Washington,Olaudah Equiano,2015-10-30 In one volume there are seven slave narratives compelling harrowing at times and beautiful stories of hope in the midst of deep adversity 1 *Narrative of the Life Of Frederick Douglass* An American Slave Frederick Douglass s eloquently written first autobiography was one of the most persuasive forces for emancipation as well as for the enlistment of black soldiers in the Union army It is written beautifully and the story flies past a dazzling and awful account of slavery 2 *My Bondage and My Freedom* This is Frederick Douglass s second autobiography

written ten years after his emancipation and is unparalleled in its scope of the destructive effects of slavery on both individuals and communities The power of this book is that it delves into the minds of rational good people who were slave owners and discusses the economic conditions that sanctioned slavery's continued existence 3 *Twelve Years A Slave* This narrative was written by Solomon Northrup a freeman kidnapped from the North and taken to a work on a plantation in Louisiana where he lived for 12 years until he was rescued Violence sadness grief and the treatment of human beings as lower than animals are the themes that run through this famous autobiography 4 *The Interesting Narrative of the Life of Olaudah Equiano or Gustavus Vassa the African* Olaudah Equiano's interesting story provides an insight into a time and situation that few people survived to record or recall and those that did survive were rarely literate For this reason and so many others Equiano or Gustavus Vassa as he was later christened has a unique story to tell It is an honest and chilling account of a man born free in Africa and sold into slavery who spends most of life on the high seas until he finally acquires freedom He relates the experiences of black people in its myriad forms on three continents 5 *Incidents In The Life Of A Slave Girl* Seven Years Concealed In the pre civil war period of 1861 Harriet Jacobs was the only black woman in the United States to have authored her own slave narrative in a call to arouse the women of the North to a realizing sense of the condition of two millions of women at the South to convince the people of the Free States what slavery really is Jacobs hoped that should the white women of the North know the true conditions of the slave women of the South they would not fail to answer the call to moral action With the help of a northern abolitionist Jacobs published this astounding poignant record under the pseudonym Linda Brent 6 *Up From Slavery* An Autobiography Booker T Washington writes his story modestly but his greatness shines through He spent his early childhood as a slave on a plantation in the south but after the Emancipation Proclamation was read from the porch steps of the Big House his ambitions to gain an education and make something of himself propelled him through every obstacle to his goal Booker T Washington was a tireless promoter of education for his race and founded a school for blacks in Alabama He made great strides in elevating the sights and prospects of his people 7 *Running A Thousand Miles for Freedom* This is a great story of a married couple who were slaves and escaped to freedom in a unique way It is a horrifying account of the evil of slavery and the hope of freedom and human rights A compelling read

**The Oxford Handbook of the African American Slave Narrative** John Ernest, 2014 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies The Oxford Handbook of the African American Slave Narrative will offer a fresh wide ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they

revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre s imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron s *The Confessions of Nat Turner* Toni Morrisons s *Beloved* and Octavia Butler s provocative science fiction novel *Kindred* In short the Handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

**The American Slave Narrative and the Victorian Novel** Julia Sun-Joo Lee, 2010-04-09 Conceived as a literary form to aggressively publicize the abolitionist cause in the United States the African American slave narrative remains a powerful and illuminating demonstration of America s dark history Yet the genre s impact extended far beyond the borders of the U S In a period when few books sold more than five hundred copies slave narratives sold in the tens of thousands providing British readers vivid accounts of the violence and privation experienced by American slaves Eloquent bracing narratives by Frederick Douglass William Box Brown Solomon Northrop and others enjoyed unprecedented popularity captivating audiences that included activists journalists and some of the era s greatest novelists *The American Slave Narrative and the Victorian Novel* investigates the shaping influence of the American slave narrative on the Victorian novel in the years between the British Abolition Act and the American Emancipation Proclamation The book argues that Charlotte Brontë W M Thackeray Elizabeth Gaskell Charles Dickens and Fanny and Robert Louis Stevenson integrated into their works generic elements of the slave narrative from the emphasis on literacy as a tool of liberation to the teleological journey from slavery to freedom to the ethics of resistance over submission It contends that Victorian novelists used these tropes in an attempt to access the slave narrative s paradigm of resistance illuminate the transnational dimension of slavery and articulate Britain s role in the global community Through a deft use of disparate sources Lee reveals how the slave narrative becomes part of the textual network of the English novel making visible how black literary as well as economic production contributed to English culture Lucidly written richly researched and cogently argued Julia Sun Joo Lee s insightful monograph makes an invaluable contribution to scholars of American literary history

African American literature and the Victorian novel in addition to highlighting the vibrant transatlantic exchange of ideas that illuminated literatures on both sides of the Atlantic during the nineteenth century

*Master Narratives, Identities, and the Stories of Former Slaves* Jonathan Clifton, Dorien Van De Mierop, 2016-03-31 This book is intended for researchers in the field of narrative from post graduate level onwards It analyzes the audio recordings of the narratives of former slaves from the American South which are now publically available on the Library of Congress website Voices from the days of slavery More specifically this book analyses the identity work of these former slaves and considers how these identities are related to master narratives The novelty of this book is that through using such a temporally diverse and relatively large corpus we show how master narratives change according to both the zeitgeist of the here and now of the interview world and the historical period that is related in the there and then of the story world Moreover focusing on the active achievement of master narratives as socially situated co constructed discursive accomplishments we analyze how different inherently unstable and even contradictory versions of master narratives are enacted
