unconventional warfare missions      *Film in Contemporary Southeast Asia* David C. L. Lim, Hiroyuki Yamamoto, 2012-03-12 This book discusses contemporary film in all the main countries of Southeast Asia and the social practices and ideologies which films either represent or oppose. It shows how film acquires signification through cultural interpretation and how film also serves as a site of contestations between social and political agents seeking to promote challenge or erase certain meanings, messages or ideas from public circulation. A unique feature of the book is that it focuses as much on films as it does on the societies from which these films emerge; it considers the reasons for film makers taking the positions they take, the positions and counter positions taken, the response of different communities and the extent to which these interventions are connected to global flows of culture and capital. The wide range of subjects covered includes documentaries as political interventions in Singapore, political film makers' collectives in the Philippines and films about prostitution in Cambodia and patriotism in Malaysia and the Chinese in Indonesia. The book analyses films from Burma, Laos, Cambodia, Vietnam, Thailand, Malaysia, Singapore, Indonesia and the Philippines across a broad range of productions such as mainstream and independent features across genres, for example comedy, patriotic, political, historical genres alongside documentary, classic and diasporic films.

**Mayday 1971** Lawrence Roberts (Journalist), 2020 1971 Fiery radicals, flower children and militant vets gathered for the most audacious act in a years-long movement to end America's war in Vietnam: a blockade of the nation's capital. The White House, headed by an increasingly paranoid Richard Nixon, was determined to stop it. Roberts, drawing on interviews, archives and newfound White House transcripts, recreates these largely forgotten events. It began with a bombing inside the U.S. Capitol, a still unsolved case. To prevent the Mayday Tribe's guerrilla-style traffic blockade, the government mustered the military. Riot squads swept through the city, arresting more than 12,000 people. An inspiring story of how our democracy faced grave danger and survived. Adapted from jacket.

*Code-name Bright Light* George J. Veith, 1998 The untold story of U.S. POW Rescue Efforts During the Vietnam War.

*Infantry*, 1996      **Thai Stick** Peter Maguire, Mike Ritter, 2013-11-12 The untold history of the underground marijuana trade in Thailand, from surfers and sailors to pirates. Located on the left bank of the Chao Phraya River, Thailand's capital, Krungthep, known as Bangkok to Westerners and the City of Angels to Thais, has been home to smugglers and adventurers since the late eighteenth century. During the 1970s it became a modern Casablanca to a new generation of

treasure seekers from surfers looking to finance their endless summers to wide eyed hippie true believers and lethal marauders left over from the Vietnam War Moving a shipment of Thai sticks from northeast Thailand farms to American consumers meant navigating one of the most complex smuggling channels in the history of the drug trade Many forget that until the mid 1970s the vast majority of marijuana consumed in the United States was imported and there was little to no domestic production Peter Maguire and Mike Ritter are the first historians to document this underground industry the only record of its existence rooted in the fading memories of its elusive participants Drawing on hundreds of interviews with smugglers and law enforcement agents the authors recount the buy delivery voyage home and product offload They capture the eccentric personalities of the men and women who transformed the Thai marijuana trade from a GI cottage industry into a professionalized business moving the world s most lucrative commodities unraveling a rare history from the smugglers perspective Highly recommended for anyone who loves adventure cannabis surfing or all of the above It s every single bit as heady energetic and captivating as the title implies Cannabis Now
