

Tennysons Style

Donald S. Hair

Tennysons Style:

The Formation of Tennyson's Style James Francis Augustin Pyre, 1921 *Domestic and Heroic in Tennyson's Poetry* Donald S. Hair, 1981-12-15 Tennyson shared the assumptions of his age concerning the value of family life and treated the domestic as the source of the heroic in both action and character This book provides a critical examination of these major Victorian themes as they appear in Tennyson's poetry and demonstrates how the poet's assumptions illuminate his use of elegy idyl and epyllion and his treatment of romance Professor Hair analyses *In Memoriam* the English Idylls *The Princess* and Idylls of the King he examines Tennyson's view of the family as the model of social order a civilizing influence on the nation and a place where the greater man or hero is nurtured and he reveals how much of Tennyson's poetry explores the link between domestic and heroic He also discusses the patterns into which these pervasive domestic concerns fall with emphasis on the most significant separation and reunions The myth of Demeter and Persephone the Biblical story of Ruth and the Sleeping Beauty fairy tale are all versions of Tennyson's treatment of this pattern The English Idylls and other idylls and epyllia are explored as varying combinations of romance satire tragedy comedy and irony with a detailed analysis of *The Princess* the most complex of these medleys Idylls of the King wherein the fate of Camelot rests on the marriage of Arthur and Guinevere is treated as the fullest exploration of the link between domestic and heroic

Tennyson's Gareth and Lynette, Lancelot and Elaine and The Passing of Arthur Alfred Tennyson Baron Tennyson, 1904 *Memories of the Tennysons* Hardwicke Drummond Rawnsley, 1900 **Tennyson** Morton Luce, 1901 **Tennyson's The Princess** Alfred Tennyson Baron Tennyson, 1897 *Tennyson and His Publishers* June S. Hagen, 1979-06-17 **Chapters on Tennyson's Art, with Special Reference to the Epithet** Phillip Rittenhouse Clugston, 1927 *Tennyson and Matthew Arnold* Oliver Elton, *English Men of Letters: Tennyson* Sir Alfred Comyn Lyall, 1902 *Tennyson's Philological Medievalism* Sarah Weaver, 2024-12-17 Considers Tennyson's poems from the elegiac *In Memoriam* to the Arthurian Idylls of the King in the context of Victorian interest in philology How do words come to mean what they mean and how can we hope to use them precisely when they are constantly changing The urge to find a word's meaning through its etymology is an old and enduring one gaining new momentum in the nineteenth century as advocates of the so called new philology argued that major revelations were to be found within the biographies of everyday expressions Developing hand in hand with a growing national interest in all things Anglo Saxon language study simultaneously seemed to offer a pathway to the roots of English culture and to illuminate human history on a grand scale Alfred Tennyson 1809-1892 came of age in the midst of this exploding popularity of both Anglo Saxonism and philology and he did so among men who were to be responsible for advancing both fields This study places this preeminent Victorian poet in the context of the period's preoccupation with the history of language It shows that the intellectual milieu that surrounded him encouraged him to revive archaic words and to reveal the literal metaphors lurking within his words Moreover his familiarity with past forms of English enabled him to

