Speeches Debates And Interviews 1864 188:

Reconstruction in the United States David Lincove, 2000-01-30 The only comprehensive bibliography on Reconstruction this book provides the definitive guide to literature published from 1877 to 1998 In over 2 900 entries the work covers a broad range of topics including politics agriculture labor religion education race relations law family gender studies and local history It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government s official role in reforming the postwar South and protecting the rights of Black citizens In detailed annotations the book covers a range of literature from scholarly and popular studies to published memoirs letters and documents as well as reference sources and teaching tools The issues of Reconstruction civil rights states rights and federal state relations racism nationalism government aid to individuals continue to be relevant today and the literature on Reconstruction is large This book provides a systematic and comprehensive bibliographic guide to that literature It is organized by topics and geographical regions and states thereby emphasizing the local diversity in the South In addition to a variety of literature it covers the relevant Supreme Court cases through 1883 provides full citations to federal acts and cases cited and includes the texts of the 13th 14th and 15th Amendments to the Constitution The book will be useful to scholars and students researching a wide range of topics in Southern history constitutional history and national politics in post Civil War United States

Genealogical Periodical Annual Index, Volume 31 (1992) Laird C. Towle, 1996 Genealogical Periodical Annual Index Key to the Genealogical Literature Volume 31 1992 Leslie K Towle Laird C Towle 1992 cloth 284 pp **American Ulysses** Ronald C. White, 2016-10-04 NEW YORK TIMES BESTSELLER From the author of A Lincoln a major new biography of one of America s greatest generals and most misunderstood presidents Winner of the William Henry Seward Award for Excellence in Civil War Biography Finalist for the Gilder Lehrman Military History Book Prize In his time Ulysses S Grant was routinely grouped with George Washington and Abraham Lincoln in the Trinity of Great American Leaders But the battlefield commander turned commander in chief fell out of favor in the twentieth century In American Ulysses Ronald C White argues that we need to once more revise our estimates of him in the twenty first Based on seven years of research with primary documents some of them never examined by previous Grant scholars this is destined to become the Grant biography of our time White a biographer exceptionally skilled at writing momentous history from the inside out shows Grant to be a generous curious introspective man and leader a willing delegator with a natural gift for managing the rampaging egos of his fellow officers His wife Julia Dent Grant long marginalized in the historic record emerges in her own right as a spirited and influential partner Grant was not only a brilliant general but also a passionate defender of equal rights in post Civil War America After winning election to the White House in 1868 he used the power of the federal government to battle the Ku Klux Klan He was the first president to state that the government s policy toward American Indians was immoral and the first ex president to embark on a world tour and he cemented his reputation for courage by racing against death to complete his

Personal Memoirs Published by Mark Twain it is widely considered to be the greatest autobiography by an American leader but its place in Grant s life story has never been fully explored until now One of those rare books that successfully recast our impression of an iconic historical figure American Ulysses gives us a finely honed three dimensional portrait of Grant the man husband father leader writer that should set the standard by which all future biographies of him will be measured Praise for American Ulysses Ronald C White portrays a deeply introspective man of ideals a man of measured thought and careful action who found himself in the crosshairs of American history at its most crucial moment USA Today White delineates Grant s virtues better than any author before By the end readers will see how fortunate the nation was that Grant went into the world to save the Union to lead it and on his deathbed to write one of the finest memoirs in all of American letters The New York Times Book Review Ronald White has restored Ulysses S Grant to his proper place in history with a biography whose breadth and tone suit the man perfectly Like Grant himself this book will have staying power The Wall Street Journal Magisterial Grant s esteem in the eyes of historians has increased significantly in the last generation American Ulysses is the newest heavyweight champion in this movement The Boston Globe Superb illuminating inspiring and deeply moving Chicago Tribune In this sympathetic rigorously sourced biography White conveys the essence of Grant the man and Grant the warrior

