Assessing Communication Education William G. Christ, 2013-11-05

Designed as a handbook this text provides media speech public speaking interpersonal small group and organizational communication and theatre educators with both the theoretical and practical ammunition to fight the assessment battles on their campuses The philosophical implications of accountability are balanced with concrete specific and usable assessment strategies Stressing student faculty course program department and institutional assessment this book s aim is to provide in one place information that will help diverse and complex communication programs face the growing challenges in assessment The book is divided into three sections background and foundational information for assessment broad assessment strategies that apply to a variety of media speech and theatre courses and programs and context specific assessment strategies While covering a host of topics it provides an overview of assessment and suggests how it might

impact communication education discusses the elements of program assessment and how linkage of mission statements with outcomes can lead to strong innovative programs compares and contrasts regional association requirements and presents a specific how to strategy for writing outcome statements discusses teaching evaluation and argues that we need to identify the what of teaching before we try to measure the how looks at creative ways for formative and summative course evaluation that starts with the creation of an explicit syllabus discusses the use of capstone courses as a way of evaluating not only their major but also how students have integrated their total educational experience suggests the variety of ways that interpersonal communication can be assessed and calls for future research that stresses the knowledge component of learning reports on a strategy for developing small group communication assessment measures and provides media speech and theatre faculty and administrators with the background understanding and tools to build stonger programs and develop better courses and educational experiences for their students **Air University Quarterly Review** ,1973 **Current**

Topics in Education ,1973 **Cases on Online and Blended Learning Technologies in Higher Education: Concepts and Practices** Inoue, Yukiko,2009-10-31 Cases on Online and Blended Learning Technologies in Higher Education Concepts and Practices provides real life examples of those involved in developing and implementing the merge of traditional education curriculum and online instruction **Freewriting with Purpose** Karen Filewych,2019-02-04 In freewriting we

write continuously we begin with a prompt and keep our pen or pencil moving throughout the entire duration We do not stop to question or censor ourselves we do not concern ourselves with spelling punctuation capitalization or grammar we do not allow critical thoughts This practical book shows teachers how to use freewriting to help kids write well and more regardless of grade level subject or time of day or year It is a simple process to implement and yet makes a significant difference in teacher attitudes student confidence and ultimately student writing abilities *Elementary English Review* ,1924 SCC
