that the prophecy was about to be fulfilled would you have the courage to tell them why you were here What if no one believed you Every few hundred years or so a messiah messenger or sage is sent to walk among the masses assigned to fulfill a sacred mission that will alter the course of humanity forever This time a team was sent in to open the most sought after historical biblical artifact the world has ever known the Ark of the Covenant The Master Key Keepers and the Doppelganger is a compelling true story of one familys journey as they experience magic and miracles beyond their wildest imaginations Find out how their mission will affect your future in this amazing book filled with page turning adventures The time is much closer than you may think     The Spitfire Sisters Margaret Dickinson,2020-02-06 Family and friendship mean everything under the darkening skies of wartime Britain The Spitfire Sisters is the third book in Margaret Dickinson s moving Maitland trilogy It is the 1930s and the Maitland family have spent the years following the Great War struggling to come to terms with its catastrophic aftermath and their hopes now lie with the next generation Their Lincolnshire village of Doddington suffered terrible loss and it has taken great courage for the bereaved families to rebuild their lives without their loved ones When war is declared again it is Daisy Maitland and her peers who must now take up the fight for freedom Feisty and a daredevil like her beloved Aunt Pips who spent World War One on the front line serving with a flying ambulance corps Daisy had persuaded a family friend to teach her to fly as a young woman Now her country is at war she is determined to put her skills to good use enlisting in the Air Transport Auxiliary There she forges new friendships but she never forgets her childhood friend and cousin Luke who has joined the RAF as a fighter pilot As war rages in the skies and on the ground Daisy her friends and her family at home and across the Channel will find their bravery and strength tested to the very limits in their determination to save their country And they have learned one of the most valuable lessons of all true love will find a way     **Secret Vows** Rochelle Alers,2013-07-01 A Hideaway Wedding Wager Twins Ana and Jason and their cousin Nicholas are successful thirtysomethings who are single and loving it They have no idea that their relatives are betting on which one of them will get married first But by the family s New Year s Eve reunion will all three have learned what it means to be really lucky in love In too deep Music is Jason Cole s first love and so far no woman has ever come close He s happiest writing and recording at his Oregon mountain retreat Plus the gorgeous new waitress at the local restaurant is another reason to enjoy spending time in the small remote town especially once he hears her sing Though she s flattered when Jason offers her a recording contract Greer Evans says no She can t reveal the truth that she s there on a dangerous secret assignment But as their flirty friendship turns intimate everything is on the line Greer s career their safety and the yearning passion that could put both their lives at risk     **Baltimore and Ohio Employes Magazine** ,1948     **Outlook** Alfred Emanuel Smith,Francis Walton,1880
