financial calamity since the 1930s one that has robbed American households of 14 trillion in net worth And they re not done yet *Awaiting the City* Chad Brand,Tom Pratt,2012-11-13 People of faith have always been on search for the homeland first promised to Abraham in light of the Babylonian civilization he left That future hope was reinterpreted by Jesus and taken up by St Augustine in The City of God reinterpreted again by John Calvin in Geneva and given a final form by the Puritan pilgrims who came to America to establish the City upon a Hill Fundamental to this quest for a just holy civilization has been the progress of humankind on the earth in light of the mandate to fill and rule over it Authors Chad Brand and Tom Pratt discuss that progress as they answer the vital questions for praxis How should biblically oriented Christians think of and work toward God s justice along the way How can we steer between a utopian vision and a limited vision to a new rational compassion **Progressive Hollywood** Ed Rampell,2005-01-01 With an introduction by Greg Palast author of bestseller *The Best Democracy Money Can Buy* Progressive Hollywood features Rampell s interviews and interactions with Hollywood luminaries such as producers Jerry Bruckheimer and Robert Greenwald actors Jack Nicholson Rob Reiner Mike Farrell Ed Asner Martin Sheen David Clennon Gore Vidal and Dennis Hopper directors Michael Moore Spike Lee Oliver Stone and Lionel Chetwynd blacklisted screenwriters Bernie Gordon who initiated the 1999 protests against Elia Kazan s lifetime achievement Oscar Bobby Lees who injected dialectical materialism into Abbott and Costello comedies and Norma Barzman author of 2003 s *The Red and the Blacklist* Race and Morality Melvyn L. Fein,2012-12-06 After I had finished my presentation a colleague and I sat rocking on the hotel porch to discuss its merits It was a picture perfect fall day in Jekyll Island Georgia and he was a friend Yes he explained what I was saying seemed to be true And yes it probably needed to be said but why did I want to be the one to say it Wasn t I after all a tenured professor who didn t need to make a fuss in order to retain his job Didn t it make sense to just kick back and enjoy the easy life I had earned The topic of our tete a tete was my speculations about race relations and he was certain that too much honesty could only get me in trouble Given my lack of political correct ness people were sure to assume that I was a racist and not give me a fair hearing This was a prospect I had previously contemplated Long before embarking on this volume I had often asked myself why I wanted to write it The ideological fervor that dominates our public dialogue on race guaran teed that some people would perceive me as a dangerous scoundrel who had to be put in his place **America: Our Sacred Honor** Mary A. Kardes,2015-06-16 America is at a crossroads and the road we elect to travel will either restore the spirit of America or continue to weaken our country forever Ordinary American citizens must make fundamental decisions We have been warned and though the warnings have been muted by media sources and special interest groups they are growing louder Voices of genuine concern come from within the United States and from abroad We Americans must listen to and take seriously what we are being told We need to educate ourselves about American history real unbiased history We need to know the Constitution the very cornerstone of our nation and we need to hold our politicians and government leaders accountable Americans must once again stand united

to defend our beloved country and our very way of life *Conservatism in the Black Community* Angela K. Lewis,2013-01-04

Conservatism in the Black Community examines the contemporary meanings of Black Conservatism and its influence on black political behavior providing a basis for understanding the impact this phenomenon has on black political behavior Lewis analyzes conservatism within the black ideological framework while also explaining the meaning of conservatism in the black community While scholars have argued that the level of support for conservatism among blacks is minimal because conservatism is antithetical to black interest there are a cadre of conservative political intellectuals and political elites in America Do their views influence those of the wider Black population Or does the media merely amplify their voices but with little support What part of contemporary Black conservatism has found a home in the Tea Party movement Focusing on what conservatism means to Blacks at the grassroots level and in what issue areas Blacks as a whole tend to have more conservative views this work neither critiques nor praises Black Conservatism The results of Lewis s mix of quantitative and qualitative methodologies will be of strong interest to students and scholars of Black politics Black studies and political behavior more generally *Knowing Victims* Rebecca Stringer,2014-06-20

Knowing Victims explores the theme of victimhood in contemporary feminism and politics It focuses on popular and scholarly constructions of feminism as victim feminism an ideology of passive victimhood that denies women s agency and provides the first comprehensive analysis of the debate about this ideology which has unfolded among feminists since the 1980s The book critically examines a movement away from the language of victimhood across a wide array of discourses and the neoliberal replacement of the concept of structural oppression with the concept of personal responsibility In derogating the notion of victim neoliberalism promotes a conception of victimization as subjective rather than social a state of mind rather than a worldly situation Drawing upon Nietzsche Lyotard rape crisis feminism and feminist philosophy Stringer situates feminist politicizations of rape interpersonal violence economic inequality and welfare reform as key sites of resistance to the victim blaming logic of neoliberalism She suggests that although recent feminist critiques of victim feminism have critically diagnosed the anti victim movement they have not positively defended victim politics Stringer argues that a conception of the victim as an agentic bearer of knowledge and an understanding of resentment as a generative force for social change provides a potent counter to the negative construction of victimhood characteristic of the neoliberal era This accessible and insightful analysis of feminism neoliberalism and the social construction of victimhood will be of great interest to researchers and students in the disciplines of gender and women s studies psychology sociology politics and philosophy **Race, Crime, and Criminal Justice** Anita Kalunta-Crumpton,2025-06-12

One of the most controversial topics on the subject of race crime and criminal justice is the disproportionate representation of Blacks in the criminal justice system as offenders and prison inmates Rather than portraying Blacks as perpetual victims of racism in which societal institutions are solely responsible for reform this book seeks to put the power of change in the hands of Blacks It focuses on the preventative role that Blacks might play and

considers solution oriented ways to stop this vicious cycle
