Bad Childhood---Good Life Laura Schlessinger, 2006-01-03 In this important book Dr Laura Schlessinger shows men and women that they can have a Good Life no matter how Bad their Childhood For each of us there is a connection between our early family dynamics and experiences and our current attitudes and decisions Many of the people Dr Laura has helped did not realize how their histories impacted their adult lives or how their choices in people repetitive situations and decisions even their emotional reactions were connected to those early negative experiences playing a major role in their current unhappiness For these people and millions like them too much time is dedicated to repeating the ugly dynamics of childhood in a vain attempt to repair or cope with deep hurt and longings Too often they use their emotional pain to control others or excuse their own inappropriate and destructive behaviors Some turn to therapy only to find themselves trapped in their self pitying victim mode robbed of optimism confidence and growth Dr Laura will help you realize that no matter what

circumstances you came from or currently live in you are ultimately responsible for how you react to them The acceptance of this basic truth is the source of your power to secure the Good Life you long for In her signature straightforward style with real life examples Dr Laura shows you what you will gain by not being satisfied with an identity as a victim or even as a survivor but striving to be a victor In *Bad Childhood Good Life* Dr Laura will guide you to accept the truth of the assaults on your psyche and soul understand your unique coping style and how it impacts your daily thoughts and actions and help you embrace a life of more peace and happiness *Bad Childhood Good Life* comes from a compassionate and personal place Dr Laura also reveals some of her own experiences with a difficult childhood and what efforts it took to attain a Good Life She writes My resilience has paid off and I m doing the best I can with what I ve got Now you can too [LOST and PROFOUND](#)

Mark McKirdy,2015-03-03 *LOST and PROFOUND The Rejected Book Reviews by Famous People* is a unique and hilarious collection of unpublished book reviews seemingly written by household names who have reached the top in film television journalism science music sport art business politics and literature Included among the reviewers are George W Bush David Letterman Madonna Gore Vidal Shirley MacLaine Arnold Palmer Elton John Gloria Steinem David Suzuki Walter Cronkite Salvatore Sammy the Bull Gravano Jimmy Swaggart and Monica Lewinsky All the books reviewed are real and the astonishing diversity of interests of the celebrities demonstrates that shallow perception can never be disguised as deep thought no matter how cleverly expressed As revealed in the book s Introduction Mark McKirdy acquired this collection when he successfully bid for a small dusty box at a Sotheby s auction in 2013 Upon his return to Oxford University where he was the anthropologist in residence he opened the box and like Howard Carter marveling at the treasures he d just unearthed from Tutankhamun s tomb in 1922 the author was holding a golden collection of book reviews by many of the world s most significant people Each review had apparently been commissioned by the prestigious literary journal *The London Review of Books* and each for reasons never revealed received a soul crushing rebuff by way of a large red Rejected stamp As with all well written satire *LOST and PROFOUND* will give readers pause for thought seconds for chuckling minutes of laughing out loud and hours of fun and if the celebrities mentioned in the book didn t actually write the reviews cited they probably wish they had

Fundamental Differences Cynthia Burack,Jyl J. Josephson,2004-09-01 *Fundamental Differences* brings together lucid interdisciplinary critiques of social conservative politics and ideas in the areas of welfare family and school policy gender representation and conservative doctrine The distinguished group of authors responds directly to New Right political discourse identifying key ambiguities ideological convictions and methodological problems *Misframing Men*

Michael Kimmel,2010-05-20 This past decade has witnessed an extraordinary transformation in men s lives For years wave after wave of the women s movement a movement that reshaped every aspect of American life produced nary a ripple among men But suddenly men are in the spotlight Yet the public discussions often seem strained silly and sometimes flat out wrong The spotlight itself seems to obscure as much as it illuminates Old tired clichés about men s resistance to romantic

commitment or reluctance to be led to the marriage altar seem perennially recyclable in advice books and on TV talk shows but these days the laughter feels more forced the defensiveness more pronounced Pop biologists avoid careful confrontation with serious scientific research in their quest to find anatomical or evolutionary bases for promiscuity or porn addiction hoping that by fiat one can pronounce that boys will be boys and render it more than a flaccid tautology And political pundits wring their hands about the feminization of American manhood as if gender equality has neutered these formerly proud studs

Misframing Men a collection of Michael Kimmel's commentaries on contemporary debates about masculinity argues that the media have largely misframed this debate Kimmel among the world's best known scholars in gender studies discusses political moments such as the Virginia Military Institute and Citadel cases that reached the Supreme Court he participated as expert witness for the Justice Department along with Promise Keepers rallies mythopoetic gatherings and white supremacists He takes on antifeminists as the real male bashers questions the unsubstantiated assertions that men suffer from domestic violence to the same degree as women and examines the claims made by those who want to rescue boys from the misandrous reforms initiated by feminism In writings both solidly grounded and forcefully argued Kimmel pushes the boundaries of today's modern conversation about men and masculinity

The Proper Care and Feeding of Marriage Dr. Laura Schlessinger, Laura Schlessinger, 2007-01-02 In the long awaited follow up to her groundbreaking million copy bestseller *The Proper Care and Feeding of Husbands* Dr Laura now focuses on how men and women need to understand and appreciate the uniqueness of masculinity and femininity what the best ways to relate caretake and nurture each other are

and how to bring a marriage back from the brink of disaster Dr Laura asserts that in order to produce and sustain a wonderfully satisfying marriage spouses must recognize and appreciate the polarity between the masculine and the feminine Both husband and wife have power in the relationship and each needs to realize this in order to ensure personal satisfaction Using real life examples from her call in radio show and giving real life solutions Dr Laura focuses on the typical mistakes made by men and women in their relationships and shows how marriages can not only survive but thrive **Men Are Like a**
