## **Ten Commandments Of Character Essential Advice For Living An Honorable Ethical Honest Life:**

**The Ten Commandments of Character** Rabbi Joseph Telushkin, 2004-10-26 Here is a wealth of astute and warmhearted counsel on many of life's most difficult ethical dilemmas. Joseph Telushkin outlines his ten commandments of character explaining why each one is so vital and then addresses perplexing issues that can and often do crop up in our lives relating to family, friends, work, community, medical ethics, and money such as: How honest should you be when you are asked to give a reference? How much assistance should you give your son with his college application essay? Is it wrong to receive a kidney from an executed prisoner in China? What should you do if your father begs you to end his life rather than allow him to descend into the hell of Alzheimer's? Should a brother give up part of his inheritance if his sister has children and considerable expenses and he doesn't? Should a dying woman reveal to her husband that their son is not really his? Many of us are finding it increasingly hard to tread the fine line between right and wrong. In *The Ten Commandments of Character*, Telushkin faces these issues squarely and shows us how to live a life of true integrity. At a time when so many people are looking for moral guidance, we are lucky to have Joseph Telushkin as our guide and teacher. I am thoroughly impressed by his wisdom and good sense. Biblical Literacy Joseph Telushkin, 2010-08-17

As he did so brilliantly in his bestselling book Jewish literacy Joseph Telushkin once again mines a subject of Jewish history and religion so richly that his book becomes an inspiring companion and a fundamental reference In Biblical Literacy Telushkin turns his attention to the Hebrew Bible also known as the Old Testament the most influential series of books in human history Along with the Ten Commandments the Bible's most famous document no piece of legislation ever enacted has influenced human behavior as much as the biblical injunction to Love your neighbor as yourself No political tract has motivated human beings in so many diverse societies to fight for political freedom as the Exodus story of God's liberation of the Israelite slaves which shows that God intends that ultimately people be free The Bible's influence however has conveyed as much through its narratives as its laws Its timeless and moving tales about the human condition and man's relationship to God have long shaped Jewish and Christian notions of morality and continue to stir the conscience and imagination of believers and skeptics alike There is a universality in biblical stories The murder of Abel by his brother Cain is a profound tragedy of sibling jealousy and family love gone awry see pages 11-14 Abraham's challenge to God to save the lives of the evil people of Sodom is a fierce drama of man in confrontation with God suggesting the human right to
