head stole his memory But how did he get that wound And who was after him It had seemed wrong to turn him away especially since you might say I saved his life But what he wrought on my

life well you can't imagine how much havoc a man without a past can wreak. It wasn't til my friend Della Kincaid put her crime reporter skills to work that we got to the bottom of everything. And I do mean bottom. Things sunk pretty low before we started getting at the truth. Abit Bradshaw. Get it now for the rich natural setting, colorful characters and suspenseful investigations. Up the Creek is the sixth book, a standalone novel in the Appalachian Mountain Mysteries series by award-winning author Lynda McDaniel.

Interview with the Author Q: Where does this sixth book pick up in the lives of Abit Bradshaw and Della Kincaid? A: It's three years after the Bradshaw family's fateful trip to Ireland and England in *Deep in the Forest*. During that time, Abit has dealt with a lot of change in his life, especially once the stranger makes his way to his farm. Q: What's new in the series? A: The stranger who comes to town. That's a favorite plot theme of authors and screenwriters, but it never ceases to intrigue. This man with no memory kindles mystery, suspense and imagination with all kinds of questions: Who is he and does he bring good or bad? Or both? Q: Why should readers give this series a try? A: Because these are serious mysteries without over the top violence. And readers tell me the character development makes them eager to read more. A pair of unforgettable crime-solving characters, one reader shared, and another wrote, "I became intrigued by and attached to the characters Della Abit, Alex, even the dog Jake and their dialogue." Q: In what order was this series written? A: *Up the Creek* is a standalone, so readers won't be confused if they start with this book. Actually, I worked to make all the books in the series easy to understand wherever readers start in the series. The other books include *A Life for a Life*, *The Roads to Damascus*, *Welcome the Little Children*, *Murder Ballad*, *Blues Deep in the Forest*, *Unwrapped* and *Waiting for You*, free prequel.

Deep South Trouble Lynda McDaniel, 2025-04-23 A real grabber. Like a rafting trip I took on the Tieton River near Mt. Ranier. The minute we got in the raft, the river pulled us swiftly away. Same with this book. It pulled me right in. Riveting. J. Capella, Laurel Falls, N.C., October 2016. I kept asking myself if I should've seen all that trouble coming my way. But the answer was always no. No shivers, no belly ache, no bad feelings. Even Mollie, her head hanging out the truck window, missed any signs of danger. We'd just come home from a long trip to see friends. Everything looked right as I pulled up the drive. I felt a tug in my chest when I saw the house hadn't burned down, the fall garden hadn't dried up and the chickens were walking through the yard looking for bugs right on schedule. When I unlocked the front door and stepped inside, that was when I knew something was wrong. Even before I saw the man holding a gun on me. Oh, let me tell you, it went from bad to even worse. From there, I found myself chasing round Atlanta, Georgia, looking for the reason all that sorrow had landed on my doorstep. I even had to stay down there in the hospital. By the time I got home, I could see it all came down to more common stealing from the poor folks and taxpayers of our mountain region. Unlike those I dealt with earlier in my life, these were corporate types, slick and cagey about how to milk the system and bribe our politicians. I chased after them from

Laurel Falls to Damascus Virginia and back to Laurel Falls My friends Della Kincaid and Nigel Steadman plus a young newspaper man Newt Watson helped me but it was touch and go whether any of us could bring justice to the hard working people we called neighbors and friends Abit Bradshaw You ll enjoy this suspenseful story because who doesn t long for justice in a world where money speaks louder than goodness If you love Elly Griffiths Sue Grafton and Cheryl Bradshaw no relation to Abit Bradshaw that we know of you re sure to enjoy the Appalachian Mountain Mysteries series Get it now for the rich natural setting colorful characters and suspenseful investigations Deep South Trouble is the ninth novel in the Appalachian Mountain Mysteries series by award winning author Lynda McDaniel Very well written with great characters Good insights into finding one s self after a trying time I really enjoyed the book N Jones **Heritage Vintage Movie Poster Signature Auction 2005 Catalog #624** Ivy Press,2005-10 **Unwrapped: An Appalachian Mountain Christmas Mystery** Lynda McDaniel,2023-07-17 The joy of Christmas lasts all year This is Lynda McDaniel s best book ever I thoroughly inhabited it these folks have become so precious to me Laurel Falls N C Christmas 2012 The walnut dresser I bought my son sure brought a load of trouble Not because one of the drawers kept sticking and the whole thing needed so much refinishing No I could handle that what with being a woodworker most of my life It was the diary hidden in a secret compartment for almost sixty year that turned everything upside down That diary was filled with stories of mistreatment and misfortune stories that twisted up something inside of me Especially because the teenage girl who wrote them stopped writing mid sentence Like someone grabbed her and took her away Or killed her to keep secret what she d written I just had to find out what happened to her I knew what a lousy upbringing looked like but even mine couldn t compare with what she d faced I needed to know she d made it through like I had The timing though couldn t have been worse Christmastime and I had the boys that year I was set on making it the best one yet but with mean threats and truck chases and family feuds raining down on us it was hard to squeeze in very much ho ho ho And yet we did sharing old memories and making new ones Della Kincaid stepped in helping with our holiday celebrations and looking into that poor girl s whereabouts Together we traveled through the mountains of North Carolina and up into Virginia witnessing things I never wanted to see again while treasuring the everlasting beauty of the natural landscape Abit Bradshaw You ll enjoy this suspenseful Christmas mystery because who doesn t hope someone would care if they disappeared If you love Jacqueline Winspear Sue Grafton and Cheryl Bradshaw no relation to Abit Bradshaw that we know of you re sure to enjoy the Appalachian Mountain Mysteries series Get it now for the rich natural setting colorful characters and suspenseful investigations Unwrapped is the seventh book in the Appalachian Mountain Mysteries series and a standalone novel The books in this series may be read in any order Look for the latest book in the Appalachian Mountain Mysteries series After Dusk coming soon Interview with the Author Q Where does this seventh book pick up in the lives of Abit Bradshaw and Della Kincaid A It s three years after Abit and Della helped a man reclaim his identity in Up the Creek Abit is feeling more content with his lot in life doing his woodworking and enjoying the
