Finding Your Voice Shabona Shakee Banks, 2011-04-20 Finding Your Voice is breath taking inspirational and an inspiring piece I want for you the reader to be able to embrace my thoughts my ideas and my feelings on a life changing level Knowing words have power I have combined them with an artistic and poetic dialect I am the woman that desired to write this book and allow the world to see that I have goals dreams emotions and feelings just like you I have experienced in my life a lot of negative spirits that have lead me to understand that no matter what happened to you no matter where you come from no matter what color you are you have the choice and the power in changing your life and to make a difference in the world When you totally envision and engulf your life with positive thinking this will allow you to see things in a motivating way which can help you bring the best out of yourself My life is changing day by day and I thank God for this enlightenment I hope and pray that you will read these words and meditate on them Let them become your hearts rhythm and find some kind of understanding in your life through my life Having felt like I had no voice like I was invisible to people for years was depressing but knowledge has brought me wisdom and knowledge also brings power I changed my thought process and my life now is filled with positivity and encouragement Now I know I have a voice inside of me This is a part of my journey and my destiny that has lead me to start writing everything my thoughts things I went through plus my true feelings the end result is this Finding Your Voice

Touching and Being Touched Gabriele Brandstetter, Gerko Egert, Sabine Zubarik, 2013-10-29 Touch is a fundamental element of dance The time forms and contact zones of touch are means of expression both of self reflexivity and the interaction of the dancers Liberties and limits creative possibilities and taboos of touch convey insights into the aisthesis of the different forms of dance into their dynamics and communicative structure as well as into the production and regulation of affects Touching and Being Touched assembles seventeen interdisciplinary papers focusing on the question of how forms and practices of touch are connected with the evocation of feelings Are these feelings evoked in different ways in tango Contact improvisation European and Japanese contemporary dance The contributors to this volume dance literature and film scholars as well as philosophers and neuroscientists provide in depth discussions of the modes of transfer between touch and being touched Drawing on the assumptions of various theories of body emotion and senses how can we interpret the processes of tactile touch and of being touched emotionally Is there a specific spectrum of emotions activated during these processes within both the spectator and the dancer How can the relationship of movement touch and emotion be analyzed in relation to kinesthesia and empathy