Newsday **Nebraska History** Addison Erwin Sheldon,James Lee Sellers,James C. Olson,2010 The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons,1926 Contains the 4th session of the 28th Parliament through the 1st session of the 48th Parliament Mrs. Lincoln and Mrs. Keckly Jennifer Fleischner,2007-12-18 A vibrant social history set against the backdrop of the Antebellum south and the Civil War that recreates the lives and friendship of two exceptional women First Lady Mary Todd Lincoln and her mulatto dressmaker Elizabeth Keckly I consider you my best living friend Mary Lincoln wrote to Elizabeth Keckly in 1867 and indeed theirs was a close if tumultuous relationship Born into slavery mulatto Elizabeth Keckly was Mary Lincoln s dressmaker confidante and mainstay during the difficult years that the Lincolns occupied the White House and the early years of Mary s widowhood But she was a fascinating woman in her own right Lizzy had bought her freedom in 1855 and come to Washington determined to make a life for herself She was independent and already well established as the dressmaker to the Washington elite when she was first hired by Mary Lincoln upon her arrival in the nation s capital Mary Lincoln hired Lizzy in part because she was considered a high society seamstress and Mary as an outsider in Washington s social circles was desperate for social cachet With her husband struggling to keep the nation together Mary turned increasingly to her seamstress for companionship support and advice and over the course of those trying years Lizzy Keckly became her confidante and closest friend Historian Jennifer Fleischner allows us to glimpse the intimate dynamics of this unusual friendship for the first time and traces the pivotal events that enabled these two women to forge such an unlikely bond at a time when relations between blacks and whites were tearing the nation apart Mrs Lincoln and Mrs Keckly is a remarkable work of scholarship that explores the legacy of slavery and

sheds new light on the Lincoln White House **The Complete Works of Charles Sumner** Charles Sumner, 2020-09-28 The speeches of Charles Sumner have many titles to endure in the memory of mankind They contain the reasons on which the American people acted in taking the successive steps in the revolution which overthrew slavery and made of a race of slaves freemen citizens voters They have a high place in literature They are not only full of historical learning set forth in an attractive way but each of the more important of them was itself an historical event They afford a picture of a noble public character They are an example of the application of the loftiest morality to the conduct of the State They are an arsenal of weapons ready for the friends of Freedom in all the great battles when she may be in peril hereafter They will not be forgotten unless the world shall attain to such height of virtue that no stimulant to virtue shall be needed or to a depth of baseness from which no stimulant can arouse it Mr Sumner held the office of Justice of the Peace and that of Commissioner of the Circuit Court to which he was appointed by his friend and teacher Judge Story He was a member of the convention held in 1853 to revise the Constitution of the Commonwealth of Massachusetts With these exceptions his only official service was as Senator in Congress from Massachusetts from the 4th of March 1851 when he was just past forty years of age until his death March 9 1874 If his career could have been predicted in his earliest childhood he could have had no better training for his great duties than that he in fact received He was one of the best scholars in the public Latin School in Boston He received the Franklin medal from the hands of Daniel Webster who told him that the state had a pledge of him His school life was followed by four years in Harvard College and a course at the Harvard Law School where he was the favorite pupil of Judge Story He was an eager student of the Greek and Roman classics But his special delight was in history and international law After his admission to the bar he was reporter of the decisions of his beloved master and edited twenty volumes of the equity reports of Vesey Jr which he enriched with copious and learned notes A little later when he was twenty six years old he spent a month in Washington tarrying a short time in New York on his way In that brief period he made life long friendships with some famous men including Chancellor Kent Judge Marshall and Francis Lieber He had a rare gift for making friendships with men especially with great men and with women With him in those days an acquaintance with any person worth knowing soon ripened into an indissoluble friendship A few years later he spent a little more than two years in Europe coming home when he was just past twenty nine years old That time was spent in attending courts lectures of eminent professors and in society No house which he desired to enter seems to have been closed to him Statesmen judges scholars beautiful women leaders of fashionable society welcomed to the closest intimacy this young American of humble birth with no passport other than his own character and attainment It is hardly too much to say that the youth of twenty nine had a larger and more brilliant circle of friendship than any other man on either continent The list of his friends and correspondents would fill many pages He says in a letter to Judge Story what would seem like boasting in other men but with him was modest and far within the truth I have a thousand things to say to you about the law circuit life and the English judges I have seen

