*A Christian Directory (Vol. 1-4)* Richard Baxter, 2023-12-25 Richard Baxter's *A Christian Directory* is a monumental work of 17th century Puritan literature that seeks to provide a comprehensive guide for Christian living. Spanning four volumes, it encompasses a breadth of topics including moral theology, practical righteousness, and the roles of grace and faith in daily life. Baxter's literary style is characterized by clarity, didactic fervor, and an earnestness that resonates deeply with readers seeking spiritual guidance. Set against the backdrop of a tumultuous period in English religious history, this work reflects the tensions of its time, aiming to address both the spiritual and pragmatic needs of believers. Baxter, a prominent Puritan pastor and theologian, was profoundly shaped by the religious conflicts of his era, including the English Civil War and subsequent Restoration. His pastoral experiences and struggles with ecclesiastical authority deeply informed his writings, leading him to address the everyday challenges faced by Christians in a secular world. His profound commitment to the spiritual welfare of his congregation catalyzed the need for such a detailed directory. *A Christian Directory* is essential for anyone seeking a foundational text on Christian ethics and practice. Its practical wisdom and theological depth make it invaluable for both scholars and general readers interested in the evolution of Christian thought and the intricacies of living a life devoted to faith.

Temporarily the Earl Rachael Miles, 2016-11-01 *A ZEBRA SHOUT FRESH NEW ROMANCE A DOUBLE LIFE* Olivia Walgrave is finished with being a countess. Writing under a pen name, her controversial column for the scandal sheets provides her with some income and far more excitement than managing a country estate. Besides, in the three years since the wars have ended, her dashing husband hasn't spent one night under their roof. So Olivia has prepared a plan and an annulment. All she needs is his consent. Harrison Walgrave, the Earl of Levesford, let his father coerce him into marriage, but his true devotion is to his Parliamentary career and his secret work for the Home Office. Yet now, with freedom in his grasp, he finds he cannot so easily release his wife. Seeing her stir a hunger no other woman has reached, a distraction now when he is a breath away from revealing a ring of traitors could be deadly. Still, wherever his investigations lead, the thought of Olivia lingers. It might be obsession. It might be treason. But the only way to escape the temptation is to succumb. Rachael Miles' knowledge of the time period she writes about adds a depth of authenticity that enriches every page. Jodi Thomas, New York Times bestselling author.
