Ten Thousand Things:

The Ten Thousand Things Maria Dermout, 2014-11-25 Set between Holland and a remote Indonesian island this intimate magical realism novel offers an offbeat narrative that has the timeless tone of a legend Time Dermout's sentences came at me like a soft knowing dagger depicting a far off land that felt to me like the blood of all the places I used to love Cheryl Strayed author of *Wild* The *Ten Thousand Things* is at once novel of shimmering strangeness and familiarity It is the story of Felicia who returns with her baby son from Holland to the Spice Islands of Indonesia to the house and garden that were her birthplace over which her powerful grandmother still presides There Felicia finds herself wedded to an uncanny and dangerous world full of mystery and violence where objects tell tales the dead come and go and the past is as potent as the present First published in Holland in 1955 Maria Dermout's novel was immediately recognized as a magical work like nothing else Dutch or European literature had seen before The *Ten Thousand Things* is an entranced vision of a far off place that is as convincingly real and intimate as it is exotic a book that is at once a lament and an ecstatic ode to nature and life

The Ten Thousand Things Maria Dermout, 1967 **Ten Thousand Things** Lothar Ledderose, 2023-10-17 An incomparable look at how Chinese artists have used mass production to assemble exquisite objects from standardized parts Chinese workers in the third century BCE created seven thousand life sized terracotta soldiers to guard the tomb of the First Emperor In the eleventh century CE Chinese builders constructed a pagoda from as many as thirty thousand separately carved wooden pieces As these examples show throughout history Chinese artisans have produced works of art in astonishing quantities and have done so without sacrificing quality affordability or speed of manufacture In this book Lothar Ledderose takes us on a remarkable tour of Chinese art and culture to explain how artists used complex systems of mass production to assemble extraordinary objects from standardized parts or modules He reveals how these systems have deep roots in Chinese thought and reflect characteristically Chinese modes of social organization Combining invaluable aesthetic and cultural insights with a rich variety of illustrations *Ten Thousand Things* make a profound statement about Chinese art and society **Ten Thousand Things** Jeremy Toombs, 2015-02 **Among the Ten Thousand Things** Julia

life The package is addressed to Deb but it s delivered into the wrong hands her children s With this vertiginous opening begins a debut that is by turns funny wise and indescribably moving As the Shanleys spin apart into separate orbits leaving New York in an attempt to regain their bearings fifteen year old Simon feels the allure of adult freedoms for the first time while eleven year old Kay wanders precariously into a grown up world she can t possibly understand Writing with extraordinary precision humor and beauty Julia Pierpont has crafted a timeless hugely enjoyable novel about the bonds of family life their brittleness and their resilience Praise for *Among the Ten Thousand Things* A luscious smart summer novel by a blazingly talented young author The New York Times Book Review This book is one of the funniest and most emotionally honest I ve read in a long time Jonathan Safran Foer Obsessively compelling emotionally sophisticated *Among the Ten Thousand Things* rises above other novels for its imagined structure sentence by sentence punch and pure humanity Vanity Fair Gripping Pierpont brings this family of four to life in sharply observed detail An acute observer of social comedy Ms Pierpont has a keen eye for the absurd The Wall Street Journal Pierpont s language is heart stopping Between Pierpont s literary finesse and her captivating characters *Among the Ten Thousand Things* reads like a page turner Entertainment Weekly grade A A twisty gripping story that packs an emotional wallop O The Oprah Magazine There are going to be as many ingenious twists and turns in this literary novel as there are in a top notch work of suspense like *Gone Girl* Maureen Corrigan NPR s Fresh Air Tender delicately perceptive Pierpont s voice is wry and confident and she is a fine anthropologist of New York life The Washington Post Pierpont displays a precocious gift for language and observation She captures the minutiae of loneliness that pushes us away from each other and sometimes brings us back San Francisco Chronicle *The World of the Ten Thousand Things* Charles Wright, 2025-06-25 The World of Ten Thousand Things gathers The Southern Cross 1981 The Other Side of the River 1984 Zone Journals 1988 and a new group of poems Xionia into one volume allowing us to see Wright s work of the past decade as in essence one long poem a meditation on self history and the metaphysical that is among the most ambitious and resonant creations in contemporary American poetry *The Ten Thousand Things* Melissa James Gibson, 1994 *The Ten Thousand Things* (Winner of the Walter Scott Prize for Historical Fiction) John Spurling, 2015-02-26 Winner of the Walter Scott Prize for Historical Fiction 2015 The *Ten Thousand Things* takes us on a journey across fated meetings grand battles and riveting drama In the turbulent final years of the Yuan Dynasty Wang Meng is a low level bureaucrat employed by the government of Mongol conquerors established by the Kublai Khan Though he wonders about his own complicity with this regime he prefers not to dwell on his official duties choosing instead to live the life of the mind Wang is an extraordinarily gifted artist and his paintings are at once delicate and confident in them one can see the wind blowing through the trees the water rushing through rocky valleys the infinite expanse of China s natural beauty But this is not a time for sitting still as Wang must soon travel through an empire in turmoil In his wanderings he encounters master painters a fierce female warrior known as the White Tigress who will recruit him as a military strategist and an ugly young

