**The Temple Scroll** Yigael Yadin, 1985 Beschrijving van onderzoek en ontcijfering van n van de belangrijkste Dode Zeerollen *The Dead Sea Scrolls* Arthur E. Schiffman,2010-03-08 With the full publication of the Dead Sea Scrolls come major changes in our understanding of these fascinating texts and their significance for the study of the history of Judaism and Christianity One of the most significant changes that one cannot study Qumran without Jerusalem nor Jerusalem without Qumran is explored in this important volume Although the Scrolls preserve the peculiar ideology of the Qumran sect much of the material also represents the common beliefs and practices of the Judaism of the time Here Lawrence Schiffman mines these incredible documents to reveal their significance for the reconstruction of the history of Judaism His investigation brings to life a period of immense significance for the history of the Western world **Canada's Big Biblical Bargain** Jason Kalman,Jaqueline S. du Toit,2010-05-18 Providing many vibrant details the authors examine the intrigue surrounding the Dead Sea Scrolls and debunk many of the myths about them including allegations of the Vatican s involvement in hiding the texts from scholars the possibility that they contained earth shattering revelations and the actual status of the infamous international editorial committee who limited access to the texts A fascinating account of international relations religious negotiation and scholars Canada s Big Biblical Bargain reveals another part of the fascinating tale of the Dead Sea Scrolls **Black Holes in the**

Christ the Ideal King Julien Smith, 2011 A central rhetorical strategy of Ephesians involves the portrayal of Christ as an ideal king who reunites a fractured cosmos and humanity through his reign In this comprehensive study Julien Smith shows how this literary characterization unifies the letter's major themes reconciling humanity with God uniting Jew and gentile establishing ecclesiastical harmony and defeating hostile powers arrayed against the church The author grounds his analysis in a thorough account of the kingly ideal's powerful contemporary cultural resonance which was rooted in the widespread yearning within both Greco-Roman and Jewish thought for a golden age inaugurated by a divinely ordained monarch For Ephesians author and audience only Christ the ideal king has power to form identity and transform behavior

Jesus' Fulfilment of the Torah and Prophets Steven James Stiles, 2023-10-09 Steven James Stiles examines Jesus teaching about the Torah in the Gospel according to Matthew as a participant and contributor to the larger phenomenon of writing texts about the Torah in Second Temple Judaism In this light Matthew's presentation of Jesus and his teaching concerning the Torah align well with other interpretation strategies and patterns in Second Temple Judaism Jesus teaching on the Torah also addresses many of the same concerns other Jewish groups in antiquity had for following the Torah properly This approach to examining Torah interpretation in Matthew's Gospel highlights the shared concerns and assumptions between Jesus followers and other Jewish groups in antiquity It also provides significant insight into Matthew's depiction of Jesus as Israel's Davidic Messianic and ultimate teacher of all things concerning the kingdom of heaven

**Divorce in the New Testament** Raymond F. Collins, 2017-04-07 Few New Testament texts have had their meaning debated so vigorously as those in which Jesus discusses divorce Matthew 5 32 Matthew 19 6 9 Mark 10 9 12 Luke 16 18 and

1 Cor 7 11 From the early Church through their formation and into the present day they have continued to rouse debate within the Churches and among believers This work focuses on one aspect of that debate namely what Jesus has to say regarding divorce when his sayings are interpreted in their literary and historical context To aid in this contextual understanding the sayings are studied in the order in which they were written down in ancient times Not every aspect of the debate therefore is addressed nor could it be on an issue of such personal and pastoral complexity Yet it is the challenge of biblical scholars to study the Word of God in all its complexity and to try to make that Word understandable This work is offered to scholars and believers alike in the hope of adding to that understanding
