Empire of the Air Jenifer Van Vleck,2013-11-01 Jenifer Van Vleck s *Empire of the Air* reveals the central role commercial aviation played in the U S ascent to global preeminence in the twentieth century as the federal government partnered with the aviation industry to deliver American power across the globe and sell the idea of the American Century to the public at home and abroad

["Our Final Chapter"](#) Rev. Dr. Miriam Lopez,2010-12-08 On December 4 1991 one of the most famous airlines in aviation history ceased operation The famous blue and white logo was grounded After pioneering most of the worlds air routes that are in use today and introducing the travelling public to a variety of new aircraft as well as introducing the world to the jet age the worlds most experienced airline succumbed to the financial and regulatory pressures of the airline industry in this new age The following stories will recount some of the many experiences these employees faced in adjusting to life without Pan Am To this day the public cannot understand how these thousands of employees remain as close as family wherever they are in the world On the following pages many of the terrible predicaments that these employees faced will be recounted Some are humorous some are sad and many show the resilience of the Pan Am family when faced with a crisis

The Boy Who Fell Out of the Sky Ken Dornstein,2007-06-12 The hugely satisfying story The Boston Globe of one man s search for the truth about his brother and himself David Dornstein was twenty five years old with dreams of becoming a great writer when he boarded Pan Am Flight 103 on December 21 1988 Thirty eight minutes after takeoff a terrorist bomb ripped the plane apart over Lockerbie Scotland Almost a decade later Ken Dornstein set out to solve the riddle of his older brother s life using the notebooks and manuscripts that David left behind In the process he also began to create a new life of his own

Bowles, 2005 Absent Aviators Donna Bridges, Jane Neal-Smith, Albert Mills, 2016-03-16 The objective of this book is to present a number of related chapters on the subject of gender issues in the workplace of the aviation industry More specifically the chapters address the continuing shortfall in the number of women pilots in both civilian and military aviation Considerable research has been carried out on gender issues in the workplace and for example women represent about 10% of employees in engineering This example is often used to show that the consequences of gender discrimination are embedded and difficult to overcome in masculine dominated occupations However women represent only 5 6% of the profession of pilot Clearly there are many factors which mitigate women seeking to become pilots The chapters within this volume raise both theoretical and practical issues endeavouring to address the imbalance of women pilots in this occupation Absent Aviators consolidates a diverse range of issues from a number of authors from Australia Austria the United States Canada South Africa and the United Kingdom Each of the chapters is research based and aims to present a broad picture of gender issues in aviation gendered workplaces and sociology underpinned by sound theoretical perspectives and methodologies One chapter additionally raises issues on the historical exclusion of race from an airline The book will prove to be a valuable contribution to the debates on women in masculine oriented occupations and a practical guide for the aviation industry to help overcome the looming shortfall of pilots It is also hoped it will directly encourage young women to identify and overcome the barriers to becoming a civilian or military pilot Hard Landing Thomas Petzinger, Jr., 2010-12-01 In this updated paperback edition of a rich readable and authoritative Fortune book Wall Street Journal reporter Petzinger tells the dramatic story of how a dozen men including Robert Crandall of American Airlines Frank Borman of Eastern and Richard Ferris of United battled for control of the world's airlines The "Apollo" of Aeronautics Mark D.