Buddhist monk who rises from beggary to extraordinary heights The Ten Thousand Things seamlessly fuses the epic and the intimate with the precision and depth that the real life Wang Meng brought to his painting PRAISE FOR THE TEN THOUSAND THINGS It has the sort of sensual prose that makes the reader purr with delight and is surely destined to be one of the books of the year The Daily Mail Spurling has mastered many aspects of Chinese history and legend Times Literary Supplement Told by Wang from the cell into which he has been thrust in his old age the story of his career becomes an intelligent graceful meditation on the difficulties of reconciling spiritual life with the material world The Sunday Times I've never read anything like it great feats of scholarship and imagination have gone into making these people so distant from us in space and time Literary Review This intricately wrought study of medieval Chinese scholar artists is wonderfully well imagined The Spectator It is ostensibly a historical novel but Spurling has in fact written a love letter to Chinese art New Statesman This is a remarkable novel that deserves to be read slowly and savoured as one would a stunning landscape or a beautiful painting Herald Scotland Those who appreciate a subtle thoughtful narrative and are willing to engage with the kind of philosophical questions that are as relevant today as they were in 14th century China will relish every page of it BBC History magazine In this immersive tale of a landscape artist's life written with restrained lyricism John Spurling has also given us an entertaining and insightful study about the art of nature and the nature of art Tan Twan Eng author of The Garden of Evening Mists The Ten Thousand Things Maria Dermoût,1984 After the death of her adult son Felicia who lives on one of Indonesia's Moluccan islands devotes one day and night each year to the memory of the dead The Early Poetry of Charles Wright Robert D. Denham,2009-01-27 This companion covers Charles Wright's first two trilogies Country Music 1982 and The World of the Ten Thousand Things 1990 providing biographical details information on Wright's sources and influences and historical notes It pays special attention to the way that Wright's poems work together and the links that are formed between them While each poem is given its own commentary the author argues that they work together in a concentrated whole to document a man's spiritual journey **All the Lights on** Michelle Hensley,2014 A history of the Twin Cities theater company Ten Thousand Things which for more than twenty years has been bringing intelligent lively theater to nontraditional audiences as well as the general public *Religious and Philosophical Aspects of the Laozi* Mark Csikszentmihalyi,P. J. Ivanhoe,Chair Professor of East Asian and Comparative Philosophy and Religion and Director of the Center for East Asian and Comparative Philosophy (Ceacop) Philip J Ivanhoe,1999-01-01 Leading scholars examine religious and philosophical dimensions of the Chinese classic known as the Daodejing or Laozi **The Ten Thousand Things** Robert Saltzman,2017 , **The Pristine Dao** Thomas Michael,2012-02-01 The Laozi Daodejing and the Zhuangzi have long been familiar to Western readers and have served as basic sources of knowledge about early Chinese Daoism Modern translations and studies of these works have encouraged a perception of Daoism as a mystical philosophy heavy with political implications that advises kings to become one with the Dao Breaking with this standard approach The Pristine Dao argues

