Grace, Nirmala Erevelles, 2023-03-31 This edited book makes an epistemic claim that disability studies approaches to curriculum are doing more than merely critiquing how privileged knowledge excludes disability from curriculum theory and praxis The scholars in this volume argue instead that Disability Studies embodies an epistemic space that not only demonstrates its difference from the normative curriculum it exceeds curriculum's confining boundaries Thus they argue for a curriculum about curriculum one that critically investigates the epistemological ontological and pedagogical claims of the normative curriculum from the critical standpoint of disability Conceptualizing curriculum as cultural politics each chapter offers a theorization of disability via a critical intersectional lens that addresses the following questions What are the epistemological barriers possibilities encountered when disability is brought into the intellectual ambit of curriculum theory What would curriculum theory look like if disabled people reimagined the curriculum What is the link between curriculum and conceptions of specialized programming for students identified as disabled And most critically how do approaches to schooling and conceptions of ability within curriculum studies enact forms of racism sexism and heteronormativity as well as are complicit in the construction and removal of the disabled body from mainstream education This book was originally published as a special issue of the journal Curriculum Inquiry The Christmas Pig Kinky Friedman, 2006-11-14 The hilarious Kinky Friedman puts a new twist on the holiday spirit in his inimitably Kinky way in The Christmas Pig King Jonjo Mayo the First is in a bind Every Christmas he commissions an artist to paint a traditional nativity

scene to be dramatically revealed after midnight mass This year though the date is mere weeks away and he still has not yet found his painter The king decides to take a chance on a peculiar mute boy whose artistic genius and clairvoyance are rumored throughout the kingdom He sends three valiant if begrudging knights to seek out the boy in the remote countryside Finally they find Benjamin and he is indeed peculiar Nobody knows if the child is up to the task but the king's Christmas tradition and Benjamin himself might just be saved by a Christmas miracle that comes in the form of a very special pig who is rather peculiar herself

Goldie, My Last Love Mitzi Mensch, 2012-06-04 Mitzi and Goldie's reunion in San Francisco is filled with joy and sorrow. After an absence of 48 years, time falls away as though they never parted. The dark cloud is an illness in his family. The daily e-mails continue more meaningful than ever as Mitzi comforts and consoles Goldie. Their bond deepens, enhanced by the physical intimacy they have shared. Goldie sends Mitzi two birthday gifts. Each element of the jewel is imbued with significance which he delineates: the circle of diamonds indicating they have come full circle, are joined together again. The second gift is a photo album Goldie made recreating their history with pictures of places in their home town. On the last photo of his school locker, he writes: "This is where we met between classes for 90 seconds because we couldn't bear to be apart." Mitzi breaks her foot. At home in pain, she reflects on Goldie's marital status and writes him an e-mail saying: "In my experience, married men don't leave; they simply break your heart. Please don't break my heart." He takes offense that she would question his integrity and motivation and suggests they go on hiatus until he has progress to report. She is devastated, sends a flurry of e-mails begging forgiveness. They continue stronger than before. A new trip is planned this time to Washington D.C. It turns out to be both heaven and hell. It is heaven because the relationship is so strong, so close. He opens his heart about how bad his marriage is and his plans to end it. It is hell because they are both unwell. He suggests a third trip to Niagara Falls. She knows this is the trip that will make all the difference, will cement their God-given union. Then the unthinkable happens. Getting the Most from Predictable Books Michael F. Opitz, 1995 The primary purpose of this book is to provide a resource of over 800 predictable trade books along with suggestions for their use.
