GERHARD JOSEPH

Tennyson And The Text The Weavers Shuttle

Sir James Augustus Henry Murray

Tennyson And The Text The Weavers Shuttle:

Tennyson and the Text Gerhard Joseph, 1992-04-09 This 1992 study of Tennyson evolves its themes from the weaving figure of The Lady of Shalott which becomes a kind of parable for the author and his texts Taking its derivation from the Latin texere to weave Professor Joseph's focus on poetic texture and a sense of textuality leads to a consciousness of his own critical and interpretative weaving while revealing a pattern in the fabric of Tennyson's work This procedure brings together a theory of perception developed in the first part of this study with an analysis of the gendering of Tennyson's characters in the second part and engages with the methodologies of deconstruction psychoanalysis and gender theory The weaving metaphor also opens up a key theoretical issue regarding Tennyson's poetics is the textual shuttle managed by the controlling hand of a historically definable author or is the poetic weaver cursed like the Lady of Shalott to suffer a mystifying doom at the unseen hand of an all pervasive textuality that occludes authorial intention Arts & Humanities Citation Index ,1995 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 **Divining Desire** James W. Hood, 2000 From the author's introduction The title of this book contains a double entendre its chapters look both at attempts to perfect desire in divine fashion and at the means by which Tennyson's poems try to divine the nature of desire itself The author argues that Tennyson's poems his character **T.P.'s Weekly** ,1907 **The Spectator** ,1907 *The New York Times Saturday Review of Books and Art* ,1968 New York Times Saturday Review of Books and Art ,1969 *Cumulated Index to the Books* ,1953 A world list of books in the English language **The Oxford English Dictionary** ,1989 In addition to current definitions provides an historical treatment to words and idioms included **Selections from Tennyson** Alfred Tennyson Baron Tennyson, 1960
