Sketching Outdoors In Summer:

Sketching Outdoors in Summer Jim Arnosky, 2022-09-20 Jim Arnosky began Sketching Outdoors in Summer in his garden at the base of an old and rotting tree From the garden the path of his sketching meandered through the yard and around the house then wandered off to nearby meadows fields rivers and lakes on an artistic journey of discovery in a season ripe with promise Summer kept its promise offering countless delights to observe and draw Catbirds and their hungry nestling A Gnarled tree trunk on the leeward shore of a lake Sheep huddling against a drenching summer shower The shapely gunwales of a beached canoe These summer sketches are about things I love doing as well as things I enjoy drawing **Sketching**

Sketching Outdoors in Spring Jim Arnosky, 2022-09-28 Early in March Jim Arnosky sketchbook in hand set out to discover the arrival of spring in his Vermont countryside He had imagined many times just what he would find and was fascinated to discover that the beginnings of spring were very different from his winter bound expectations The weather was cold and raw Most of his sketching was done with gloved hands The first signal he perceived of resurging wildlife was the call of wood frogs Early spring wildflowers thrived but they were in difficult Hard to reach places Everything as in barely perceptible motions On March 31 he commented I am slowly beginning to be surrounded by the things I want to draw This book is the fulfillment of one spring season spent sketching by the artist and naturalist At the very heart of this remarkable

work is his sharing of the keen pleasure that can be had sketching outdoors in spring and bringing it all back home
