Virtual Vices - The Silent Killer of Young Minds Mahaveer Prasad Bishnoi, 2025-09-16 Virtual Vices: The Silent Killer of Young Minds is a thought-provoking and cautionary book that highlights the growing influence and harms of social media in today's digital age. This book is equally useful for children and adults as it presents the dangers hidden behind this attractive medium of entertainment and information in simple, clear, and precise language. Social media has become an integral part of our lives, but it is gradually harming our mental, social, and emotional health. This book explains how this sweet poison, while attractive in appearance, gradually immerses a person in the virtual world, erodes self-esteem, and time, and instills in children a false sense of competition and loneliness.

The Road to Tender Hearts Annie Hartnett, 2025-04-29 NATIONAL BESTSELLER A darkly comic and warm-hearted novel about an old man on a cross-country mission to reunite with his high school crush, bringing together his adult daughter, two orphaned kids, and a cat who can predict death. By the beloved author of *Rabbit Cake* and *Unlikely Animals*, a miraculous novel, an actual and spiritual road trip you won't forget. John Irving: At sixty-three years old, million-dollar lottery winner PJ Halliday would be the luckiest man in Pondville, Massachusetts, if it weren't for the tragedies of his life: the sudden death of his eldest daughter and the way his marriage fell apart after that. Since then, PJ spends both his money and his time at the bar, and he probably doesn't have much time left; he's had three heart attacks already. But when PJ reads the obituary of his old romantic rival, he realizes his high school sweetheart, Michelle Cobb, is finally single again. Filled with a new enthusiasm for life, PJ decides he's going to drive across the country to the Tender Hearts Retirement Community in Arizona to win Michelle back. Before PJ can hit the road, tragedy strikes Pondville, leaving PJ the sudden guardian of his estranged brother's grandchildren. Anyone else would be deterred from the planned trip, but PJ figures the orphaned kids might benefit from getting out of town. PJ also thinks he can ask Sophie, his adult daughter who's adrift in her twenties, to come along to babysit. And there's one more surprise addition to the roster: Pancakes, a former nursing home therapy cat with a knack of predicting death who recently turned up outside PJ's home. This could be the second chance PJ has long hoped for: a fresh shot at love and parenting, but does he have the strength to do both those things again? It's very possible his heart can
