Tenorman A Novella:

Tenorman David Huddle, 1995 A spoof on the culture preservation programs of the National Endowment for the Arts The protagonist is a black jazz saxophonist who in return for a free apartment and other perks agrees to be wired so the NEA can monitor his creative process including his romances By the author of *Only the Little Bone* The Jazz Fiction Anthology Sascha Feinstein, David Rife, 2009-10-02 What sounds throughout these stories is the universal voice of humanity that is the essence of the music The Story of a Million Years David Huddle, 1999 A 15 year old girl in Cleveland has an affair with an older man her mother's friend Years later the emotional fallout will echo in unexpected ways through the lives of people close to her A first novel Jazz Fiction David Rife, 2008 Broad in scope meticulously researched and including titles that have long been inaccessible this resource is an overview of the history of the genre from its beginning to the present BOOK JACKET The Washington, D.C. of Fiction James A. Kaser, 2006 In The Washington D C of Fiction A Research Guide James A Kaser provides detailed synopses for nearly four hundred works published between 1822 and 1976 and bibliographic information for hundreds more published since Plot summaries names of major characters and location lists are also presented Although this book was written to assist researchers in locating works of fiction for analysis the plot summaries have enough detail for general readers so they can develop an understanding of the way attitudes toward Washington and what the city symbolizes have changed over the years Similarly the biographical section demonstrates the wide range of journalists politicians society women and freelance writers who were motivated to write about the city BOOK JACKET *La Tour Dreams of the Wolf Girl* David Huddle, 2003-06-18 Taking as its subject the mysterious painter Georges de La Tour this haunting work is a fascinating examination of the echoes of the artist's work across time *The Faulkes Chronicle* David Huddle, 2015-04-01 A work of uncanny originality David Huddle's nineteenth book is the account of an extraordinary death trip taken by a charismatic and beloved woman her husband and an astonishing number of offspring from infants to young adults The Faulkes Chronicle explores how children grieve and shows how the wit and courage of even the littlest brothers and sisters can be a source of resilience Familial conversation composes an intimate requiem transforming loss into comprehension Only one of our finest writers could manage this delicate material The Faulkes Chronicle is a brief autumnal novel made of momentary details yet with an encompassing grandeur *Grayscale* David Huddle, 2004-01-13 In his compelling new collection David Huddle writes We think we stand in the vivid color of here and now and view the past as drab black and white whereas the truth is it's our future that's the off center badly focused grayscale Spiraling between the tenses of time David Huddle creates in these vibrant poems a defense against the encroachment of age through the resources of language and memory imagination and art Moments recollected and admittedly embellished from his own life and family seem appealingly familiar a teenage dance Grandmama's morning coffee young daughters playing dolls With age wonder has become understanding and so when intimations of his death arise in the midst of sharing a joke with his children the poet

shows us the comfort and peace that murky prospect may hold Playful and fantastic narratives about penguin clans Jane Goodall and the chimps and what to do when it snows offer wit and craft as further barriers against pain and despair In my family we were all good at dreaming Huddle s closing poem notes Undaunted Huddle gives us in Grayscale not false hopes about our lives but a range of ways to transcend their limits

Inhabiting Contemporary Southern and Appalachian Literature Casey Clabough,2012-08-26 The idea of place any place remains one of our most basic yet slippery concepts It is a space with boundaries whose limits may be definite or indefinite it can be a real location or an abstract mental spiritual or imaginary construction Casey Clabough s thorough examination of the importance of place in southern literature examines the works of a wide range of authors including Fred Chappell George Garrett William Hoffman Julien Green Kelly Cherry David Huddle and James Dickey Clabough expands the definition of here beyond mere geography offering nuanced readings that examine tradition and nostalgia and explore the existential nature of place Deeply concerned with literature as a form of emotional intellectual and aesthetic engagement with the local and the regional Clabough considers the idea of place in a variety of ways as both a physical and metaphorical location as an important factor in shaping an individual informing one of the ways the person perceives the world and as a temporal as well as geographic construction This fresh and useful contribution to the scholarship on southern literature explains how a text can open up new worlds for readers if they pay close enough attention to place

Blacksnake at the

Family Reunion David Huddle, 2012-11-12 David Huddle's latest collection *Blacksnake* at the Family Reunion shares intimate and amusing stories as if told by a quirky usually reticent great uncle In *Boy Story* a teenage romantic meeting ends abruptly when the boy's sweetheart realizes they have parked near her grandmother's grave The poem *Aloft* recalls a widowed mother's indignation after she receives a marriage proposal in a hot air balloon Haunted by the words on his older sister's tombstone *born died then a single date in November* the speaker in one poem struggles to understand a tragic loss The ampersand tells the whole truth and nothing but so help me God whose divine shrug is expressed so eloquently by that grave mark *Blacksnake* at the Family Reunion continues Huddle's poetic inquiry into the power of early childhood and family to infuse adulthood with sadness and despair an inquiry conducted with profound empathy for the fragility of humankind
