The Biography of a God Asaf Sharabi, 2025-10-01 Mahasu is the joint name of four gods whose influence is widespread throughout the Indian states of Himachal Pradesh and Uttarakhand. Like other deities in the Western Himalayas, they are regarded as royal gods who rule over territories and people. This book traces changes in faith and practices surrounding the Mahasu brothers and shows how the locals understand these changes by emphasizing the dominant role of humans in the decisions of the gods. The locals are also constantly testing the authenticity of the human mediumship. Thus, the book presents the claim that the gap between local conceptions of divinity and the perceptions of anthropologists regarding gods may be narrower than we think. *The Biography of a God: Mahasu in the Himalayas* is based on ethnographic research resulting in an important contribution to the study of Indian village deities. *Himalayan Hinduism: lived Hinduism and the anthropology of religion* Western Himalayan Temple Records Mahesh Sharma, 2009 While numerous studies exist on major South Asian temples, surprisingly little is known about minor shrines and lesser states. Here, fifty-five new documents in a Western Himalayan script and language and belonging to a small Siddha shrine redress this remarkable gap in our knowledge. The documents cover a wide spectrum from revenue grants to those dealing with ritual pilgrimage, legality, and temple economy, thus building a picture of the relationship between state and shrine and particularly so for the minor centres, their popularity, and relationship with major temples, mundane matters, notices, petitions, and law suits. It becomes clear how lesser states, despite their limited resources, patronized numerous small shrines along with major temples and the role played by the Nath Siddha ascetics in creating consent to rule, acculturation, and constructing hybridity between the Hindu and Tibetan Buddhist traditions. **Panorama of Himalayan Architecture: Buddhist monasteries, castles & forts, and traditional houses** Omacanda Hāṇḍā, 2008
