Postregional Fictions Clare Chadd,2021-07-07 Drawing from recent debates about the validity of regional studies and skepticism surrounding the efficacy of the concept of authenticity Clare Chadd s Postregional Fictions focuses on questions of southern regional authenticity in fiction published by Barry Hannah from 1972 to 2001 The first monograph on the Mississippi author s work to appear since his death this study considers the ways in which Hannah s novels and short stories challenge established conceptual understandings of the U S South Hannah s writing often features elements of metafiction through which the putative sense of southernness his stories dramatize is complicated by an intense self reflexivity about the extent to which a sense of place has never been foundational or essential but has always been constructed and performed Such texts locate a productive terrain between the local and the global with particular relevance for critical apprehensions of the post South and postsouthern literature Offering sustained close readings of selected stories and focusing especially on Hannah s late work Chadd argues that his fiction reveals the region constantly shifting in a process of mythmaking dialogue and performance In turn she uses Hannah s work to suggest how notions of the South and southernness might survive the various deconstructive approaches leveled against them in recent decades of southern studies scholarship Rather than seeing an impasse between the regional and the global Chadd s reading of Hannah shows the two existing and flourishing in tandem In Postregional Fictions Chadd offers a new interpretation of Hannah based on an appreciation of the vital intersection of southern and postmodern elements in his work **In Faulkner's Shadow** Lawrence Wells,2020-08-10 What happens when you marry into a family that includes a Nobel Prize winner who is arguably the finest American writer of the twentieth

century Lawrence Wells author of *In Faulkner's Shadow* A Memoir fills this lively tale with stories that answer just that In 1972 Wells married Dean Faulkner the only niece of William Faulkner and slowly found himself lost in the Faulkner mystique While attempting to rebel against the overwhelming influence of his in laws Wells had a front row seat to the various rivalries that sprouted between his wife and the members of her family each of whom dealt in different ways with the challenges and expectations of carrying on a literary tradition Beyond the family stories Wells recounts the blossoming of a literary renaissance in Oxford Mississippi after William Faulkner's death Both the town of Oxford and the larger literary world were at a loss as to who would be Faulkner's successor During these uncertain times Wells and his wife established Yoknapatawpha Press and the quarterly literary journal the Faulkner Newsletter and Yoknapatawpha Review In his dual role as publisher and author Wells encountered and befriended Larry Brown Barry Hannah Willie Morris and many other writers He became both participant and observer to the deeds and misdeeds of a rowdy collection of talented authors living in Faulkner's shadow Full of personal insights this memoir features unforgettable characters and exciting behind the scene moments that reveal much about modern American letters and the southern literary tradition It is also a love story about a courtship and marriage and an ode to Dean Faulkner Wells and her family *New York Magazine* ,1989-06-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1987-05-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1984-08-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Political Belief in France, 1927-1945 Barry Hannah,1995-03-01 Perspectives on Barry Hannah Martyn Bone,2010-03-30 Contributions by Melanie R Benson Thomas rvoid Bjerre Martyn Bone Mark S Graybill Richard E Lee Kenneth Millard James B Potts III Scott Romine Matthew Shipe and Daniel E Williams *Perspectives on Barry Hannah* is a collection of essays devoted to the work of the award winning fiction writer Barry Hannah 1942 2010 The anthology features a broad range of critical approaches and covers the span of Hannah's career from *Geronimo Rex* 1972 to *Yonder Stands Your*
