Tennis And Racket Games:

Tennis and Racket Games John Barrett,1975 **Rule Book of Games** Kira Chilton,2018-08-18 Tennis is a racket sport that can be played individually against a single opponent singles or between two teams of two players each doubles Each player uses a tennis racket that is strung with cord to strike a hollow rubber ball covered with felt over or around a net and into the opponent s court The object of the game is to play the ball in such a way that the opponent is not able to play a valid return The player who is unable to return the ball will not gain a point while the opposite player will Tennis Skills and Rules has something for everyone who plays this wonderful game The book is designed to help the people especially the aspiring players beginners coaches learners instructors etc The comprehensive text in the book explains the various tips and tactics and means and methods to develop these tactics This book in the series on sports has been designed as a comprehensive manual which gives the readers the basic information of the sport of tennis as well as its celebrated players memorable moments Beginning with a brief introduction to the history of the game the book then engages in a detailed discussion of sporting paraphernalia of tennis as well as its rules **The Other Racquet Sports** Dick Squires,1980 **Fun and Games** Anthony Dowson,Keith E. J. Morris,2005 With more than 20 years of coaching and teaching experience UK authors Anthony Dowson and Keith Morris have realized that children s encounters with sporting activities need to be creative entertaining and fun Children can be encouraged to engage in physical activity through fun games that stimulate both body and mind Fun games keep children healthy and active now as well as contribute to a more positive attitude towards physical activity for life In response to numerous requests from teachers and coaches the authors have developed and adapted an array of activities and games from their own everyday use when teaching children The book contains a range of warm up ideas games skill practices and sport specific activities to motivate children and encourage active participation The games use only common sport equipment and are supported by easy to follow instructions and illustrations Useful in both planning and providing physical education lessons and recreational experiences this book makes it easy to create a varied and exciting program The text includes more than 30 multi sport games suitable for children of ages 5 to 16 There are sport specific games for cricket striking and fielding rugby soccer tennis badminton and hockey as well as parachute games All activities are designed to improve children s skills in specific sports through the use of enjoyable games to promote learning Each game offers multiple variations designed to suit a wide range of ages and abilities With childhood obesity becoming increasingly common children s physical activity is becoming more important Healthy active young people now mean a future generation of adults less affected by the health problems associated with obesity and inactive lifestyles Anyone who has the responsibility of organizing activities for young people will find the ideas in Fun and Games invaluable Through the practical games in this book children will develop new skills as they participate in fun and enjoyable activities **The Racquet Game** Allison Danzig,2021-06-28 Many of the earliest books particularly those dating back to the 1900s and before are now extremely