arrange the connotations of his vocabulary for precise effect Surveying his techniques at every scale from individual vowels to narratives this book argues that Tennyson held a more optimistic view of language than scholars have generally supposed and shows the sophistication of his philological techniques **Alfred Tennyson** Laurence W. Mazzeno,2020-08-31 Alfred Tennyson was a poet all his life writing more than a thousand works in virtually every poetic genre Considered by his Victorian contemporaries the pre eminent poet of the age he has become a canonical figure who is widely read and studied today Consequently his poems appear on the syllabi of both survey courses in Victorian literature as well as upper division and graduate level topics courses that cover Victorian studies or address subjects such as environmental studies religion elegiac poetry and Arthurian literature This companion makes Tennyson s poetry accessible to contemporary readers by identifying some of the formal elements of the poems highlighting their relevance to Tennyson s Victorian contemporaries and explaining their enduring appeal and value Entries in the companion organized alphabetically provide essential details about Tennyson s most anthologized poems offer suggestions for reading and interpretation and elucidate unfamiliar historical and literary allusions Additional entries a biography of Tennyson and a selected bibliography of recent criticism offer information about the people places events and issues that influenced Tennyson or were important to him and his contemporaries The Reception of Alfred Tennyson in Europe Leonee Ormond,2016-11-17 Alfred Lord Tennyson 1809 1892 has often been considered a particularly British writer in part as his official post as Poet Laureate inevitably committed him to a certain amount of patriotic writing This volume focuses on his impact on the continent presenting a major scholarly analysis of Tennyson s wider reception in different areas of Europe It considers reader and critical responses and explores the effect of his poetry upon his contemporaries and later writers as well as his influence upon illustrators painters and musicians The leading international contributors raise questions of translation and publication and of the choices made for this purpose along with the way in which his ideas and style influenced European writing and culture Tennyson s reputation in Anglophone countries is now assured following a decline in the years after his death This volume enables us to chart the changes in Tennyson s European reputation during the later 19th 20th and 21st centuries **Tennyson** John Batchelor,2012-11-01 Alfred Lord Tennyson Queen Victoria s favourite poet commanded a wider readership than any other of his time His ascendancy was neither the triumph of pure genius nor an accident of history he skilfully crafted his own career and his relationships with his audience Fame and recognition came lavishly and in abundance but the hunger for more never left him Like many successful Victorians he was a provincial determined to make good in the capital while retaining his regional strengths One of eleven children he remained close to his extended family and never lost his Lincolnshire accent Resolving never to be anything except a poet he wore his hair long smoked incessantly and sported a cloak and wide brimmed Spanish hat Tennyson ranged widely in his poetry turning his interests in geology evolution and Arthurian legend into verse but much of his work relates to his personal life The tragic loss of Arthur Hallam a brilliant friend and fellow

Apostle at Cambridge fed into some of his most successful and best known poems It took Tennyson seventeen years to complete his great elegy for Hallam In Memoriam a work which established his fame and secured his appointment as Poet Laureate The poet who wrote The Lady of Shalott and The Charge of the Light Brigade has become a permanent part of our culture This enjoyable and thoughtful new biography shows him as a Romantic as well as a Victorian exploring both the poems and Tennyson s attempts at play writing as well as the pressures of his age and the personal relationships that made the man

The Age of Tennyson Hugh Walker,2019-12-20 In *The Age of Tennyson* Hugh Walker offers a comprehensive exploration of the landscape of Victorian poetry centering on Alfred Lord Tennyson s profound influence The text is characterized by a rich analytical prose style that deftly intertwines biographical commentary with literary critique Walker situates Tennyson within the broader context of 19th century literature illuminating the interplay between the poet s work and the tumultuous cultural shifts of the time The book delves into themes of nature love and the human condition as well as Tennyson s engagement with contemporaneous intellectual movements such as Romanticism and Pre Raphaelitism making it an essential resource for understanding the era s creative zeitgeist Hugh Walker a noted literary scholar and critic was deeply immersed in the currents of Victorian social and artistic life His insights are informed by his own scholarly pursuits and an appreciation for the complexities surrounding Tennyson s poetry Walker s extensive background in literary history and his critical engagement with the texts significantly enrich his analysis making *The Age of Tennyson* an indispensable work for students and enthusiasts of Victorian literature alike This book is highly recommended for readers aiming to deepen their understanding of Tennyson s impact on poetry and literature as a whole Walker s meticulous scholarship gives life to the subtleties of Tennyson s works making it an indispensable addition to any literary collection and an enlightening read for anyone interested in the nuances of the Victorian age

Tennyson as Seen by His Parodists Jelle Postma,1926 **Alfred Tennyson** Seamus Perry,2005 This title is a study of Tennyson s lyrical imagination describing its complex fascinations with recurrence progress narrative and loss and its doubts about its own artfulness **Tennyson Among the Poets** Robert Douglas-Fairhurst,Seamus Perry,2009-10-08 A revaluation of Tennyson s achievements and influence Explores the multiple connections between Tennyson and other writers his predecessors contemporaries and successors *Alfred Tennyson* Leonee Ormond,1993-10-15 Throughout his long working life Tennyson was experimenting with new forms and subjects Widely read in a range of disciplines he responded to many of the personalities events and discoveries of the Victorian age Still widely regarded as an apologist for the establishment Tennyson was always an outsider Scourged by reviewers and haunted by his own nervous disposition Tennyson endured years of despair Even when the tide turned in 1850 Tennyson remained a stern critic of his contemporaries

Poetical Quotations from Chaucer to Tennyson Samuel Austin Allibone,1878
