Teoria De La Instauracion Monarquica En Espana:

Teoría de la instauración monárquica en España Juan Ferrando Badía,1975 *La monarquía parlamentaria* Yolanda Gómez,2008 **Los democristianos y el proyecto político de «Cuadernos para el diálogo», 1963-1969** PANDO BALLESTEROS, María de la Paz,2005-03-01 Este trabajo sobre Cuadernos para el Di logo no agota el estudio de esta riqu sima fuente sino que la utiliza para abordar una cuesti n mal conocida como es el papel socializador desempe ado por la oposici n democristiana en el mesofranquismo y los detalles de su programa o modelo pol tico entre los a os 1963 y 1969 en que Cuadernos fue la m s significativa y completa aunque no la nica tribuna de expresi n de los democristianos La oposici n representada por stos en la etapa estudiada no est suficientemente investigada lo que resulta tanto m s llamativo cuanto que a la altura de los a os 60 los democristianos parec an seg n las encuestas disponibles una alternativa pol tica plausible a la Dictadura **The Franco Regime, 1936-1975** Stanley G. Payne,2011-09-27 The history of modern Spain is dominated by the figure of Francisco Franco who presided over one of the longest authoritarian regimes of the twentieth century Between 1936 and the end of the regime in 1975 Franco s Spain passed through several distinct phases of political institutional and economic development moving from the original semi fascist regime of 1936 45 to become the Catholic corporatist organic democracy under the monarchy from 1945 to 1957 Distinguished historian Stanley G Payne offers deep insight into the career of this complex and formidable figure and the enormous changes that shaped Spanish history during his regime

Manual de Derecho Constitucional Francisco Balaguer Callejón,Gregorio Cámara Villar,Juan Fernando López Aguilar,María Luisa Balaguer Callejón,José Antonio Montilla Martos,2019-01-17 Este Manual de Derecho Constitucional va dirigido a los estudiantes de Derecho de Facultades y Escuelas Universitarias en las que se imparten asignaturas de Derecho Constitucional y de introducci n a nuestro sistema constitucional y a nuestro ordenamiento jur dico Sus autores son profesores de las Universidades de Granada M laga y Las Palmas con un alto grado de especializaci n en los temas de cuya redacci n se han encargado En este segundo volumen se analiza el sistema de derechos y libertades as como las instituciones y los rganos constitucionales **Historia del Franquismo** Luis Palacios Bañuelos,2020-03-28 Se trata de lo que es sin duda la mejor historia breve de la Historia del Franquismo Un libro objetivo y equilibrado de dimensiones m ltiples y sorprendentemente completo Stanley G Payne El rgimen de Franco marc toda una poca de la historia de Espa a De las dictaduras europeas personales fue la m s duradera Ni siquiera Stalin se mantuvo en el poder tanto tiempo Su rgimen fue sui generis y cambió mucho durante su larga vida pero siempre era el rgimen de Franco un personaje que de verdad no cambiar a nunca No es necesario tener de antemano un conocimiento elaborado de la historia de los a os 1936 a 1975 porque esta Historia del franquismo es completa en s misma pues lo que Luis Palacios Ba uelos ha conseguido es sintetizar mucha investigaci n tanto la suya como la de muchos otros ofreciendo un producto al alcance de todos sin perder el rigor El franquismo empez con el propio Franco Por eso este libro comienza con la semblanza personal del dictador porque sin

entender su formación psicológica y su peculiar personalidad no se puede entender la naturaleza de su régimen y los muchos vaivenes políticos que determinaron su singular historia. Fue un régimen ideológicamente múltiple y compuesto que como el autor explica en detalle se formaba de una serie muy diversa de tendencias o familias políticas que tenían en común meramente el hecho de ser antiizquierdistas. A lo largo de sus páginas asistimos a su relación con Hitler a los pactos con Estados Unidos a la autarquía a las relaciones del Caudillo con el Vaticano la evolución hacia la modernidad de un país. Son muy pocos los historiadores con un conocimiento de este régimen y de su historia igual al de Luis Palacios Bautista. Por ese motivo es una historia total no escrita para franquistas o antifranquistas sino para los lectores españoles de mentalidad abierta que desean comprender esta poca tan clave de la transformación moderna de España. Del prólogo de Stanley G. Payne: The Handbook of Election News Coverage Around the World. Jesper Strömbäck, Lynda Lee Kaid, 2009-09-10. The Handbook of Election Coverage Around the World focuses on the news coverage of national elections in democracies around the globe. It brings together and compares election news coverage within a single framework offering a systematic consideration of various factors. Considering the prominence and power of the press in the election process this volume will offer unique breadth in its global consideration of the topic. The volume will appeal to scholars in political communication political science mass media and society and others studying elections and media coverage around the world.

REOP -

Octubre/Diciembre 1975 , Ciencia política y de la administración Ramón Cotarelo, 1994 Recoge La ciencia política en España El estado de la investigación electoral en España Los estudios de ciencia de la administración en España Los estudios de pensamiento político en España Los partidos políticos en la literatura española especializada **Royal Tourism** Phil Long, Nicola J. Palmer, 2008 The relationships between tourism and royalty have received little coverage in the tourism literature This volume provides a critical exploration of the relationships between royalty and tourism past present and future from a range of disciplinary perspectives **Juan Carlos I y el advenimiento de la democracia** Vicente Palacio Atard, Antonio Rumeu de Armas, 1988 **Teoría crítica, medio ambiente y autoritarismo** H.