more of all than probably ever fell to the lot of a foreigner I have had the friendship and confidence of judges and of the leaders of the bar Not a day passes without my being five or six hours in company with men of this stamp My tour is no vulgar holiday affair merely to spend money and to get the fashions It is to see men institutions and laws and if it would not seem vain in me I would venture to say that I have not discredited my country I have called the attention of the judges and the profession to the state of the law in our country and have shown them by my conversation I will say this that I understand their jurisprudence

History of the Legal Tender Paper Money issued during the Great Rebellion E.G.

Spaulding,2020-09-23 Reprint of the original first published in 1869 *History of the Legal Tender Paper Money Issued*

During the Great Rebellion Elbridge Gerry Spaulding,1869 A resource of war The credit of the government made

immediately available history of the legal tender paper money issued during the Great Rebellion being a loan without interest and a national currency **A Resource of War--The Credit of the Government Made Immediately Available** Elbridge

Gerry Spaulding,1869 *Douglass in His Own Time* John Ernest,2014-11-01 One of the most incredible stories in American history is that of Frederick Douglass the man who escaped from slavery and rose to become one of the most celebrated and eloquent orators writers and public figures in the world He first committed his story to writing in his 1845 autobiography *Narrative of the Life of Frederick Douglass an American Slave* Over the course of his life he would expand on his story considerably writing two other autobiographies *My Bondage and My Freedom* and *Life and Times of Frederick Douglass* as well as innumerable newspaper articles and editorials and orations As valuable as these writings are in illuminating the man the story Douglass told in 1845 has become rather too easy to tell obscuring as much as it reveals Less a living presence than an inspiring tale Frederick Douglass remains relatively unknown even to many of those who celebrate his achievements *Douglass in His Own Time* offers an introduction to Douglass the man by those who knew him The book includes a broad range of writings some intended for public viewing and some private correspondence all of which contend with the force of Douglass s tremendous power over the written and spoken word his amazing presence before crowds his ability to improvise to entertain to instruct to inspire indeed to change lives through his eloquent appeals to righteous self awareness and social justice In approaching Douglass through the biographical sketches memoirs letters editorials and other articles about him readers will encounter the complexity of a life lived on a very public stage the story of an extraordinary black man in an insistently white world *Contested Loyalty* Robert M. Sandow,2018-06-05 Embroiled in the Civil War northerners wrote

and spoke with frequency about the subject of loyalty The word was common in newspaper articles political pamphlets and speeches appeared on flags broadsides and prints was written into diaries and letters and the stationary they appeared on and even found its way into sermons Its ubiquity suggests that loyalty was an important concept but what did it mean to those who used it *Contested Loyalty* examines the significance of loyalty across fault lines of gender social class and education race and ethnicity and political or religious affiliation These differing vantage points reveal the complicated ways

in which loyalties were defined prioritized acted upon and related While most of the scholarly work on Civil War Era nationalism has focused on southern identity and Confederate nationhood the essays in *Contested Loyalty* examine the variable fluid constructions of these concepts in the north Essays explore the limitations and incomplete nature of national loyalty and how disparate groups struggled to control its meaning The authors move beyond the narrow partisan debate over Democratic dissent to examine other challenges to and competing interpretations of national loyalty Today s leading and emerging scholars examine loyalty through the frame of politics at the state and national level the viewpoints of college educated men as well as the women they courted the attitudes of northern Protestant churches on issues of patriotism and loyalty working class men and women in military industries how employers could use the language of loyalty to take away the rights of workers and the meaning of loyalty in contexts of race and ethnicity The Union cause was a powerful ideology committing millions of citizens in the ranks and at home to a long and bloody war But loyalty to the Union cause imperfectly explains how citizens reacted to the traumas of war or the ways in which conflicting loyalties played out in everyday life The essays in this collection point us down the path of greater understanding

