overview of the texts available to editors and describes how they define Shakespeare An essay on error surveys kinds of error characteristic of these early text technologies It is followed by a general introduction to the music of Shakespeare s plays Introductions to individual works and an extensive foot of the page textual apparatus record and discuss editorial corrections of scribal and printing errors in the early documents marginal notes record press variants and key variants in different documents Original music notation is provided for the songs where available Because the plays were written and copied within the framework of theatrical requirements casting charts identify the length and type of each role discuss potential doubling possibilities and note essential props The New Oxford Shakespeare consists of four interconnected publications the Modern Critical Edition with modern spelling the Critical Reference Edition with original spelling a companion volume on Authorship and an online version integrating all of this material on OUP s high powered scholarly editions platform Together they provide the perfect resource for the future of Shakespeare studies

Conjunctions of Mind, Soul and Body from Plato to the Enlightenment Danijela Kambaskovic, 2014-09-25 This book examines the nexus between the corporeal emotional spiritual and intellectual aspects of human life as represented in the writing of the Middle Ages and the Renaissance Authors from different fields examine not only the question of the body and soul or body and mind but also how this question fits into a broader framework in the medieval and early modern period Concepts such as gender and society morality sexuality theological precepts and medical knowledge are a part of this broader framework This discussion of ideas draws from over two thousand years of Western thought from Plato in the fifth century BC and the fourth century Byzantine dialogues on the soul to the philosophical and medical writings of the early 1700s There are four sections to this book each section is based on where the authors have found a conjunction between the body and mind soul The work begins with a section on text and self perception which focuses on creative output from the period The second conjunction is human emotions which are described in their social contexts The third is sex where the human body and mind are traditionally believed to meet The fourth section Material Souls engages with bodies and other material aspects of existence perceived studied or utilised as material signs of emotional and spiritual activity

The New Oxford Shakespeare: Authorship Companion Gary Taylor, Gabriel Egan, 2017-02-10 This companion volume to The New Oxford Shakespeare The Complete Works concentrates on the issues of canon and chronology currently the most active and controversial debates in the field of Shakespeare editing It presents in full the evidence behind the choices made in The Complete Works about which works Shakespeare wrote in whole or part A major new contribution to attribution studies the Authorship Companion illuminates the work and methodology underpinning the groundbreaking New Oxford Shakespeare and casts new light on the professional working practices and creative endeavours of Shakespeare and his contemporaries We now know that Shakespeare collaborated with his literary and dramatic contemporaries and that others adapted his works before they reached printed publication The Authorship Companion s essays explore and explain these processes laying out everything we currently know about the works authorship

Using a variety of different attribution methods The New Oxford Shakespeare has confirmed the presence of other writers hands in plays that until recently were thought to be Shakespeare s solo work Taking this process further with meticulous fresh scholarship essays in the Authorship Companion show why we must now add new plays to the accepted Shakespeare canon and reattribute certain parts of familiar Shakespeare plays to other writers The technical arguments for these decisions about Shakespeare s creativity are carefully laid out in language that anyone interested in the topic can understand The latest methods for authorship attribution are explained in simple but accurate terms and all the linguistic data on which the conclusions are based is provided The New Oxford Shakespeare consists of four interconnected publications the Modern Critical Edition with modern spelling the Critical Reference Edition with original spelling a companion volume on Authorship and an online version integrating all of this material on OUP s high powered scholarly editions platform Together they provide the perfect resource for the future of Shakespeare studies

The New Oxford Shakespeare Gary Taylor, Gabriel Egan, 2017 This companion volume to The New Oxford Shakespeare The Complete Works concentrates on the issues of canon and chronology This major work in attribution studies presents in full the evidence behind the choices made in The Complete Works about which works Shakespeare wrote in whole or part

