Crawford,Jochen Burgtorf,2016-03-23 Seven hundred years after the dissolution of the order the trial of the Templars still arouses enormous controversy and speculation In October 1307 all the brothers of the military religious order of the Temple in France were arrested on the instructions of King Philip IV and charged with heresy and other crimes In 1312 Pope Clement V at the Council of Vienne dissolved the order Since the 1970s there has been increasing scholarly interest in the trial and a series of books and articles have widened scholars understanding of causes of this notorious affair its course and its aftermath However many gaps in knowledge and understanding remain What were the Templars doing in the months and years before the trial Why did the king of France attack the Order What evidence is there for the Templars guilt What became of the Templars and their property after the end of the Order This book collects together the research of both junior and senior scholars from around the world in order to establish the current state of scholarship and identify areas for new research Individual chapters examine various aspects of the background to the trial the financial political and religious context of the trial in France the value of the Templars testimonies and consider the trial across the whole of Europe from Poland and Cyprus to Ireland and Portugal Rather than trying to close the discussion on the trial of the Templars this book opens a new chapter in the ongoing scholarly debate

*A Sketch of the History of the Knights Templars* James Burnes,2014-03 This Is A New Release Of The Original 1840 Edition      **Sketch of the History of the Knights Templars** James Burnes,1890      *The Real History Behind the Templars* Sharan Newman,2009 The truth behind the mysterious medieval order of the Templars The story of the Order of the Knights Templar is the stuff of epic romance In the year 1119 the Templars found their calling as protectors of the faithful on a dangerous pilgrimage to newly conquered Jerusalem Appearing as saviours on horseback these noblemen spawned stories that formed the basis of Arthurian legend But their arrogance wealth and secrecy made the Templars a target for hatred and

violence Today many myths surround this ancient order and it is portrayed as everything from a Masonic society to the keeper of the Holy Grail But just who were the Templars Were they devout knights or secret heretics Is there a connection between the Templars and the Friday the thirteenth Did they leave behind a fantastic treasure hidden to this day How did they come to be associated with the Holy Grail Did they come to America before the time of Columbus Does the order still exist In *The Real History Behind the Templars* historian Sharan Newman elucidates the mysteries and misconceptions surrounding the Templars from their founding and the part they played in the Crusades to more modern intrigues and their role in popular culture including *The Da Vinci Code* and the *Indian Jones* films

**The Templars and Their Sources** Karl Borchardt, Karoline Döring, Philippe Josserand, Helen Nicholson, 2020-07-02 Even 700 years after the suppression of the Order of the Temple and the execution of the last grandmaster Jacques de Molay there is no shortage of publications on this influential military order Yet unlike other medieval institutions the Templars are subject to speculative fiction and popular myth which threaten to swamp the fruits of scholarly endeavour Fortunately recent years have produced a thriving academic scholarship which is challenging these myths More and more sources are currently being edited particularly those for the trial of the Templars 1307 1312 Others are still awaiting in-depth study among them surprisingly the greater part of the charters that cover more than 150 years of the Order's history The papers in this volume step into this gap and critically evaluate new directions in Templar studies on the basis of as yet unedited source material Open issues and desiderata regarding the sources are discussed and from a range of inspiring results a new status quaestionis is proposed that will not only provide a better understanding of the Order's archaeological economical religious administrative and

military history but also set new points of departure for the editing of charters and administrative documents The papers here are grouped into six sections focusing on the headquarters of the Order its charters manpower and finance religious life and finally the suppression and the Order s afterlife
