

HISTORY HAS DIFFERENT MEANINGS

Source: Passingham, Steve, (1995:8)

History is the record of our past prepared by historians

History is everything that happened

History is the bridge connecting the past with the present and pointing to the future

History is knowing about the past to give meaning to the present and hope for the future

History is concerned with our roots and the relationships of our roots to the present

History is an investigation and interpretation of the past

History is the record of the changing lives of people through time
