Speaking Of Sex The Denial Of Gender Inequality

David Benatar

Speaking Of Sex The Denial Of Gender Inequality:

Speaking of Sex Deborah L. Rhode, 1999 *Speaking of Sex* explores a topic that frequently is absent from our discussions about sex the persistence of sex based inequality and the cultural forces that sustain it On critical issues affecting women most Americans deny either that gender inequality is a serious problem or that it is one which they have a personal or political responsibility to address In tracing this no problem problem *Speaking of Sex* examines the most fundamental causes of women s disadvantages and the inadequacy of current public policy to combat them *The Gender of Desire* Michael S. Kimmel, 2012-02-01 Here one of the world s pioneers in the field of masculinity studies explores the construction of male sexuality pornography and sexual violence Michael S Kimmel analyzes what male sexuality is where it comes from how it works what affects it pornography s impact on it what fantasies men have about sex what people think about sex and how male ideas about sex affect what men actually do Provocative and wide ranging these essays make important contributions to sociology queer theory American studies history and studies of gender sexuality and gay and lesbian issues *Sex, Culture, and Justice* Clare Chambers, 2010-11 Autonomy is fundamental to liberalism But autonomous individuals often choose to do things that harm themselves or undermine their equality In particular women often choose to participate in practices of sexual inequality cosmetic surgery gendered patterns of work and childcare makeup restrictive clothing or the sexual subordination required by membership in certain religious groups In this book Clare Chambers argues that this predicament poses a fundamental challenge to many existing liberal and multicultural theories that dominate contemporary political philosophy Chambers argues that a theory of justice cannot ignore the influence of culture and the role it plays in shaping choices If cultures shape choices it is problematic to use those choices as the measure of the justice of the culture Drawing upon feminist critiques of gender inequality and poststructuralist theories of social construction she argues that we should accept some of the multicultural claims about the importance of culture in shaping our actions and identities but that we should reach the opposite normative conclusion to that of multiculturalists and many liberals Rather than using the idea of social construction to justify cultural respect or protection we should use it to ground a critical stance toward cultural norms The book presents radical proposals for state action to promote sexual and cultural justice *Men, Masculinities and the Modern Career* Kadri Aavik, Clarice Bland, Josephine Hoegaerts, Janne Tuomas Vilhelm Salminen, 2020-08-24 This book focuses on the multiple and diverse masculinities at work Spanning both historical approaches to the rise of profession as a marker of masculinity and critical approaches to the current structures of management employment and workplace hierarchy the book questions what role masculinity plays in cultural understandings affective experiences and mediated representations of a professional career **Representing Rape** Susan Ehrlich, 2003-08-27 *Representing Rape* is the first feminist analysis of the language of sexual assault trials from the perspective of linguists Susan Ehrlich argues that language is central to all legal settings specifically sexual harassment and acquaintance rape hearings where linguistic descriptions of

the events are often the only type of evidence available Language does not simply reflect but helps to construct the character of the people and events under investigation The book is based around a case study of the trial of a male student accused of two instances of sexual assault in two different settings a university tribunal and a criminal trial This case is situated within international studies on rape trials and is relevant to the legal systems of the US Canada Britain Australia and New Zealand She shows how culturally dominant notions about rape percolate through the talk of sexual assault cases in a variety of settings and ultimately shape their outcome Ehrlich hopes that to understand rape trials in this way is to recognize their capacity for change By highlighting the underlying preconceptions and prejudices in the language of courtrooms today this important book paves the way towards a fairer judicial system for the future **The Second Sexism** David

Benatar,2012-05-07 Does sexism against men exist What it looks like and why we need to take it seriously This book draws attention to the second sexism where it exists how it works and what it looks like and responds to those who would deny that it exists Challenging conventional ways of thinking it examines controversial issues such as sex based affirmative action gender roles and charges of anti feminism The book offers an academically rigorous argument in an accessible style including the careful use of empirical data and includes examples and engages in a discussion of how sex discrimination against men and boys also undermines the cause for female equality **The Gendered Society** Michael S. Kimmel,2017

The sixth edition of The Gendered Society explores current thinking about gender both inside academia and in our everyday lives Michael Kimmel challenges the claim that gender is limited to women s experiences his compelling and balanced study of gender includes both masculine and feminine perspectives Kimmel makes three bold and persuasive statements about gender First he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do Kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women Finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon *The Faith Factor in Fatherhood* Don E.

Eberly,David Blankenhorn,1999-10-13 Edited by founder and chairman of the National Fatherhood Initiative Don Eberly The Faith Factor in Fatherhood addresses the key role that religious institutions can play in reviving what Eberly calls the sacred vocation of fatherhood In response to the wider debate regarding the increased expectations that are being placed by policy makers on faith based institutions to serve important public purposes contributors to this volume guide denominations places of worship and religious social agencies to recover the role they once played in reaching and supporting young men with a message of responsible fatherhood Ecumenical in scope the book addresses what each faith community can do to recover its particular heritage of engaged involved fathering through methods including instruction rites of passage programs stories ceremonies mentoring and community outreach **Reader's Guide to Women's Studies** Eleanor Amico,1998-03-20 The

Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors.

