**Speaking of the University** Alexander Heard, 1995 A retrospective on the nature of university governance and leadership in a crucial era by a signal spokesman for higher education in our times [She Hath Been Reading](#) Katherine West Scheil, 2012-05-08 In the late nineteenth century hundreds of clubs formed across the United States devoted to the reading of Shakespeare From Pasadena California to the seaside town of Camden Maine from the isolated farm town of Ottumwa Iowa to Mobile Alabama on the Gulf coast Americans were reading Shakespeare in astonishing numbers and in surprising places Composed mainly of women these clubs offered the opportunity for members not only to read and study Shakespeare but also to participate in public and civic activities outside the home In [She Hath Been Reading](#) Katherine West Scheil uncovers this hidden layer of intellectual activity that flourished in American society well into the twentieth century Shakespeare clubs were crucial for women s intellectual development because they provided a consistent intellectual stimulus more so than was the case with most general women s clubs and because women discovered a world of possibilities both public and private inspired by their reading of Shakespeare Indeed gathering to read and discuss Shakespeare often led women to actively improve their lot in life and make their society a better place Many clubs took action on larger social issues such as women s suffrage philanthropy and civil rights At the same time these efforts served to embed Shakespeare into American culture as a marker for learning self improvement civilization and entertainment for a broad array of populations varying in age race location and social standing Based on extensive research in the archives of the Folger Shakespeare Library and in dozens of local archives and private collections across America [She Hath Been Reading](#) shows the important role that literature can play in the lives of ordinary people As testament to this fact the book includes an appendix listing more than five hundred Shakespeare clubs across America