that the Laozi and the Zhuangzi participated in a much wider tradition of metaphysical discourse that included a larger corpus of early Chinese writings This book demonstrates that early Daoist discourse possessed a distinct textually constituted coherence and a religious sensibility that starkly differed from the intellectual background of all other traditions of early China including Confucianism The author argues that this discourse is best analyzed through its emergence from the mythological imagination of early China and that it was unified by a set of notions about the Dao that was shared by all of its participants The author introduces certain categories from the Western religious and philosophical traditions in order to bring out the distinctive qualities constituting this discourse and to encourage its comparison with other religious and philosophical traditions

Taoism Toshihiko Izutsu, 2016-07-15 In this deeply learned work Toshihiko Izutsu compares the metaphysical and mystical thought systems of Sufism and Taoism and discovers that although historically unrelated the two share features and patterns which prove fruitful for a transhistorical dialogue His original and suggestive approach opens new doors in the study of comparative philosophy and mysticism Izutsu begins with Ibn Arabi analyzing and isolating the major ontological concepts of this most challenging of Islamic thinkers Then in the second part of the book Izutsu turns his attention to an analysis of parallel concepts of two great Taoist thinkers Lao tzu and Chuang tzu Only after laying bare the fundamental structure of each world view does Izutsu embark in the final section of the book upon a comparative analysis Only thus he argues can he be sure to avoid easy and superficial comparisons Izutsu maintains that both the Sufi and Taoist world views are based on two pivots the Absolute Man and the Perfect Man with a whole system of ontological thought being developed between these two pivots Izutsu discusses similarities in these ontological systems and advances the hypothesis that certain patterns of mystical and metaphysical thought may be shared even by systems with no apparent historical connection This second edition of Sufism and Taoism is the first published in the United States The original edition published in English and in Japan was prized by the few English speaking scholars who knew of it as a model in the field of comparative philosophy Making available in English much new material on both sides of its comparison Sufism and Taoism richly fulfills Izutsu s motivating desire to open a new vista in the domain of comparative philosophy Wise Man from the East: Lit-sen Chang (Zhang Lisheng) Lit-sen Chang, 2013-08-02 How should Christianity relate to Chinese culture That question has engaged the minds of both Chinese and Western Christians for several centuries Lit sen Chang 1904 1996 was brought up as a Buddhist and

educated in the Confucian classics as well as in modern political philosophy He later delved deeply into Daoism as well After World War II he founded Jiangnan University in order to exterminate Christianity and revive Eastern religion Conversion to Christianity in 1950 radically altered the course of his life He studied at Gordon Conwell Theological Seminary and then joined the faculty teaching missions and writing prolifically on theology and apologetics especially on the relationship of Christianity to Chinese culture His Critique of Indigenous Theology and Critique of Humanism are published here in English for the first time and provide excellent examples of his wide learning insightful analysis powerful writing and firm commitment to historic Christianity Liberation as Affirmation Ge Ling Shang,2012-02-01 In this book author Ge Ling Shang provides a systematic comparison of original texts by Zhuangzi fourth century BCE and Nietzsche 1844 1900 under the rubric of religiosity to challenge those who have customarily relegated both thinkers to relativism nihilism escapism pessimism or anti religion Shang closely examines Zhuangzi's and Nietzsche's respective critiques of metaphysics morals language knowledge and humanity in general and proposes a conception of the philosophical outlooks of Zhuangzi and Nietzsche as complementary In the creative and vital spirit of Nietzsche as in the tranquil and inward spirit of Zhuangzi Shang argues that a surprisingly similar vision and aspiration toward human liberation and freedom exists one in which spiritual transformation is possible by religiously affirming life in this world as sacred and divine
