Two period-focused sections center on modernism and on late twentieth and twenty-first century fiction, while two further sections foreground the more general project of theory building in literary animal studies, examining interconnections among concepts of species, sexuality, gender, and genre. The volume also raises issues that extend beyond the academic community, including ethical dimensions of human-animal relationships and the problems of species loss and diminishing biodiversity. Choosing is impossible; yet choose she must. *Cyn* Lady Cynara Stuart is the not-so-royal Stuart's youngest daughter.