A History of the United States Charles Kendall Adams, William P. Trent, 2019-12-11 In *A History of the United States* editors Charles Kendall Adams and William P. Trent have curated an illuminating anthology that tracks the evolution of the American nation through its most pivotal moments The collection stands out for its comprehensive range and diversity incorporating a variety of literary styles to bring historical events to life From firsthand accounts and scholarly analyses to poignant narratives each piece serves to underscore the complex tapestry of Americas past offering readers a multifaceted view of its unfolding story The contributors to this anthology are distinguished not only by their profound knowledge of American history but also by their ability to contextualize it within broader global movements Adams and Trent both renowned historians have meticulously selected works that reflect the changing dynamics of power culture and society in the United States Their collective expertise ensures that the anthology aligns with significant cultural and literary movements enriching readers understanding of the historical landscape it explores *A History of the United States* is recommended for readers eager to delve into the rich and varied narratives that have shaped the nation This collection offers a unique opportunity to engage with the perspectives of multiple authors each contributing to a deeper understanding of America s past For scholars students and anyone with a keen interest in history this anthology is an invaluable resource fostering an appreciation for the breadth of insights and the dialogue between the works included

Cobbett's Parliamentary Debates Great Britain. Parliament, 1886 *Team of Rivals* Doris Kearns Goodwin, 2006-09-26 On May 18 1860 William H Seward Salmon P Chase Edward Bates and Abraham Lincoln waited in their hometowns for the results from the Republican National Convention in Chicago When Lincoln emerged as the victor his rivals were dismayed and angry Throughout the turbulent 1850s each had energetically sought the presidency as the conflict over slavery was leading inexorably to secession and civil war That Lincoln succeeded was the result of a character

that had been forged by life experiences that raised him above his more privileged and accomplished rivals He won because he possessed an extraordinary ability to put himself in the place of other men to experience what they were feeling to understand their motives and desires This capacity enabled President Lincoln to bring his disgruntled opponents together create the most unusual cabinet in history and marshal their talents to preserve the Union and win the war **Blood and Daring** John Boyko, 2014-05-06 Blood and Daring will change our views not just of Canada's relationship with the United States but of the Civil War Confederation and Canada itself In Blood and Daring lauded historian John Boyko makes a compelling argument that Confederation occurred when and as it did largely because of the pressures of the Civil War Many readers will be shocked by Canada's deep connection to the war Canadians fought in every major battle supplied arms to the South and many key Confederate meetings took place on Canadian soil Filled with engaging stories and astonishing facts from previously unaccessed primary sources Boyko's fascinating new interpretation of the war will appeal to all readers of history **A Resource of War. The Credit of the Government made immediately available. History of the legal tender paper money issued during the Great Rebellion. Being a loan without interest and a national currency** Elbridge Gerry Spaulding, 1869 Lincoln in His Own Words Milton Meltzer, 1993 Revered by many as our greatest president Abraham Lincoln is also considered one of America's greatest writers and rhetoricians His speeches and numerous writings are testament to his powers of communication and they convey the highest ideals of freedom democracy and equality in simple yet eloquent language Historian Milton Meltzer has compiled a moving collection of our sixteenth president's speeches letters and writings Dramatically illustrated with Stephen Alcorn's powerful and expressive linocuts this volume reveals the man behind the words and his unfailing dedication to the ideals upon which America was founded

Canadian Confederation and Its Leaders Melvin Ormond Hammond, 1917 Hansard's Parliamentary Debates, 1867

Speeches Debates And Interviews 1864 188: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Speeches Debates And Interviews 1864 188 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
