fan to being an insider to now being an influencer of the entire program and began having daily meetings at Pastner's new office. Then the NCAA changed everything as it seemed convinced that Ryan coerced athletes from his tournaments to commit to Memphis. Over the course of three separate investigations all of which he was cleared in, NCAA coaches stopped talking to Ryan and his relationship with Pastner and his staff became more than strained. At the same time Ryan began to see the effects that his involvement in this recruiting world were having on everyone around him, especially his now 11-year-old son Carter who was intertwined in the world of basketball right in front of Ryan. Ryan began to realize that he wasn't going to change the way that recruiting works for college basketball programs. He had to find a way out. He needed to wake up from this Blue Dream.

Date, Love, Marry, Avoid Janine Lowe, 2023-12-08 Online dating is at an all-time high. Its industry is worth nearly 7 billion. And its popularity has increased in proportion to the increases of loneliness and social isolation brought on by Covid. Finding your soulmate in a largely online world can be tricky enough as it is, and this book aims to help you find a compatible partner without having to kiss too many frogs. Deciding to write the book she couldn't find on the market, author Janine Lowe set her aim toward helping people find their way every day with relationships, life, health, and wealth through Chinese Horoscopes and Feng Shui. Using thousands of years of Chinese Zodiac knowledge to help you find your soulmate, *Love Date Marry Avoid* is a funny, practical, irreverent, and accessible guide to Chinese astrology geared to help you learn what makes your personal sign tick and which animal signs are your most and least compatible. In these pages Janine will help you work out which animal you are: the Rat, Ox, Tiger, Rabbit, Dragon, Snake, Horse, Goat, Monkey, Rooster, Dog, or Pig, and identify great date options as she gives her verdict on whether to date, love, marry, or avoid. After all, there's no point taking a Rat to the gym; you'll never see him again.

Summary of Dave Asprey's Super Human Everest Media, 2022-08-19T22:59:00Z Please note: This is a companion version, not the original book. Sample Book Insights 1. I was a normal kid with few health problems until I moved to New Mexico at the age of five. I began acquiring health problems typically seen in people much older than I was. I was well on my way to prematurely developing all four of the diseases most likely to kill you as you age: heart disease, diabetes, Alzheimer's, and cancer. 2. The Four Killers are heart disease, Alzheimer's, diabetes, and cancer. They are the second largest preventable cause of death in the United States. I was beginning to experience the symptoms of these four killers, and I needed to find a way to stop them. 3. I found out that I was highly allergic to the eight most common types of toxic mold, which explained my rapid aging. I was also beginning to show symptoms of premature aging. 4. The very powerhouses of your cells are constantly engaged in a battle with their mortal enemy, and this fight leaves behind many casualties. When cells are under chronic stress, their mitochondria cannot make energy efficiently, leading to an increase in free radicals.
