Tough Questions Leader's Guide Garry Poole, Garry D. Poole, Judson Poling, 2003 This revised edition of the Tough Questions series of small group curriculum faces head on the difficult and challenging questions seekers ask about the Christian faith **Over 200 Questions and Answers** James Reed, 2007-10 This collection of questions from those involved in spiritual warfare in the modern world is indexed both topically and by Scripture text references **Inexpressible** Michael Card, 2018-12-18 God's identity cannot be fully expressed in human words but Scripture uses one particular Hebrew word to describe God's character *hesed* Often translated as lovingkindness covenant faithfulness or steadfast love Michael Card unpacks the many dimensions of *hesed* exploring how it is used in the Old Testament to reveal God's character and how its fullness is ultimately embodied in the incarnation of Jesus **Rethinking the Buddha** Eviatar Shulman, 2017-02-23 A cornerstone of Buddhist philosophy the doctrine of the four noble truths maintains that life is replete with suffering desire is the cause of suffering nirvana is the end of suffering and the way to nirvana is the eightfold noble path Although the attribution of this seminal doctrine to the historical Buddha is ubiquitous Rethinking the Buddha demonstrates through a careful examination of early Buddhist texts that he did not envision them in this way Shulman traces the development of what we now call the four noble truths which in fact originated as observations to be cultivated during deep meditation The early texts reveal that other central Buddhist doctrines such as dependent origination and selflessness similarly derived from meditative observations This book challenges the conventional view that the Buddha's teachings represent universal themes of human existence allowing for a fresh compelling explanation of the Buddhist theory of liberation **The Complete Book of Bible Prophecy** Mark Hitchcock, 1999 A theologian and pastor offers a comprehensive easy to use guide to biblical prophecy *Seventh-Day Adventists Answer Questions on Doctrine* George R. Knight, 2003 This is a completely new typeset of the monumental 1957 classic containing an extensive historical and theological introduction and detailed in text notations by George R Knight Originally produced by the Ministerial Association of the General Conference of Seventh day Adventists Questions on Doctrine was widely acclaimed and distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation As part of the Adventist Classic Library Knight's essays provide the background for how the book came about and describes the interaction of the principal players involved in the crisis that shelved this classic work for more than a generation *Select Notes* Francis Nathan Peloubet, Alice Peloubet

Norton,1895 **The Question of Questions** Dennis John Kavanagh,1922 *The Weight of Preaching* Rick Harrington,2015-12-03 The nature of a preacher is that of a herald one commissioned and sent by another to speak his message in his behalf to a recipient The Weight of Preaching develops a workable theology of the preachers task in this role commissioned by God to proclaim the Good News Even in the Wests postmodern culture where people have come to doubt the idea of objective truth the preacher still serves to herald Gods enduring truth Author Rick Harrington builds upon his service as a senior pastor his doctoral study of preaching and his exposure to multiple cultures to fashion a guide valuable to younger lay leaders seminarians and pastors alike as well as for Christians engaged in the serious exploration of preaching Speaking primarily to readers in the Reformed and Baptist traditions The Weight of Preaching offers an approach that falls within the boundaries of The New Calvinism This guide presents its theology of homiletics in three sections The first Biblical and Theological Foundations Revisited delves into the theology of preaching Next Faithful Preaching in Practice guides the reader through crucial practical issues surrounding faithful preaching Finally A Lay of the Cultural Landscape surveys the diverse issues of contextualization that arise in a contemporary pluralistic milieu The Weight of Preaching seeks to lead you through the holy tasks of seeking to understand the Scriptures grasping the message God reveals and following your commission to herald the gospel of grace
