The Men We Became Robert T. Littell, 2025-08-22 For over twenty years Robert Littell was John F Kennedy Jr's closest confidant Now in a beautiful and

moving memoir Littell introduces us to the private John A story of laughter and sorrow joy and heartbreak The Men We Became is an unforgettable memoir Rob Littell was a freshman at Brown when he met the young JFK Jr during orientation week Although Littell came from a privileged background it was worlds apart from the glamorous life of the son of the late President and Jacqueline Kennedy Onassis Eager to be accepted on his own terms Kennedy admired Littell s irreverence toward his celebrity and they became close friends John opened up to Littell on a very personal level revealing the complex and sometimes tense nature of his relationships with his sister and cousins as well as his mother s extraordinary influence on John and how they both worked to keep it from being overbearing John s marriage had its ups and downs and Carolyn had made enemies of some of his friends but she was in great shape mentally and physically and they were planning to have children Littell recounts wonderful dinners at Jacqueline Onassis s apartment where she surprised him with his favorite dinner of specially burned hamburgers and weekends at her retreat in Martha s Vineyard where she critiqued their touch football while lying on a chaise lounge her face covered in cold cream and cucumber slices As students Littell and Kennedy bummed around Europe They slept in Hyde Park sampled the pleasures of Amsterdam ran afoul of customs officers and almost got busted at the Ritz Hotel for smoking pot They even shared apartments in New York City until Jackie summoned them to dinner one day and gently suggested it was time to grow up The two went on to pursue their professional lives John trained as a lawyer and Littell speaks of his friend s anguish at repeatedly failing the bar and then he founded his own political magazine which seemed only fitting because Kennedy yearned to live up to the family name and accepted that politics would be his destiny Later on Littell was a part of JFK Jr s secret wedding to Carolyn Bessette on Cumberland Island Georgia and three years later a pallbearer at his funeral From shared adventures private moments and lasting memories Robert Littell offers a unique look at John F Kennedy Jr s life one that has never been seen before Donald Campbell David Tremayne, 2011-09-30 Generations are familiar with the haunting black and white television footage of Donald Campbell somersaulting to his death in his famous Bluebird boat on Coniston Water in January 1967 It has become an iconic image of the decade His towering achievements and the drama of his passing are thus part of the national psyche But what of the man himself The son of the legendary Sir Malcolm Campbell who was famous for being the ultimate record breaker of the inter war years he broke the land speed record nine times and the water speed record four times with his Bluebird cars and boats Donald Campbell was born to speed He was outgoing and flamboyant yet carefully orchestrated the image he presented to the world Some saw him as a playboy adventurer others such as the radio producer on the twenty first anniversary of his death as a reckless daredevil with a death wish He was known to take solace in extra marital dalliances and was obsessed with spiritualism And in his final years battered by a 360 mph accident while attempting the land record on the Bonneville Salt Flats in Utah and his prolonged and anti climactic subsequent effort on the treacherous Lake Eyre in Australia Campbell appeared a haggard and often frightened man He had become trapped on his record breaker s treadmill as he continually

sought to prove himself to his illustrious father in whose long shadow he felt forever trapped DONALD CAMPBELL THE MAN BEHIND THE MASK paints a fascinating portrait of an intense complex superstitious yet abnormally brave man who was driven not only by the desire to prove that he was worthy of the mantle of his father but also by his fervent and unswerving desire to keep Britain at the forefront of international speed endeavour This book generates a unique insight into how his desperate fear of failure finally lured him into taking one risk too many Your Brain on Latino Comics Frederick Luis Aldama,2012-10-19 Though the field of comic book studies has burgeoned in recent years Latino characters and creators have received little attention Putting the spotlight on this vibrant segment Your Brain on Latino Comics illuminates the world of superheroes Firebird Vibe and the new Blue Beetle while also examining the effects on readers who are challenged to envision such worlds Exploring mainstream companies such as Marvel and DC as well as rising stars from other segments of the industry Frederick Aldama provides a new reading of race ethnicity and the relatively new storytelling medium of comics themselves Overview chapters cover the evolution of Latino influences in comics innovations and representations of women demonstrating Latino transcendence of many mainstream techniques The author then probes the rich and complex ways in which such artists affect the cognitive and emotional responses of readers as they imagine past present and future worlds Twenty one interviews with Latino comic book and comic strip authors and artists including Laura Molina Frank Espinosa and Rafael Navarro complete the study yielding captivating commentary on the current state of the trade cultural perceptions and the intentions of creative individuals who shape their readers in powerful ways **The Video Source Book** David J.