Promoting Gender Equality in Political Participation Damilola Taiye Agbalajobi, 2021-03-17 This book analyses patterns of women's political participation and evaluates disparity between levels of women's participation in politics and representation in governance in Nigeria. It also examines the causes of women's underrepresentation in governance and decision making as well as their implications for the country's socioeconomic development and describes strategies for increased women's representation in governance and decision making in Nigeria. This study relies on political culture and liberal feminist theory and adopts a mixed method research design involving quantitative and qualitative methods. It uses multistage sampling in selecting Nigeria's South East, North West and South West geopolitical zones and 1206 women of electoral age for the study survey conducted using structured questionnaire and in depth interview.

Gender Equality in Law Barbara Havelková, 2017-06-01 Since the fall of the Berlin wall there has been a surprising dearth of high quality of scholarship on legal culture in the communist successor states of East Central Europe. In this excellent book Barbara Havelkova engages with the reversal of many of the advances the socialist period made in gender relations examining the historical roots of the current failure of Czech law to engage with the discriminatory practices that have negatively affected the lives of women. She does this by a forensic excavation of law discourses and practices of the socialist era revealing the patriarchal assumptions underpinning them that became deeply embedded in Czech legal culture and that have been carried forward to the present day. The book is a compelling read. It provides answers to many of the questions that have perplexed feminists about the post soviet transition and at the same time speaks more generally to the debates surrounding the troubling rightward shift in the politics of the communist successor states of Europe. Professor Judith Pallot, President of the British Association for Slavonic and East European Studies.

Gender Equality in Law: Uncovering the Legacies of Czech State Socialism Barbara Havelkov offers a sober and sophisticated socio-legal account of gender equality law in Czechia. Tracing gender equality norms from their origins under state socialism, Havelkov shows how the dominant understanding of the differences between women and men as natural and innate combined with a post socialist understanding of rights as freedom to shape the views of key Czech legal actors and to thwart the transformative potential of EU sex discrimination law. Havelkov's compelling feminist legal genealogy of gender equality in Czechia illuminates the path dependency of gender norms and the antipathy to substantive gender equality that is common among the formerly state socialist countries of Central and Eastern Europe. Her deft analysis of the relationship between gender and legal norms is especially relevant today as the legitimacy of gender equality laws is increasingly precarious.

Professor Judy Fudge, Kent Law School. Gender equality law in Czechia as in other parts of post

socialist Central and Eastern Europe is facing serious challenges When obliged to adopt interpret and apply anti discrimination law as a condition of membership of the EU Czech legislators and judges have repeatedly expressed hostility and demonstrated a fundamental lack of understanding of key ideas underpinning it This important new study explores this scepticism to gender equality law examining it with reference to legal and socio legal developments that started in the state socialist past and that remain relevant today The book examines legal developments in gender relevant areas most importantly in equality and anti discrimination law But it goes further shedding light on the underlying understandings of key concepts such as women gender equality discrimination and rights In so doing it shows the fundamental intellectual and conceptual difficulties faced by gender equality law in Czechia These include an essentialist understanding of differences between men and women a notion that equality and anti discrimination law is incompatible with freedom and a perception that existing laws are objective and neutral while any new gender progressive regulation of social relations is an unacceptable interference with the natural social order Timely and provocative this book will be required reading for all scholars of equality and gender and the law

The Etherized Wife Leslie Margolin,2021 The Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men s expectations What is particularly striking about this bias is that it contradicts therapists overt identification with feminism and the battle against women s inequality To support these claims Leslie Margolin maps a series of case studies drawn from the discipline s own literature the articles and books that have been and continue to be treated as exemplars of the discipline s collective consciousness Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less the book shows how therapists have favoured the man s side The Etherized Wife shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal natural healthy sexuality

Rape and the Culture of the Courtroom Andrew E. Taslitz,1999-06 A study of how rape stereotypes are used by defence lawyers to gain acquittals in the USA The author also presents reform proposals consistent with feminist theories of justice designed to improve both the American adversary system in general and the way in which the system handles rape cases

