Slate And Me And Blanche McBride:

Slate & Me and Blanche McBride Georgia Savage,1983 EcCentric Visions Gaile McGregor,2006-01-01 What this book represents is quite literally a slice of white Australian life By noting the patterns and parallels that emerge in a random sampling of social phenomena of widely varying types from soap operas to political behaviour Gaile McGregor has constructed a model that in its challenge to uniformitarianism is a test case in ethnographic theory Using methods ranging from the hermeneutic through the structuralist to the psychoanalytic McGregor deploys the self evidence of communal life and language to establish not only that all cultural phenomena are patterned but that this patterning is unique to and consistent across the entire system Further it not only influences but constrains the way the Australian conceptualizes codifies and expresses his her existential position Hence the Australian predilection for icons of intermediacy the verandah in architecture the bush in literature the beach in folk culture the middle ground in landscape painting the pub in everyday life This identification with buffer zones between inside and outside not only mimics the Australian s real bracketing between desert and ocean but embodies his her sense of disablement vis vis both culture and nature art and techne super ego and id all of which are coded as feminine Australian Book Review ,1994 **The Bulletin** ,1986-04 *Enser's Filmed Books and Plays* Ellen Baskin,2018-04-27 This title was first published in 2003 The sixth edition of this compendium of film and television adaptations of books and plays includes several thousand new listings that cover the period from 1992 to December 2001 There are 8000 main entries covering 70 years of film history including some foreign language material
