Speak Palestine Speak Again:

Speak, Bird, Speak Again Ibrahim Muhawi, Sharif Kanaana, 2021-11-02 Over the course of several years Ibrahim Muhawi and Sharif Kanaana collected tales from the regions of the Galilee Gaza and the West Bank and selected those that best represent the Palestinian Arab folk narrative tradition Combining their expertise in English literature and anthropology they bring to these folktales an integral method of study that unites a sensitivity to language with a deep appreciation for culture Great care has been taken with the translations to maintain the original flavor humor and cultural nuances in tales that are at once earthy and whimsical and that also parallel stories found in the larger Arab folk tradition Provided by publisher **God Speaks Again in Palestine** Pearl Nixon Sigler, 1935 **Palestine Speaks** Mateo Hoke, Cate Malek, 2021-10-05 The occupation of the West Bank and Gaza has been one of the world's most widely reported yet least understood human rights crises for over four decades In this oral history collection men and women from Palestine including a fisherman a settlement administrator and a marathon runner describe in their own words how their lives have been shaped by the historic crisis Other narrators include ABEER a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip IBTISAM the director of a multi faith children's center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures GHASSAN an Arab Christian physics professor and activist from Bethlehem who co founded the International Solidarity Movement For more than six decades Israel and Palestine have been the global focal point of intractable conflict one that has led to one of the world's most widely reported yet least understood human rights crises In their own words men and women from West Bank and Gaza describe how their lives have been shaped by the conflict Here are stories that humanize the oft ignored violations of human rights that occur daily in the occupied Palestinian territories *The Folktales of Palestine* Farah Aboubakr, 2019-03-21 Folktales are instrumental in ensuring the survival of oral traditions and strengthening communal bonds Both the stories and the process of storytelling itself help to define social cultural and political identity For Palestinians the threat of losing their heritage has engendered a sense of urgency among storytellers and Palestinian folklorists Yet there has been remarkably little academic scholarship dedicated to the tradition Farah Aboubakr here analyses a selection of folktales edited compiled and translated by Ibrahim Muhawi and Sharif Kanaana in *Speak Bird Speak Again* 1989 In addition to the folktales themselves Muhawi and Kanaana's collection is renowned for providing readers with extensive folkloric historical and anthropological annotations Here for the first time the folktales and the compilers work on them are the subject of scholarly analysis Synthesising various disciplines including memory studies gender studies and social movement studies Aboubakr uses the collection to understand the politics of storytelling and its impact on Palestinian identity In particular the book draws attention to the female storytellers who play an essential role in transmitting and preserving collective memory and culture The book is an important step towards analysing a significant genre of Palestinian literature and will be relevant to scholars of Palestinian politics and popular

No Place for Grief Lotte Buch Segal, 2016-06-10
Westerners know Palestine through images of war and people in immediate distress Yet this focus has as its consequence that other less spectacular stories of daily distress are rarely told Those seldom noticed are the women behind the men who engage in armed resistance against the military occupation wives of the Palestinian prisoners in Israeli detention and the widows of the martyrs In Palestine being related to a detainee serving a sentence for participation in the resistance activities against Israel is a source of pride Consequently the wives of detainees are expected to sustain these relationships through steadfast endurance no matter the effects upon the marriage or family Often people media and academic studies address the dramatic violence and direct affliction of the Palestinians Lotte Buch Segal takes a different approach and offers a glimpse of the lives and the contradictory emotions of the families of both detainees and martyrs through an in depth ethnographic

investigation No Place for Grief asks us to think about what it means to grieve when that which is grieved does not lend itself to a language of loss and mourning What does it mean to endure when ordinary life is engulfed by the emotional labor required to withstand the pressures placed on Palestinian families by sustained imprisonment and bereavement Despite an elaborate repertoire of narrative styles laments poetry and performance of bodily gestures through which mourning can be articulated including the mourning tied to a political cause Buch Segal contends that these forms of expression are inadequate to the sorrow endured by detainees wives No Place for Grief reveals a new language that describes the entanglement of absence and intimacy endurance and everyday life and advances an understanding of loss mourning and grief in contemporary Palestine [Encyclopedia of the Palestinians](#) Philip Mattar,2005 Presents the history of modern Palestine and biographies of important Palestinians **Pay No Heed to the Rockets** Marcello di Cintio,2018-09-04 With humility respect and great sensitivity he seeks out writers people skilled at telling stories and asks them to narrate their own situations The result is a document that captures not only the manifold sorrows and injustices of Palestinian life but something of its beauty its joys and its yearning Ben Ehrenreich author of The Way to the Spring Taking the long route through the West Bank into Jerusalem across Israel and finally into Gaza Marcello Di Cintio meets with Palestinian poets authors librarians and booksellers to learn about Palestine through their eyes Pay No Heed to the Rockets offers a look at life in contemporary Palestine through the lens of its literary culture one that begins with art rather than with war