Asian Interventions in Global Shakespeare Poonam Trivedi, Paromita Chakravarti, Ted Motohashi, 2020-11-16 This volume critically analyses and theorises Asian interventions in the expanding phenomenon of Global Shakespeare It interrogates Shakespeare s universality from Asian perspectives how this has been modified or even replaced by the global bard as a recognisable brand and how Asian Shakespeares have contributed to or subverted this process by both facilitating the worldwide dissemination of the bard s plays and challenging and resisting the very templates through which they become globally legible Critically acclaimed Asian productions have prominently figured at premier Western festivals and popular Asian appropriations like Bollywood manga and anime have created new kinds of globally accessible Shakespeare Essays in this collection engage with the emergent critical issues the efficacy of definitions of the local global transnational and cosmopolitan and of the liminalities and mobilities in between They further examine the politics of West and East the evolving markers of the Asian and the equation of the global with the Asian they attend to performance and archiving protocols and bring the current debates on translation appropriation and world literature to speak to the concerns of global and transnational Shakespeare These investigations analyse recent innovative Asian theatre productions popular cinematic and manga appropriations and the increasing presence of Shakespeare in the Asian digital sphere They provide an Asian standpoint and lens in rereading the processes of cultural globalisation and the mobilisation of Shakespeare

Shakespeare through Islamic Worlds Ambereen Dadabhoy, 2024-02-29 Shakespeare through Islamic Worlds investigates the peculiar absence of Islam and Muslims from Shakespeare s canon While many of Shakespeare s plays were set in the Mediterranean a geography occupied by Muslim empires and cultures his work eschews direct engagement

with the religion and its people This erasure is striking given the popularity of this topic in the plays of Shakespeare s contemporaries By exploring the limited ways in which Shakespeare uses Islamic and Muslim tropes and topoi Ambereen Dadabhoy argues that Islam and Muslim cultures function as an alternate or shadow text in his works ranging from his staged Mediterranean plays to his histories and comedies By consigning the diverse cultures of the Islamic regimes that occupied and populated the early modern Mediterranean Shakespeare constructs a Europe and Mediterranean freed from the presence of non white non European and non Christian Others which belied the reality of the world in which he lived Focusing on the Muslims at the margins of Shakespeare s works Dadabhoy reveals that Islam and its cultures informed the plots themes and intellectual investments of Shakespeare s plays She puts Islam and Muslims back into the geographies and stories from which Shakespeare had evacuated them This innovative book will be of interest to all those working on race religion global and cultural exchange within Shakespeare as well as people working on Islamic Mediterranean and Asian studies in literature and the early modern period *Shame in Shakespeare* Ewan Fernie,2012-09-10 One of the most intense and painful of our human passions shame is typically seen in contemporary culture as a disability or a disease to be cured Shakespeare s ultimately positive portrayal of the emotion challenges this view Drawing on philosophers and theorists of shame *Shame in Shakespeare* analyses the shame and humiliation suffered by the tragic hero providing not only a new approach to Shakespeare but a committed and provocative argument for reclaiming shame The volume provides an account of previous traditions of shame and of the Renaissance context a thematic map of the rich manifestations of both masculine and feminine shame in Shakespeare detailed readings of Hamlet Othello and King Lear an analysis of the limitations of Roman shame in Antony and Cleopatra and Coriolanus a polemical discussion of the fortunes of shame in modern literature after Shakespeare The book presents a Shakespearean vision of shame as the way to the world outside the self It establishes the continued vitality and relevance of Shakespeare and offers a fresh and exciting way of seeing his tragedies

Shakespeare's Romances Reconsidered Carol McGinnis Kay, Henry E. Jacobs, 1978 Excludes Henry VIII

Shakespeare Survey Kenneth Muir, Jonathan Bate, Michael Dobson, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback **Shakespeare and the Geography of Difference** John

Gillies, 1994-05-12 In this engaging book John Gillies explores Shakespeare s geographic imagination and discovers an intimate relationship between Renaissance geography and theatre arising from their shared dependence on the opposing impulses of taboo laden closure and hubristic expansiveness Dr Gillies shows that Shakespeare s images of the exotic the barbarous outlandish or strange are grounded in concrete historical fact to be marginalised was not just a matter of social status but of belonging quite literally to the margins of contemporary maps Through an examination of the icons and emblems of contemporary cartography Dr Gillies challenges the map makers overt intentions and the attitudes and assumptions that remained below the level of consciousness His study of map and metaphor raises profound questions about

the nature of a map and of the connections between the semiology of a map and that of the theatre *The Publishers' Trade List Annual* ,1887 **Books in Print** ,1982 **CliffsNotes on Shakespeare's The Tempest** Sheri Metzger,2007-08-20
