Chasm City Alastair Reynolds, 2020-04-21 Return to the dazzling world of Revelation Space with this British Science Fiction Award winning space opera about a young man hell bent on revenge on the surface of a twisted disease corrupted planet The once utopian Chasm City a domed human settlement on an otherwise inhospitable planet has been overrun by a virus known as the Melding Plague capable of infecting any body organic or computerized Now with the entire city corrupted from the people to the very buildings they inhabit only the most wretched sort of existence remains For security operative Tanner Mirabel it is the landscape of nightmares through which he searches for a lowlife postmortal killer But the stakes are raised when his search brings him face to face with a centuries old atrocity that history would rather forget One of Locus and Science Fiction Chronicle s Best SF Novels of the Year

The Casino, Card and Betting Game Reader Mark R. Johnson, 2021-12-30 Casino games and traditional card games have rich and idiosyncratic histories complex subcultures and player practices and facilitate the flow of billions of dollars each year through casinos and card rooms and between professional players and amateurs They have nevertheless been overlooked by game scholars due to the negative ethical weight of gambling with such games pathologized and labelled as deviance or mental illness few look beyond to unpick the games their players and their communities The Casino Card and Betting Game Reader offers 25 chapters studying the communities playing these games the distinctive cultures and practices that have emerged around them their activities and beliefs and interpersonal relationships and how these games influence both positively and negatively the lives and careers of millions of game players around the world It is the first of a new series of edited collections Play Beyond the Computer dedicated to exploring the play of games beyond computers and games consoles

Revelation Space Alastair Reynolds, 2020-04-21 This highly acclaimed

first novel in the Revelation Space universe has redefined the space opera with a staggering journey across vast gulfs of time and space to confront the very nature of reality itself Nine hundred thousand years ago something annihilated the Amarantin civilization just as it was on the verge of discovering space flight Now one scientist Dan Sylveste will stop at nothing to solve the Amarantin riddle before ancient history repeats itself With no other resources at his disposal Sylveste forges a dangerous alliance with the cyborg crew of the starship Nostalgia for Infinity But as he closes in on the secret a killer closes in on him Because the Amarantin were destroyed for a reason and if that reason is uncovered the universe and reality itself could be irrevocably altered A tour de force Ravishingly inventive Publishers Weekly *The Grace Young*, Alan

Myths Alfred Louis Kroeber, 1978 **Postcolonial Literature and Challenges for the New Millennium** Lucienne

Loh, Malcolm Sen, 2017-10-02 This volume brings together an international range of postcolonial scholars to explore four distinct themes which are inherently interconnected within the globalised landscape of the early 21st century China Islamic fundamentalism civil war and environmentalism Through close reading a range of literary texts by writers drawn from across the globe these essays seek to emphasise the importance of literary aesthetics in situating the theoretical underpinnings and political motivations of postcolonial studies in the new millennium Colonial legacies especially in terms of structuring exploitative capitalist relations between countries and regions are shown to persist in postcolonial nations in the form of global civil wars and systemic environmental waste Chinese authoritarianism and the Indian picturesque represent less familiar forms of neo colonialism These essays not only engage with established writers such as Salman Rushdie and Anita Desai they also critically reflect on work by Nadeem Aslam Mai Couto Romesh Gunasekara Bei Dao and Ma Jian This book was originally published as a special issue of Textual Practice **The California Indians** Robert F. Heizer, M. A.

Whipple, 2023-07-28 This new expanded edition of The California Indians is a more comprehensive and thus more useful book than its predecessor which first appeared in 1951 and was reprinted seven times The editors have combined the selections eighteen of which are new into a general survey of California Indian native cultures They have avoided highly technical studies because they intend their book for the general reading public rather than for scholars The editors discuss the present day Indians of California in a chapter written especially for this volume and provide a new extensive classified bibliography listing hundreds of published works arranged by culture areas and subjects This list of references should prove useful to the nonprofessional who wishes to read further on a particular tribal culture or topic such as Indian basketry or place names or prehistoric rock art This new expanded edition of The California Indians is a more comprehensive and thus more useful book than its predecessor which first appeared in 1951 and was reprinted seven times The editors have combined the selections eighteen of which are new i *Sheffield's Most Notorious Gangs* Ben W. Johnson, 2018-05-30 British veterans of the Great

War turn to organized crime in this history of rival street gangs and their reign of terror in the 1920 s When the returning heroes of the First World War were forgotten by their country they had no choice but to fight again this time for their own survival Reduced to motley neighborhood regiments they traded their rifles for razors and butcher s knives The enemy was society at large and the police force paid to protect it Money would be made blood would be shed and lives would be lost Sheffield was a city at war with itself as opposing gangs battled daily for control of the streets Out of these deadly gangs two rival factions took control of the city For a dark and dangerous time The Mooney Gang and the Park Brigade even acted as governing bodies in many of the poorer neighborhoods In Sheffield s Most Notorious Gangs true crime historian Ben W Johnson explores their rise to power and the rising tide of violence that authorities seemed powerless to stop [The Gate of Heavenly Peace](#) Jonathan D. Spence,1982-10-28 A milestone in Western studies of China John K Fairbank In this masterful highly original approach to modern Chinese history Jonathan D Spence shows us the Chinese revolution through the eyes of its most articulate participants the writers historians philosophers and insurrectionists who shaped and were shaped by the turbulent events of the twentieth century By skillfully combining literary materials with more conventional sources of political and social history Spence provides an unparalleled look at China and her people and offers valuable insight into the continuing conflict between the implacable power of the state and the strivings of China s artists writers and thinkers
