10 Power Principles for Christian Service Warren W. Wiersbe, David W. Wiersbe, 2010-07-01 In a church culture that is rapidly losing its unique intergenerational make up in favor of small groups and even entire churches designed to target specific age groups it can be difficult for ministers to relate to those who are not in their own demographic But Warren and David Wiersbe representing two generations believe that generational differences should not keep ministers from relating to their congregations In this thoughtful and practical book they offer ten principles for Christian service that always work at all times and in all places inviting ministers to get back to the basics of serving others New and seasoned pastors alike will find this a welcome source of inspiration and instruction on how they can relate and minister to people of all ages *Ten Power Principles for Christian Service* Warren W. The Perfect 10 Michael G. Moriarty, 1999 Most of us realize that traffic laws exist to preserve our lives not cramp them Yet when it comes to moral laws 66 percent of Americans believe there are no absolutes Is it any wonder then that the highway of our postmodern culture is strewn with wrecks Broken marriages overcrowded prisons murder in the classrooms babies having babies they re what happen when we confuse liberty with ignoring the rules of the road That s why Michael Moriarty is convinced that the Ten Commandments really are The Perfect 10 Behind them lie God s concern for our welfare and his understanding of the indelible truths that govern our world our relationships and our inner being One by one Moriarty reveals the Ten Commandments as the keys to wholeness and freedom and shows their far reaching application for us today For the Perfect 10 remain the ideal ethical compass They help us align our lives with the character of God and to a world hurtling blindly down the dead end road of moral relativism they point the way back to sanity restoration and life

O'Neil,2020-08-12 The church today is in many places on the nose For many people it stinks It has passed its use by date and should be relegated to the dustbins of history and the sooner the better Nevertheless the contributors to this volume believe that the church in spite of its somewhat checkered history and its many present failures remains an integral part of God's redemptive purposes being worked out in the world and that God's call to the church is now what it has always been to be the faithful people of God bearing joy filled witness to the resurrection of Jesus Christ in word worship and work in its corporate life and in the lives of each of its members Each chapter in this book explores an aspect of what it means to be the church both with respect to its own life and with an eye to its presence and mission in the world *When Life Falls Apart* Warren W. Wiersbe,2017-06-20 When life falls apart where is God Does he care Can he fix things Does he really love us In an uncertain world people need to know that God is still in control that he cares for us and even suffers with us and that he has a plan that cannot be defeated In his compassionate and caring style Warren W Wiersbe offers discouraged readers a positive treatment of suffering that reveals the Bible's authoritative and comforting answers to big questions His faith bolstering insight will show readers that with God as their source of comfort strength and hope they can weather the storms of life and come out on top Doing Synodality Catalina Cerda-Planas,Nora Kalbarczyk,Markus Luber,2024-04-04 In recent

years the image of a Catholic Church needing renewal has deepened in the German public arena The Synodal Path identified structural aspects underlying the ecclesial crisis and proposed solutions debating issues such as clerical power sexuality participation and the role of women Considering the importance of these deliberations for the universal Church and their controversial international discussion the need for intercultural dialogue became increasingly clear The empirical project

Wiersbe,2011-06-01 Books on leadership in various aspects of life and work abound But are the principles upon which these books are grounded biblical Do they describe the best way for Christians to lead knowing that they function as ambassadors for Christ as they facilitate meetings lead people and manage projects On Being a Leader for God covers numerous topics that are relevant to Christian leadership in this and every era including obedience faithfulness character maturity ability God s authority seizing opportunities biblical images of successful leadership listening the difference between a boss and a leader change management organizational leadership and vision Pastors deacons church leaders and laypeople will find this book both engaging and transformative *Equipping Laypeople for Transformational Workplace Ministry* Caroloretta Tucker,2010-11 Equipping Laypeople Many Christians fail to see their places of work as their most logical mission field missing opportunities for both workplace ministry and evangelism Those who do see their places of work as a mission field are making a tremendous difference where they work Given the amount of hours typically spent working the personal trials and dysfunctions many carry with them to work as well as the poor working conditions of many American workers there is a tremendous need for Christians to transform their places of work Even though many pastors tell their church members to go out and reach people they are not providing them with the necessary training to reach those in the workplace There is a great need for laypeople to be built up to be creative and to live out their faith at work Pastors have been given the ultimate privilege of equipping God s people for service Churches must be intentional about providing laypersons with the theological tools and practical information necessary to understand and effectively exercise workplace ministry We must begin by accepting that all God s people are placed in workplace ministry and seek to know God s original plan for work as well as how to integrate work and faith In EQUIPPING LAYPEOPLE FOR TRANSFORMATIONAL WORKPLACE MINISTRY Caroloretta Tucker offers her Doctorate s thesis research results to pastors and churches as a firm foundation for this effort *High King of Heaven* John MacArthur,2018-03-06 Featuring contributions from Al Mohler John MacArthur Mark Dever and more Curating insights from some of America s greatest Christian minds High King of Heaven is

a series of reflections on Christology one of the church's central doctrines. It contains essays from over twenty well-known pastors and theologians including John MacArthur, Mark Dever, Albert Mohler, Miguel Nuñez, and Ligon Duncan. Come away motivated and equipped to defend the orthodox view of Christ. Be equipped to better teach and preach about Jesus' divinity and humanity. Gone but Not Lost David W. Wiersbe, 2011-04-01 We all expect our parents to precede us in death. No one expects to have to make their child's funeral arrangements. And the loss of a child brings with it a special and persistent manifestation of grief that can feel like a stomachache that never ends. *Gone but Not Lost* is a thoughtful gift for a family that has experienced the death of a child. Each of its brief chapters covers one element of grieving, bringing readers through sorrow and helping them deal with feelings of anger or guilt as well as the marital strain that may follow the loss of a beloved child.

Siervos para Su gloria Miguel Núñez, 2018-02-01 Todos venimos al mundo con cierto vacío en nuestra vida que nos impulsa a buscar el significado que todos buscamos de diferentes formas. El hombre es de hacer por naturaleza y encuentra su identidad en lo que hace. Hacer se ha convertido en la adicción de nuestra generación. Desafortunadamente, un énfasis excesivo en el hacer ha llevado a muchas personas a no cultivar una vida interior que les ayude a sostener la vida exterior. Esto explica los muchos fracasos que constantemente vemos en el día a día. Cuando la vida interior de la persona no está preparada, su carácter no tiene la madurez o la fuerza para sostenerla a largo plazo. En este libro, el pastor Nuñez nos lleva a la Escritura y a experimentar la importancia de cultivar la fundación de nuestras vidas para que podamos ser lo que necesitamos ser para hacer lo que necesitamos hacer.

Servants for His Glory Being is greater than doing. We all come into the world with a certain emptiness in our lives, an emptiness that leads to a search for meaning. And the world tells us that search for meaning can be solved by doing. Unfortunately, an overemphasis on doing has led many people away from cultivating an interior life that allows them to sustain their exterior life. This explains the many failures we continuously see in day-to-day life. When a person's inner life, who he or she is, is not prepared, that person's character does not have the maturity or the strength to sustain them in the long run. In this book, Miguel Nuñez points us to Scripture and experience to show us how being is more important than doing. He teaches us how to cultivate the foundations of our lives so that we can be what we need to be in order to do what we need to do.
