infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government s role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar

**American Secrets** Eduardo Barros-Grela,José Liste-Noya,2011-08-25 Predicated upon the principles of political freedom cultural openness religious tolerance individual self reliance and ethnic diversity the United States of America has been tempted recurrently by the lures of the secret American Secrets explores this political historical and cultural phenomenon from many often surprisingly overlapping angles in these analyses of the literary and cultural uses and abuses of secrecy within a democratic culture Through analyses of diverse literary works and cultural manifestations from Mark Twain s anti imperialist prophecies to 9 11 conspiracy theories from the traumas of the Vietnam war to the homophobia of the American military establishment from the unresolved dilemmas of nuclear politics to the secret ecologies shunted aside by the exploitation of the environment from the questionings of national identity on the ethnic and trans sexual margins to the confessional modes of poetry and the poetics of the unspeakable and unrepresentable these essays reveal the politics within the poetics and indissociably the poetics fueling the politics of secrecy in its ambivalent deployment Secrecy often seems to be a question without an answer or an answer that either seems to beg the question or to be a question itself These essays address this paradox with their own questioning explorations In answering such questions the volume as a whole provides an illuminating overview of the pervasiveness of the secret and its modalities in American culture while also dealing specifically with the poetics of the secret in its various historically recurrent literary manifestations *Bulletin* United States. *The Maya Art of Speaking Writing* Tiffany D. Creegan Miller, 2022-05-24 Challenging the distinctions between old and new media and narratives about the deprecation of orality in favor of inscribed forms The Maya Art of Speaking Writing draws from Maya concepts of tz'ib recorded knowledge and tz'ij ch'ol'oj and ch'owen orality to look at expressive work across media and languages Based on nearly a decade of fieldwork in the Guatemalan highlands Tiffany D Creegan Miller discusses images that are sonic pictorial gestural and alphabetic She reveals various forms of creativity and agency that are woven through a rich media landscape in Indigenous Guatemala as well as Maya diasporas in Mexico and the United States Miller discusses how technologies of inscription and their mediations are shaped

by human editors translators communities and audiences as well as by voices from the natural world These texts push back not just on linear and compartmentalized Western notions of media but also on the idea of the singular author creator scholar or artist removed from their environment The persistence of orality and the interweaving of media forms combine to offer a challenge to audiences to participate in decolonial actions through language preservation The Maya Art of Speaking Writing calls for centering Indigenous epistemologies by doing research in and through Indigenous languages as we engage in debates surrounding Indigenous literatures anthropology decoloniality media studies orality and the digital humanities