Enhancing Workplace Productivity Through Gender Equity and Intergenerational Communication Chandan, Harish C.,2025-06-19 In today s work environment fostering gender equity and strengthening communication has become essential to enhance workplace productivity As companies strive for innovation and resilience having a diverse perspective ensures equitable opportunities and representation to all genders can unlock greater collaboration creativity and efficiency By creating inclusive cultures that value both experience and fresh viewpoints companies can harness the full potential of their teams driving sustainable success and a more engaged empowered workforce Enhancing Workplace Productivity Through Gender Equity and Intergenerational Communication

discusses how workplace productivity can be increased through gender equity It further investigates how intergenerational communication between different genders can increase innovation and workplace productivity Covering topics such as entrepreneurship multigenerational workforce and workplace productivity this book is an excellent resource for researchers academicians policymakers human resource professionals business leaders and more *Bar Codes* Jean McKenzie Leiper, 2011-11-01 *Bar Codes* examines women lawyers attempts to reconcile their professional obligations with other aspects of their lives It charts the life courses of women who constitute a first wave an avant garde in a profession designed by men for men where formal codes of conduct and subtle cultural norms promote masculine values A thorough analysis of women s encounters with this culture provides some answers and raises more questions about the kinds of stresses that have become extreme in the lives of many Canadian women This book adds to mounting evidence of marked gender differences in opportunities for advancement demonstrating that many men still enjoy freedom from domestic responsibilities while women continue to face multiple barriers in their quest for career success As this study shows change is under way in the legal profession and women can succeed in reaching high levels within it but the law remains in many ways a masculine institution

Work, Family, Health, and Well-Being Suzanne M. Bianchi, Lynne M. Casper, Rosalind Berkow King, 2006-04-21 This work grew out of a conference held in Washington D C in June 2003 on Workforce Workplace Mismatch Work Family Health and Well Being sponsored by the National Institute of Health NIH The text considers multiple dimensions of health and well being for workers and their families children and communities Women in the World's Legal Professions Ulrike Schultz, Gisela Shaw, 2003-04 Women lawyers less than a century ago still almost a contradiction in terms have come to stay Who are they Where are they What impact have they had on the profession that had for so long been a bastion of male domination These are key questions asked in this first comprehensive study of women in the world s legal professions Answers are based on both quantitative and qualitative analyses using a variety of conceptual frameworks 26 contributions by 25 authors present and evaluate the situation of women in the legal profession in both common and civil law countries in the developed world 15 countries from four continents are covered the United States of America Canada Australia New Zealand England Israel Germany the Netherlands Poland Finland France Italy Brazil Korea and Japan The focus ranges from judges and public prosecutors to law professors lawyers attorneys notaries and company lawyers National differences are clearly in evidence but so are common features cutting across national boundaries Experience of glass ceilings and revolving doors is as widespread and as real as success stories of women lawyers pursuing their own projects Reconcilable Differences Lynn S. Chancer, 2023-04-28 This volume examines controversial faultlines in contemporary feminism pornography the beauty myth sadomasochism prostitution and the issue of rape from an original and provocative perspective Lynn Chancer focuses on how among many feminists the concepts of sex and sexism became fragmented and mutually exclusive Exploring the dichotomy between sex and sexism as it has developed through five current feminist debates Chancer seeks to forge

positions that bridge oppositions between unnecessary and sometimes unwitting either/or binaries Chancer's book attempts to incorporate both the need for sexual freedom and the depth of sexist subordination into feminist thought and politics This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 This volume examines controversial faultlines in contemporary feminism pornography the beauty myth sadomasochism prostitution and the issue of rape from an original and provocative perspective Lynn Chancer focuses on how among many feminists the co

Martha Grimes Walks Into a Pub Sarah D. Fogle, 2014-01-10 Since the 1979 discovery of her work in a slush pile at Little Brown Martha Grimes has gone on to publish more than 30 books win international acclaim and a Nero Wolfe Award for her detective series and develop a following of readers whose loyalty translates to repeated stays on the best sellers lists This collection of 10 critical essays provides an in depth analysis of Grimes oeuvre principally the Richard Jury Emma Graham and Andi Oliver series The essays address Grimes themes of parental abandonment loneliness obsession greed mistaken and dual identity the resilience of children stunted romantic relationships and animal cruelty Particular attention is paid to her engaging characters strong sense of place and the comedy which feature so strongly in her novels

Prejudicial Appearances Robert C. Post, K. Anthony Appiah, Judith Butler, Thomas C. Grey, Reva B. Siegel, 2001-10-19 A dialogue among five eminent scholars in law and philosophy about laws based on appearance

Speaking Of Sex The Denial Of Gender Inequality Introduction

In today's digital age, the availability of Speaking Of Sex The Denial Of Gender Inequality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Speaking Of Sex The Denial Of Gender Inequality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Speaking Of Sex The Denial Of Gender Inequality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Speaking Of Sex The Denial Of Gender Inequality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Speaking Of Sex The Denial Of Gender Inequality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Speaking Of Sex The Denial Of Gender Inequality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Speaking Of Sex The Denial Of Gender Inequality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Speaking Of Sex The Denial Of Gender Inequality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Speaking Of Sex The Denial Of Gender Inequality books and manuals for download and embark on your journey of knowledge?

FAQs About Speaking Of Sex The Denial Of Gender Inequality Books

What is a Speaking Of Sex The Denial Of Gender Inequality PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Speaking Of Sex The Denial Of Gender Inequality PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Speaking Of Sex The Denial Of Gender Inequality PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Speaking Of Sex The Denial Of Gender Inequality PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Speaking Of Sex The Denial Of Gender Inequality PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share

and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
