First Templar Nation Freddy Silva,2017-11-21 Overturns the long established historical narrative about the origins and purpose of the Knights Templar Explains how and why the Templars created Europe s first nation state Portugal with one of their own as king Reveals the Portuguese roots of key founding members their relationship with the Order of Sion the Templars devotion to Mary Magdalene and John the Baptist and the meaning and exact location of the Grail Provides evidence of Templar holy sites and hidden chambers throughout Portugal Includes over 700 references many from new and rare sources Conventional history claims that nine men formed a brotherhood called the Knights Templar in Jerusalem in 1118 to provide protection for pilgrims traveling to the Holy Land Overturning this long established historical narrative Freddy Silva shows that the Order of the Temple existed a decade earlier on the opposite side of Europe that the protection of pilgrims was entrusted to a separate organization and that in league with the Cistercian monks and the equally mysterious Order of Sion the Templars executed one of history s most daring and covert plans the creation of Europe s first nation state Portugal with one of their own as king Including over 700 references many from new and rare sources Silva reveals Portugal not Jerusalem as the first Templar stronghold He shows how there were eleven founding members and how the first king of Portugal a secret Templar was related to Bernard de Clairvaux head of the Cistercians The author explains the Templars motivation to create a country far from the grasp of Rome where they could conduct their living resurrection initiation whose candidates were declared risen from the dead a secret for which the Church silenced millions and which the Templars protected to the death Placing the intrepid Knights in a previously unknown time and place Silva s historical narrative reveals the Portuguese roots of key founding members their relationship with the Order of Sion the Templars unshakeable devotion to Mary Magdalene and John the Baptist and how they protected a holy bloodline in Portugal He also provides evidence of secret Templar holy sites initiation chambers and hidden passageways throughout Portugal often coinciding with pagan and Neolithic temples and explains how their most important site forms a perfect triangle with the Abbey of Mont Sion in Jerusalem and the Osirion temple in Egypt The author also reappraises the meaning of the Grail and reveals its exact location hidden in plain sight to this very day

and Muslims this illustrated book brings to life the legacy of this secretive order and the characters who defined the era

The Templars Dan Jones, 2017-09-19 Dan Jones is an entertainer but also a bona fide historian Seldom does one find serious scholarship so easy to read The Times Book of the Year A New York Times bestseller this major new history of the knights Templar is a fresh muscular and compelling history of the ultimate military religious crusading order combining sensible scholarship with narrative swagger Simon Sebag Montefiore author of *Jerusalem A faltering war in the middle east* A band of elite warriors determined to fight to the death to protect Christianity's holiest sites A global financial network unaccountable to any government A sinister plot founded on a web of lies Jerusalem 1119 A small group of knights seeking a purpose in the violent aftermath of the First Crusade decides to set up a new order These are the first Knights Templar a band of elite warriors prepared to give their lives to protect Christian pilgrims to the Holy Land Over the next two hundred years the Templars would become the most powerful religious order of the medieval world Their legend has inspired fervent speculation ever since In this groundbreaking narrative history Dan Jones tells the true story of the Templars for the first time in a generation drawing on extensive original sources to build a gripping account of these Christian holy warriors whose heroism and alleged depravity have been shrouded in myth The Templars were protected by the pope and sworn to strict vows of celibacy They fought the forces of Islam in hand to hand combat on the sun baked hills where Jesus lived and died finding their nemesis in Saladin who vowed to drive all Christians from the lands of Islam Experts at channeling money across borders they established the medieval world's largest and most innovative banking network and waged private wars against anyone who threatened their interests Then as they faced setbacks at the hands of the ruthless Mamluk sultan Baybars and were forced to retreat to their stronghold in Cyprus a vindictive and cash strapped King of France set his sights on their fortune His administrators quietly mounted a damning case against the Templars built on deliberate lies and false testimony On Friday October 13 1307 hundreds of brothers were arrested imprisoned and tortured and the order was disbanded amid lurid accusations of sexual misconduct and heresy They were tried by the Pope in secret proceedings and their last master was brutally tortured and burned at the stake But were they heretics or victims of a ruthlessly repressive state Dan Jones goes back to the sources to bring their dramatic tale so relevant to our own times to life in a book that is at once authoritative and compulsively readable

The Lost Treasure of the Knights Templar Steven Sora,1999-02-01 A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island Nova Scotia that has baffled treasure hunters for two centuries Fascinating occult detective work linking the Cathars the Scottish Masons and Renne le Chateau to the elusive treasure pit on Oak Island Draws on new evidence recently unearthed in Italy France and Scotland to provide a compelling solution to one of the world s most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power yet none of the treasure the Templars amassed has ever been found Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France Placing a Scottish presence in the New World a century before Columbus Steven Sora paints a credible scenario that the Sinclair clan of Scotland transported the wealth of the Templars entrusted to them as the Masonic heirs of the order to a remote island off the shores of present day Nova Scotia The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it All of these efforts one even financed by American president Franklin Delano Roosevelt have failed thanks to an elaborate system of booby traps false beaches hidden drains and other hazards of remarkable ingenuity and technological complexity
